# Budgeting Session

**What sets us apart?** We go beyond just offering a beautiful venue—we help you navigate one of the biggest stressors of wedding planning: the budget!

That's why we offer an **optional, in-depth two-hour budgeting session** to all of our prospective and booked couples. Weddings are an investment, and we want to make sure your budget works for you—not against you. In this session, we'll help you compare our venue packages, map out any remaining vendors you need, and **gain crystal-clear clarity** on what truly matters most for your big day. Our goal? To ensure you **feel empowered, confident, and in control** of your wedding vision—without financial surprises down the road.

You'll **meet over Zoom with Emily, co-owner of The Gardens of Weber Manor and a CERTIFIED FINANCIAL PLANNER™**, for a comprehensive budgeting deep dive. By the end of your session, you'll walk away with:

- ✓ A customized wedding budget spreadsheet
- ✓ Vendor brochures tailored to your needs
- ✓ Expert tips on how to prioritize your must-haves while staying within budget

**The best part?** If you book our venue, this session is completely **complimentary**—it's rolled right into your rental! If you'd like to take advantage of it before booking, the session is available for **\$300**, which will be applied to your venue booking if you choose to move forward.

Let's take the stress out of budgeting and make your wedding planning experience as smooth, strategic, and joyful as possible!
