This is our option for a cocktail party reception, for those couples seeking more of a mingling atmosphere instead of a formal dinner reception. Your choice of 7 hors d'oeuvres are passed on silver trays, beginning immediately after the ceremony, and continuing though dancing until it's time for cake. **Dinner Hour is not included.**

Enhance your event with a delicious 'late night snack' by choosing a gourmet food truck, taco cart or the ever-popular In-N-Out truck, etc. **Keep in mind that this option is not intended to become a 'dinner package' with another catering company.** Instead, this is a mingling cocktail style party; tables and chairs are provided for approximately ½ of your final guest count and are placed throughout the front and back gardens, including the veranda. Additional seating is provided in the house, as well as our garden lounge seating. We will also set up tall cocktail tables near the dance floor.

OUR SIGNATURES

Here are some of our unique signatures that set us apart. These are the features that often make the decision for our couples

- Dressing Rooms • Our unique dressing rooms for the wedding party. As stunning as our Celebration Suite is, our Butler's Quarters is equally photogenic.. styled after an English Pub, complete with dart board and darts. We often hear our couples 'fighting' over who gets which room!

- After Dark • Our "After Dark" atmosphere - as beautiful as our venue is during the day, it is a completely magical experience after dark!

- Stay the Night • One complimentary suite for your wedding night with a delicious breakfast brought to your room the next morning

- After Party • Add our fun "After Party" which includes the rental of the remaining 3 overnight guest rooms, complete with a pizza party and soda. In the morning, you and your guests are served a traditional B&B breakfast, freshly prepared just for you and served in our exquisite dining room. This is our most popular add-on for \$500 and can accommodate 8 guests, including the two of you!
