# HIGHLAND PARK SUPER PLAYGROUND

---

## ***Do you want to help the City of Pittsburgh design the new Highland Park Super Playground?***

*Here are three ways you can help!*

- 1** Print page two and cut out the playground symbols on the dotted lines. Arrange the symbols on the plan to design your dream playground.
- 2** Print page two and draw your own playground symbols on the plan.
- 3** Print page three or find a blank sheet of paper and draw a picture of yourself in your dream playground.

*When you are finished, ask an adult to scan or take a photo of your creations.*

*Email the photo to Andrea at [andrea.ketzel@pittsburghpa.gov](mailto:andrea.ketzel@pittsburghpa.gov)  
or upload it to the EngagePGH website:*

*<https://engage.pittsburghpa.gov/highland-park-super-playground>*

### ***Did you know...***

Playgrounds are designed by landscape architects. Landscape architects design outdoor spaces such as playgrounds, parks, plazas, waterfronts, streets, and gardens.

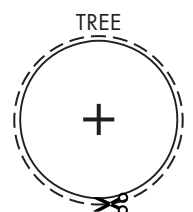

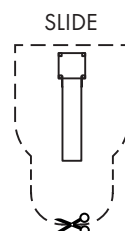

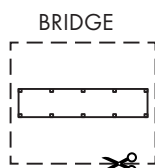

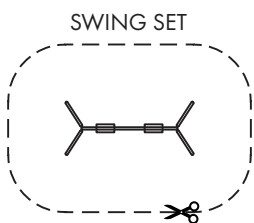

As a part of a landscape architect's design process, they talk to people (that's you!) about what ideas they have for the outdoor spaces. Today you can share your ideas with the landscape architects designing the Highland Park Super Playground.
