

The GILDED GARDEN

A ROMANTIC SOMERSET COURTHOUSE WEDDING RECEPTION

The Courthouse **Wedding Experience**

From "I do" at the courthouse to a celebration that feels completely yours.

BEAUTIFULLY SIMPLE

Your wedding can be beautifully simple and still feel deeply romantic.

Not every love story needs a ballroom, a year of planning, or a hundred guests. A courthouse wedding can give you the simplicity you want, while The Gilded Garden gives you the flowers, candlelight, photographs, private moments, and meaningful celebration that make the day feel completely yours.

This is not simply a reception after the courthouse. It is a thoughtfully guided wedding experience created around the two of you.

"I created this experience for couples who want to keep their wedding simple without losing the beauty, meaning, and personal moments that make it feel like their own."
- Penny

"Simple does not have to mean ordinary."
Just minutes from the Somerset County Courthouse.

When you're ready, the celebration begins.

IMAGINE THE MOMENT

You step out of the Somerset County Courthouse married.

Celebrate with us a few minutes later on a weekday, or gather with family and friends on Saturday. When you enter The Gilded Garden, chandeliers are glowing, candles are flickering, flowers are waiting, and the table has been beautifully prepared.

Before the celebration begins, the two of you pause to exchange private vows - words written just for one another, away from the formality of the courthouse.

Then you raise a glass, share a beautiful meal, take photographs, laugh with your favorite people, and settle into the joy of being newly married.

"Beautifully simple. Never ordinary."

WEDDING DAY COORDINATION

You celebrate. We'll keep everything flowing beautifully.

Your experience includes a dedicated Gilded Garden Wedding Day Coordinator who will bring the reception details together and serve as the central point of contact for your selected vendors.

In the weeks leading up to your celebration, we'll create your reception timeline, review the final details, and communicate with your caterer, DJ, bartender, baker, photographer, and other participating professionals.

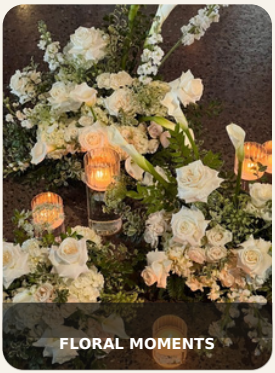

On your wedding day, your coordinator will oversee vendor arrivals, guide the flow of the celebration, cue private vows, entrance, dinner, toasts, cake cutting, first dance, and other meaningful moments, and quietly handle questions behind the scenes.

Coordination begins at The Gilded Garden. Courthouse attendance and extended coordination hours are available separately.

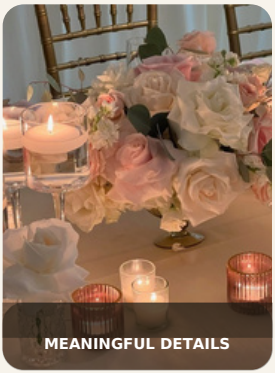

"You will not be watching the clock or wondering what happens next. You will be free to enjoy being newly married."
