

HARFORD HILL

CELEBRATE AT HARFORD HILL

Hosting a limited number of events each year, Harford Hill is a one-of-a-kind destination. A secluded haven in the heart of Maryland's renowned Harford County horse country, about 40 minutes north of Baltimore and 90 minutes from Washington D.C., we invite you to celebrate a magical weekend on our breathtaking property.

Nestled on 250 acres of bucolic countryside, Harford Hill is a working horse farm offering sweeping views, sprawling grounds, an enchanted pond and a landmarked country estate. Constructed in 1929, as the grand vision of S. Bryce Wing, horseman & former President of the National Steeplechase Association, over the last century this historic Georgian estate has been a gathering place for society's elite.

Beautifully landscaped with boxwoods, poplars and London planes, guests are treated to a breathtaking arrival, enveloped in ancient oak and maple trees as they make their way to the stately manor. Elegantly situated in the center of the property, the 8,000 square foot estate offers the perfect backdrop to endless design palettes and, when paired with the guest cottage, can accommodate up to 22.

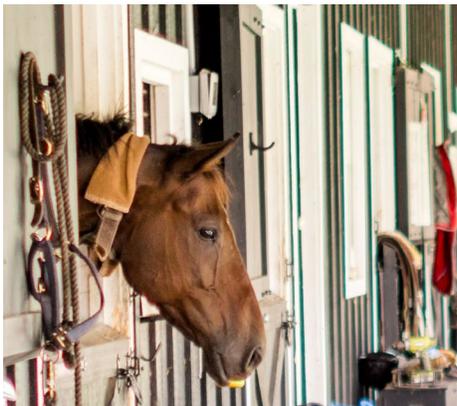

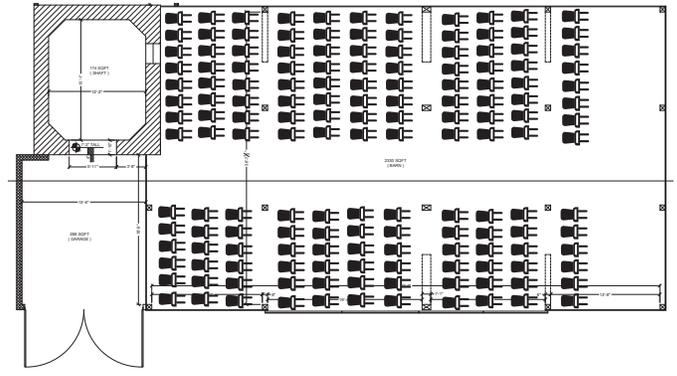

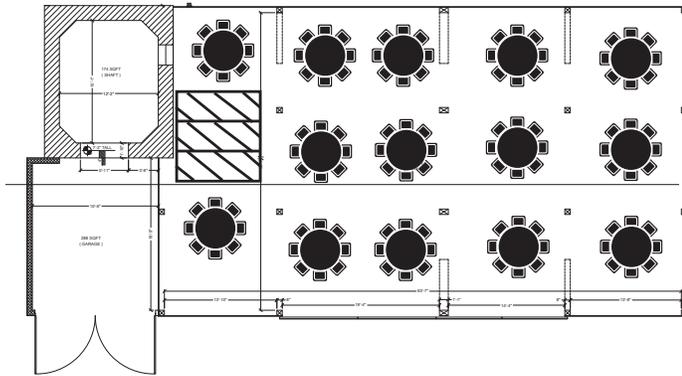

With both indoor and outdoor venue options, guests are able to use the grounds for multiple wedding-related events of varying guest counts, including a welcome reception, rehearsal dinner or Sunday brunch with photo ops at every turn of the expansive property. Our team can also work with you to coordinate equestrian-related events to truly take advantage of the local culture.
