

HARFORD HILL

A TRADITION OF GRAND EVENTS

Celebrate your next special event at Harford Hill and become part of the historic legacy of our magical estate. This unique destination offers a secluded haven in the heart of Maryland's renowned My Lady's Manor horse country, ideally situated 40 minutes north of Baltimore and 90 minutes from Washington D.C. We host a select number of gatherings each year, ensuring an unparalleled level of privacy and personalization.

Nestled on 250 acres of bucolic countryside, Harford Hill is a working horse farm featuring sweeping views, sprawling grounds, and an enchanted pond alongside a landmarked country estate. Built in 1929, as the grand vision of S. Bryce Wing, horseman & former President of the National Steeplechase Association, the stately Georgian estate has been a gathering place for society's elite for nearly a century.

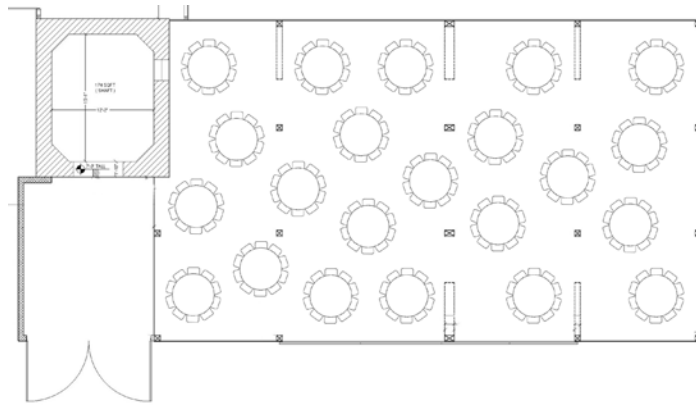

Guests are treated to a breathtaking arrival, enveloped by ancient oak and maple trees, along its quarter-mile drive. The Manor House is prominently situated in the heart of the property and offers the perfect backdrop to endless design palettes.

The expansive grounds offer exceptional flexibility with both indoor and outdoor venue options. Guests often utilize the entire property to create a complete and cohesive multi-day wedding experience, with seamless settings to host a welcome reception, rehearsal dinner, ceremony, and farewell brunch - each offering picturesque photo opportunities at every turn. To enhance your experience, our team can also coordinate equestrian-related activities to immerse guests in the region's unique sporting culture and explore the surrounding countryside.

THE BARN AT HARFORD HILL

Our 4,000 square-foot barn offers a space to design your dream event. This indoor setting features wide plank oak floors, vaulted ceilings, and exposed beams, providing ample room for 200+ guests. The interior allows for complete customization to suit your unique vision - from clean and modern to romantic and classic. A dramatic spiral staircase in the barn's stone turret leads to a secluded lounge area to allow for additional seating, a dedicated dance floor, or the perfect after-party venue with room for a band or DJ.

INSPIRING OUTDOOR SETTINGS

Copper Beech Tree Lawn

Exchange vows amidst our iconic 200-year-old Copper Beech tree. With rich burgundy leaves that bloom yellow-green flowers in April and May, this majestic tree turns a vibrant copper in the Fall, offering a stunning backdrop for any event.

Private Pond

Private and secluded, the property's enchanting pond offers spectacular 360-degree vistas of the serene landscape. Featuring a peninsula for unique photo and event opportunities, guests are immersed in the natural surroundings.
