

Do you want to help the City of Pittsburgh imagine what Emerald View Park will look like in the future?

Here are three ways you can help!

- 1** DRAW: Print page two or find a blank sheet of paper and draw a picture of yourself in your dream park.
- 2** WRITE: Print page two or find a blank sheet of paper and write a description of your dream park.
- 3** CREATE: Print page two or find a blank sheet of paper and use any other method to share your dream park.

When you are finished, ask an adult to scan or take a photo of your creations.

Email the photo to Kara at kara.smith@pittsburghpa.gov

or upload it to the EngagePGH website:

Did you know...

Parks are designed by landscape architects. Landscape architects design outdoor spaces such as playgrounds, parks, plazas, waterfronts, streets, and gardens.

As a part of a landscape architect's design process, they talk to people (that's you!) about what ideas they have for the outdoor spaces. Today you can share your ideas with the landscape architects designing the Emerald View Park Master Plan.

EMERALD VIEW PARK MASTER PLAN

NAME: _____ AGE: _____ SCHOOL: _____

I WANT MY FUTURE PARK TO LOOK LIKE...

A large, empty rectangular frame with a thick green border, intended for a child to draw their vision of the future park.
