Historic *Luxury*

Estancia's recently reimagined guest rooms and suites honor the resort's equestrian roots, blending distinct architecture with Southern California luxury. Originally intended as a sanctuary for horses and open land, the estate grew with the spirit of the California coast: wild, elegant and timeless.

Warm tones, rich textures and curated details create spaces that invite guests to unwind in style. Elevated in-room amenities and serene views set the pace for leisurely mornings. Many rooms feature a private patio or balcony, perfect for soaking in the fresh air.

From a storied past to contemporary comforts, each room and suite offers an elevated, memorable stay.

Spa Estancia

Find true bliss at the resort's on-site, award-winning spa. Nestled within 10 acres of lush, tranquil gardens, Spa Estancia offers a serene retreat within the expansive Estancia La Jolla grounds.

Recently named "best spa" by San Diego Magazine and recognized as one of Southern California's top resort spas, this seven-thousand square-foot sanctuary features facials, massages, body care and more, with treatments using advanced, organic ingredients.

Guests can enjoy the intimate spa bungalow, soak in the outdoor tub, relax in the eucalyptus steam room or unwind in indoor and outdoor relaxation areas. The meditation garden provides a quiet space to reflect and recharge. Every visit is designed to refresh, renew and pamper.

Experience Estancia

Estancia La Jolla offers a thoughtfully curated collection of experiences designed to engage the senses and enrich every stay.

Stroll through lush botanical gardens on a self-guided tour, discovering vibrant blooms, fragrant plants and hidden corners perfect for quiet reflection. Pause to cast a wish at the wishing tree, join a restorative yoga session in the garden or visit the apiary to learn about the honey used in restaurant dishes and signature cocktails.

Throughout the resort, vibrant murals, serene courtyards and thoughtfully designed spaces invite exploration and moments of delight. Each moment at Estancia La Jolla should inspire, refresh and create lasting memories.

Dine and *Delight*

MUSTANGS & BURROS

Award-winning al fresco dining can be found at Mustangs & Burros, located in the heart of the resort. Baja flavors meld with seasonal San Diego ingredients, perfect for sharing. Meals are enhanced with Baja wines, an extensive tequila selection and craft cocktails. Dine on the spacious patio or in the cozy dining room, both accented with inviting fireplaces.

GREENFINCH RESTAURANT & BAR

Perched above the gardens, Greengfinch offers playful, aviary-inspired interiors and an open terrace to create the perfect setting for breakfast, brunch and lunch. As the day winds down, return to the bar area for craft cocktails in an immersive environment.

TRADING POST CAFÉ & BAR

Drawing on the resort's equestrian heritage, the Trading Post Café & Bar offers lively libations and craft cocktails at the lobby bar, while the cafe opposite elevates the traditional experience with locally sourced ingredients and artisanal craftsmanship, serving thoughtfully prepared cuisine morning through evening.
