ABOUT THE RANCH

The Property

Guyton Ranch is a 24-hour rental with on-site housing for 10+ guests included with every package.

The Ranch sits on 330 acres about 35 minutes south of Breckenridge, Colorado and about an hour and a half from downtown Denver.

Ceremony Space

Most ceremonies happen outside with the gorgeous rocky mountains as a backdrop. However, the ranch also features a chapel and other areas where a ceremony can be held.

ABOUT THE RANCH

Reception

Our barn is a great spot for receptions, with space for a 175 person seated dinner and the option to expand into the adjacent covered patio.

Even bigger guest count?

You can easily stretch out into the fields and yard. Our paved cocktail area is also perfect for cocktail hour or late night dancing.
