GBus Shuttle Etiquette

- **Don't be a "web-hog"**. Wi-fi is provided on the buses for work, but bandwidth is limited. Streaming videos like Netflix, Hangouts, or YouTube makes it difficult for others to do something as simple as open an email. Please be a good neighbor to your fellow Googlers and don't stream!
- **Don't be an "edge-hog"**. Even though we all want a row to ourselves, buses get full and we need all seats to be available. Please don't take up adjacent seats with bags, etc.
- **Cell phones and talking on the bus**. Be respectful of fellow passengers and try to use your phone for business purposes only. Keep calls and conversations as short and sweet as possible.
- **No pets on shuttles**. Dogs are not allowed on the shuttles.
- **Stay home when you're sick**. Please don't ride the shuttle when you're sick. If you become ill while at work, please use the Emergency Ride Home program.
