Every event at The Kinlands can be thoughtfully tailored to your vision, with options that change beautifully with the season. For example, the Garden House offers a charming blend of indoor and outdoor spaces, perfect for intimate celebrations under the sky or by the warm glow of its inviting interiors. The Arbor House, with its luminous, garden-inspired interior, is ideal for weddings, photo shoots, or any occasion that deserves an elegant, light-filled backdrop.

Nearby spaces, like The White Cottage, provide the perfect setting for a bridal suite or a sunlit photoshoot, while the Gathering Meadow Grounds offer a serene indoor/outdoor experience. Our Moon House Bed and Breakfast adds a cozy, private touch for guests seeking a home-away-from-home during your event.

OUTDOOR MEADOW

Gathering Grounds

Nestled within a serene farm setting, our open outdoor space is designed to embrace nature and community gatherings. This versatile area is ideal for a variety of activities, from intimate farm-to-table dinners and educational workshops to weddings, showers, and lively celebrations under the stars. The layout is intentionally open, with sprawling fields that offer flexibility for larger events, while smaller, more secluded nooks provide space for quiet conversations or reflective moments. A natural flow between shaded groves, open meadows, and rustic gathering areas allows for seamless transitions between different experiences—whether it's a hands-on crafting workshop, a lively music performance, or a peaceful yoga session at sunrise.

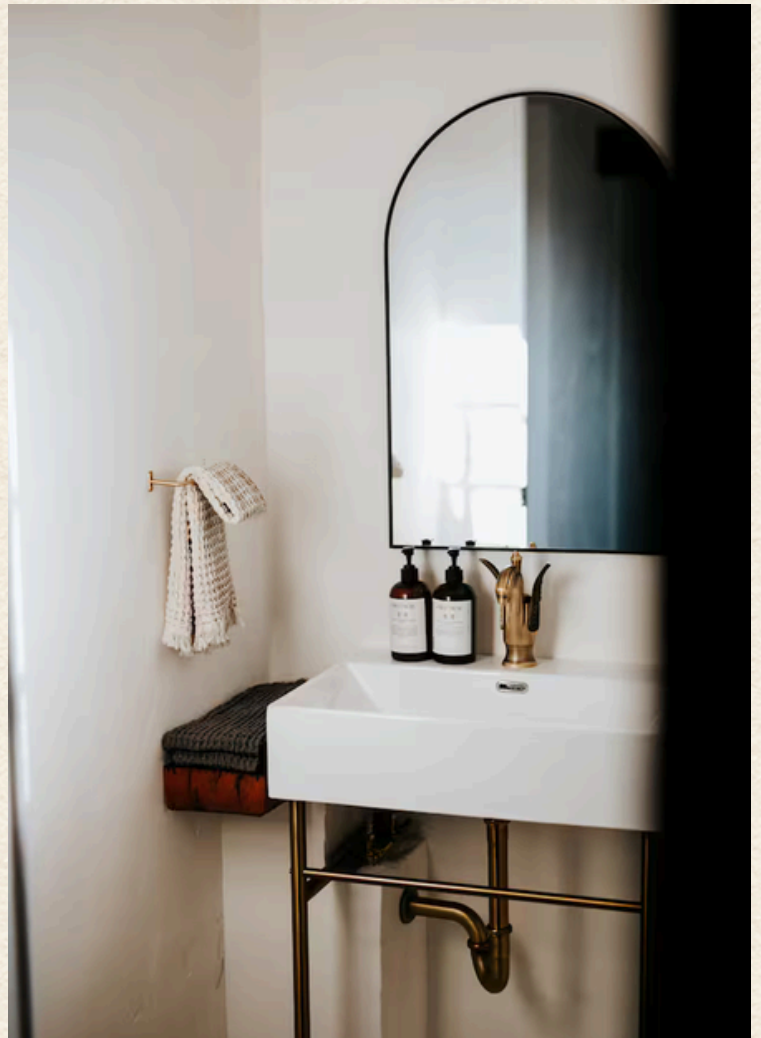

The Moon House

AN OLD WORLD BUNGALOW

The Moon House is a one-bedroom homestay within The Kinlands, where beauty stretches across five acres of flowers, vegetables, and the beloved Shoppe. Plastered walls, exposed wood beams, and carefully curated decor reflect the timeless design The Kinlands is known for. A kitchen, bathroom, parlor, and living room offer old-world charm, while French linen sheets, air conditioning, and heat ensure comfort in every season. Horses and goats graze just outside the window.

Prim
THE LITTLE WHITE COTTAGE

Bright & Cherry Cottage

Prim is a charming little white house that feels like it was plucked right out of a storybook. It's the perfect setting for gatherings of all kinds, whether you're hosting a workshop, art class, photo shoot, baby shower, or even planning a memorable proposal. Accommodating up to 12 people, it offers an intimate yet spacious environment to create, celebrate, and connect. Inside, you'll find beautiful wood beams that add a rustic touch, paired with an abundance of windows that flood the space with cheerful natural light. It's warm and inviting, thanks to the antique couch and rug that bring a sense of timeless elegance. Prim is equipped with modern comforts, too: heat, air conditioning, and plenty of lighting ensure your time here is cozy and convenient, no matter the season. Whether you're sketching, snapping photos, or sharing laughter over tea, Prim is a space that inspires creativity and fosters connection.
