

CARMEL VALLEY RANCH

YOUR BIG DAY

EXACTLY YOUR WAY

Your wedding is about *you*—and even if you don't want a big event, you still deserve a big day, one that is perfectly personalized to include everything your heart desires. An intimate ceremony overlooking vineyards or the valley. A majestic dinner under the stars. An unforgettable evening with those who matter most.

Just a few miles from the coast, against the backdrop of the Santa Lucia Mountains, Carmel Valley Ranch is a natural wonderland dedicated to discovery, relaxation, and romance—an unparalleled setting for the momentous step you're about to take. And we believe the smallest nuptials are worthy of just as much care and consideration as events with hundreds of guests.

Whether your day includes just you and your beloved, or it's a celebration with your closest family and friends, our elopement and small-wedding packages ensure that this first chapter in your new journey together will be one for the books.
