# Our Property

Combining the rustic romance of nature with spaces steeped in history, we have a variety of wedding locations to choose from. Read about some of our popular venues then schedule a tour to see them in person.

## OUR GARDENS

*Our beautiful wedding lawn and perennial garden features a gentle waterfall, stream and brook-fed pond providing a stunning backdrop in all seasons. Whether you choose to say "I do" by the wedding arbor, under the willow tree or on the bridge, this picturesque wedding location will have your guests in awe.*

## MAIN DINING ROOM

*This elegant setting, rich with history is where couples have chosen to celebrate their most important occasions for generations. Featuring the original tin ceiling from the 1800's, the original wood burning fireplace and burnished woodwork glowing with rustic charm.*

## BREEZE DINING ROOM

*This sun filled room shines as a reception venue where you and your guests can enjoy the sunset hues and have the starry night as a peaceful backdrop into the evening.*

# Our Rooms

Surrounded by views of the Adirondacks, each room is uniquely designed. Offering a variety of features from wood burning or gas fireplaces to steam showers and jacuzzi tubs we have the perfect romantic setting.
