Meet The Owners

"It all began after an afternoon with friends. We had recently relocated from Seguin to Boerne, they visited us and their first question was, "do you know what you have here?" We knew it was something special to us, but at that time we had no idea what it would become for so many others. Having worked in many industries and owning our own businesses, we went from being retired to now re-fired! Originally an old chicken coop, we transformed our barn into the white venue that you see today. Our passion for marriage has always been a priority in our life, and we wanted to create a space for couples to start their new journeys together. You feel the love, you sense the peace, and you see the beauty of century old oaks that surround our venue. This venue is our home, and it is our desire to share it with others."

- Mike & Charlotte Jaynes

Frequently Asked Questions

Can I bring in my own vendors?

You may bring in outside vendors as long as they carry liability insurance and have been pre-approved by the venue. The exception to this is bartender, and the caterer and planner. You must choose from one of the companies on our vendor list.

Do you require a wedding coordinator?

In order for you to have THE BEST DAY EVER, we do require a professional month-of wedding coordinator. We have four professional wedding planners on our vendor list that our couples are required to select from.

Are pets allowed?

While we love all the furry friends, for the safety of our staff and your guests, and the cleanliness of our venue, we do ask that you leave them at home on your wedding day.

Are there any "hidden fees" or taxes?

No. The prices in this welcome kit are what you pay for the venue!

What forms of payment do you accept?

We accept credit cards, debit cards or checks.

Do you offer mini-wedding rates?

We do offer smaller wedding packages during the week for 25 guests or less, with 4 hours of venue time. The rate for an intimate weekday wedding is \$3900. \$40 per guest over 25 guests.

Is overnight lodging available on the property?

While we do not have lodging accommodations, we are happy to recommend several nearby hotels and rental properties for you and your guests to enjoy.
