Our all inclusive package is a selection of trusted vendors for turnkey service for your event.

Please note :

- *We require event insurance with a policy of up to \$1,000,000 coverage (cost approx. \$175)*
- *This pricing does not include catering.*

COST \$25,000

The average wedding cost in Denver for 100 people averages at \$47,000.

The **FAQS**

Is there anything else needed to book my event?

We also require all clients and their vendors to have adequate event insurance.

Can we bring in our own alcohol?

No. All alcohol and coffee beverages must be provided by DCO.

Is catering included?

No, but we do have fabulous referrals for caterers in various styles and specialties! We do allow

Can we upgrade our linens? And coordinate rentals like glassware, dinnerware, etc?

Yes! This falls into the custom package and may incur additional sourcing costs.

*More***FAQS**

Are there dietary options for our desserts?

We'll follow up for any allergies or dietary restrictions and preferred dessert flavors! Please note gluten free and vegan options may incur additional fees.

What if we want to opt out of part of the package?

With the exception of the coordination and bar service, the other inclusions are flexible.

What if we want additional services?

Our preferred vendor list has a wide range of professional services from stationery to djs. If you there's a specific request you're looking for, your planner or DCO will likely have a referral!

What if we want more?

More is more! You are able to upgrade your bar package, linens and decor. We'll connect you with each specific vendor if you're looking to add additional services, like additional desserts or florals!

But wait..... **THERE'S MORE**

Catering is available as an optional add on service to make this a true all inclusive package!

Please note :

- *This cost is not included in the all inclusive package pricing.*
