## WHAT OUR COUPLES ARE SAYING

★★★★★ Reviewed On 8/09/2021 by Haley G

I don't even know where to begin with writing this! We first toured The Springs when it was under construction. It was so amazing to watch this venue come to life! We knew this venue would give us the wedding we were looking for, and it was so fun to make this venue our own for our special day. The team was GREAT! They truly are wedding experts and can help lead you on the right path for your wedding day. The grounds are BEAUTIFUL and our guests still keep telling us how beautiful the venue was. My husband and I wish we could give this more than five stars, because The Springs in Alvarado is out of this world!

The Springs in Alvarado was amazing!! This was the first venue we looked at — and the only venue we ever looked at because it blew us away. The staff was so helpful along the way and made our wedding planning so simple. From the bride and groom's suites, to the layout, the outdoor and indoor ceremony options, you can't ask for a better venue for the perfect wedding. Every time we talk to friends and family that attended our wedding, one of the things they always mention is how amazing the venue was. We can't recommend The Springs enough and we are so glad we chose it! Thank you for making our day so special!
