

CEDAR LAKES ESTATE

Weddings

Thank you so much for your interest in Cedar Lakes Estate; we are honored to have the opportunity to host your wedding. At Cedar Lakes, we are committed to maintaining the highest quality of service, care and personalization, which is why we host no more than 20 weddings each year. Each event is truly special to us in its own unique way, as are our clients.

Our pastoral charm and inspiring landscapes offer a wonderful blend of rustic elegance in a natural setting. We offer both indoor and outdoor event venues with breathtaking views overlooking tree-lined lakes, rolling green hills and stunning mountains. Whether your wedding calls for grandeur or intimacy, we guarantee, with unwavering assurance, that Cedar Lakes Estate will host the wedding of your dreams.

We have a deep commitment to culinary and mixology excellence, practicing farm-to-table values and employing only the most highly decorated Hudson Valley chefs. Our culinary philosophy demands that we do things the old fashioned way—slowly, thoughtfully, passionately and from scratch. Our expansive Chef's garden is a testament to these values, as we tailor our crops each season to grow produce specifically for the menus chosen by our couples. Cedar Lakes also produces its own honey, maple syrup and cheese on-site; whatever we cannot grow or make ourselves is sourced from our small-town farmer neighbors. We believe that cultivating a network of local purveyors ensures the most outstanding seasonal fare for your wedding. While we offer sample menus that showcase our culinary vision, we can also create personalized menu items that reflect both your taste and the bountiful land that surrounds us.

Attached you will find our Cedar Lakes Wedding Brochure. Please bear in mind that we are happy to tailor each wedding according to your individual needs and unique vision.

If you choose the weekend package, we include our 13 luxury cottages and ensure that the entire 500-acre estate will be exclusively yours for the weekend. You and your guests will have sole use of the grounds, including the use of our lakes, pools, hiking and biking trails, bonfire pits and tennis and basketball courts. We also offer four dormitory-style camp cabins for our more rustically inclined guests.

We would be happy to arrange a tour of the estate if you have further interest in the property. We look forward from hearing from you soon, and congratulations!

Warm Regards,
Stephanie & Lisa Karvellas
