# Red Ridge Receptions

Enchantment awaits at one of the premier wedding venues around Austin. Let the views of the Colorado River Valley steal your breath away and paint the perfect picture on your wedding day. Our rustic wedding venue provides scenic indoor and outdoor locations and our thoughtful staff provides peace of mind. We'll be there for you every step down the aisle.

# Venue Spaces

## Ceremony

Choose between our picturesque lawn for intimate gatherings or our iconic gazebo, ideal for ceremonies hosting up to 100 guests.

## Cocktail Hour

Enjoy our covered patio bar area and deck adorned with a lush greenery wall, complemented by a charming biergarten perfect for yard games during cocktail hour.

## Indoor Grande Room

Experience our grand indoor reception space, featuring climate-controlled comfort, guest dining tables, buffet, cake, sign-in, and gift tables, with the DJ booth elegantly situated on the Juliet balcony upstairs.

## Dressing Rooms

Indulge in our private dressing rooms, with separate suites for the bride and groom housed in distinct buildings, where our attentive team ensures everyone arrives in style with a ride on our golf cart.

# Frequently Asked Questions

## **The packages include so many services! What services are NOT included in the packages?**

Typically, the only other “major” vendors still needed from outside of the venue are: Catering, cake, and photography. Many of our clients utilize our in-house decor and silk floral; but some choose to hire a florist.

## **Do your packages include catering?**

We are proud to offer our couples flexible catering options! Unlike many all-inclusive venues, we do not require you to choose from a limited and high-priced menu. Our couples love that they can choose the food they want and shop around for the best value. We have a list of 20+ approved caterers and also have food service packages if you want your favorite restaurant to drop off an order and have our team serve it! The caterers on our list start at \$15 per person. All of our packages include table bussing, trash service and dishwashing (if there is china) so the caterer never has to stay until the end of the night which means major savings in catering service fees for our couples.

## **What is the difference between a full-service caterer and a drop-off caterer?**

A full-service caterer will deliver and serve the food, package up leftovers and clean up the buffet area. A Drop-off caterer only delivers the food to the venue and our team takes care of the rest! Our food service fee is listed on our a la carte menu. Drop off tends to be the most economical choice and is perfect for restaurants that do not have service staff.

## **Do you have a preferred vendor list?**

[Here](#) is a link to our preferred vendor list. Caterers must be chosen off of this list. Bands and transportation not on the list require pre-approval by our team.

## **Do your packages include alcohol?**

We allow you to supply all of the alcohol saving you lots of \$ on your bar. All of our packages include a TABC certified bartender. You're welcome to supply your own cups, ice and mixers or add bar packages with us and we can supply them. We give you an alcohol calculator so that you know how much to buy! You can either bring it on the wedding day or place an order with Specs and they'll deliver it for you.

## **Is the coordination just day-of?**

This is such a great question! It's much more than day-of coordination. Planning support starts as soon as you book with us! We provide you with a personal online planning portal that you can access and work on your forms when it is convenient for you! Our detailed planning forms help us get all the info we need from you to manage your wedding day. The forms include: floorplan, timeline, processional, music, vendor list, bar menu, and décor selections. We're available to help you anytime you have questions and we send lots of helpful reminders along the way. After your forms are complete, we put together a production schedule and let you go through it and make any edits before the big day. We send this to your vendors and confirm the timeline with them, as well. On the wedding day, our team handles all set up/breakdown and manages the timeline. We want you to be able to truly relax and your day! Bonus: Your wedding party and family also gets to relax while our team handles the details.

## **Do I get to pick out my own music or will the DJ pick it out?**

We want to play the music YOU want to hear! We provide a music survey online where you can let us know all of your song selections for your ceremony, special dances, cake cutting, etc...There are tons of suggestions on this form. We also leave a space to provide a list of must plays for dinner and reception! You can send us Spotify playlists to make it easier to compile your favorites.

## **Can I bring in my own decorations?**

We have lots of in-house décor that you're welcome to use and you can absolutely bring in your own decorations and finishing touches! Our team does a full set up and breakdown of everything on the wedding day and we even pack up and load all of your décor, gifts and leftover food and alcohol at the end of the night. DIY floral must be pre-assembled beforehand.

## **How many hours are included in the rental?**

Elopements include a 3 hour venue rental (1.5 hour event)  
Micro-Weddings include a 6 hour rental (3 hour event)  
Classic Weddings include a 10 hour rental (5 hour event)

Since our team handles ALL set up and breakdown, our couples are able to spend their time at the venue relaxing and enjoying their special day!

# Frequently Asked Questions

## **Can we add additional hours to our package?**

We do not add any additional hours to our event timeline.

Elopement rentals are 3 hours long and include a 1.5 hour event.

Micro-wedding rentals are 6 hours long and include a 3 hour event.

Classic wedding rentals are 10 hours long and include a 5 hour event.

We're happy to send you a sample timeline if you'd like to see the typical flow of a wedding at Red Ridge.

Note: Elaborate designs or designs with a lot of DIY elements may result in needing to purchase additional hours for our team to set up and achieve your vision (especially with elopement or micro-wedding packages).

This will be determined based upon the information you provide in your planning forms.

## **Can we add additional guests to our package?**

We are not able to add additional guests to these packages. You may have a max of 25 guests at an elopement, 50 at a micro wedding and 100 at a classic wedding.

## **Do children count in my head count?**

Anyone who requires a seat is counted in the headcount. Lap infants do not count towards the headcount.

## **Can my dog be in my wedding?**

Yes, we welcome your Pups to be a part of your outdoor ceremony and outdoor photos as long as you have a pet attendant to care for them and bring them to your hotel/house afterwards. We have some great recommendations on our preferred list for this. Pets are not allowed inside the venue or dressing rooms.

## **Where can my guests stay overnight?**

We have lots of great B&Bs, Airbnb's, and several major hotels all within 10 miles of our venue.

## **How far in advance should I reserve my date?**

We allow bookings up to 2 years in advance; but on average, most of our couples' book 10-12 months before their wedding date. October and November are the most popular months and it's not uncommon for a majority of those Saturdays to be booked up 18 months out. This doesn't mean that you have to plan for that long, though; especially if you have flexibility with your date! We work with many couples that want a short engagement of a few months or even a few weeks of their wedding date! Our advice is that If you have your heart set on a specific date, it's always best to go ahead and reserve it while it's still available.

## **What payment options do you have?**

- 1: \$1500 down + monthly installments
- 2: 4 equal payments paid incrementally
3. half down; half due 30 days before your event
4. Discount available if paying in full with cash, check or money order

We accept cash, check, money order and also accept CC/debit card payments and have auto-pay available through our payment processor.
