- The number of guest rooms and preferred room types.
- Event space selection with requested timing.
- Anticipated guest count.

- Remaining 25% and any additional agreed-upon charges – Due 21 days prior to the event.

Final menu selections must be submitted no later than 45 days prior to your event to ensure proper preparation and execution with final guest counts being due no later than 5 business days before your event. After this time decreased guest counts will not be permitted, and any additional adjustments will be subject to availability as we may not be able to accommodate changes to menu items or services.

In accordance with Arizona State law and our liquor license, we reserve the right to refuse the service of alcohol to any individual who appears intoxicated. Wedding Planner

To ensure a seamless and well-executed event, all weddings hosted at the Resort are required to have a professional wedding planner. The planner must be pre-approved by the assigned Event Manager, ensuring they meet the Resort's standards. Couples may choose between a full-service planner or a partial planner; however, partial planners must be contracted and actively involved in planning discussions no later than 30 days prior to the event.

Day-of coordinators are not permitted, as they do not provide the necessary level of planning and oversight required for events at our venue. Additionally, planners may not be a friend or family member of the couple and must be a third-party professional with prior event planning experience. Failure to meet this requirement will result in additional coordination fees, to be determined by the Event Manager, based on the level of support needed to ensure the successful execution of the event.

Entertainment

All outdoor entertainment must be approved in advance in writing and conclude by 10:00 PM. Outdoor entertainment will adhere to location and sound direction requirements by resort. All indoor elevated entertainment noises must conclude or be lowered by midnight. This is in accordance with local noise ordinances and with respect for other guests on property. For celebrations looking to extend past midnight there will be additional "late night" service fees with the bar being required to close at 1:45 AM.

Décor

Decorations, signage, or displays brought onto the property must be approved in writing prior to arrival. Items may not be attached to any stationary wall, floor, window, or ceiling with nails, staples, tape, or any other substance that leaves residue in order to prevent damage to the fixtures and furnishings. In addition, no confetti of any kind may be used. Cleaning fees will apply for the removal of any excess decorations or damages and will be billed based on prevailing contractor rates. Additional fees may apply to excessive decoration set-up or furniture removal.

Additionally candle flames are permitted if contained in a protective vase and no open flames are allowed.

Contracted Room Blocks

To confirm your wedding booking, a room block is required. The minimum number of room nights will vary based on the selected date and venue space. Nightly room rates vary depending on the time of year and the number of rooms contracted. Your Sales Manager will be happy to provide more detailed pricing information.

Please note that the pricing provided is subject to change if more than 30 days have passed from the initial quote to the time of signing the contract. Once rooms are contracted, any additional room nights requested will undergo a price evaluation, and availability at the original rate cannot be guaranteed.

Provided guest room pricing does not include the nightly resort fee or parking fee which will be outlined in the Sales Agreement.

Hilton Honors Points

As the contract signor, individuals are eligible to earn Hilton Honors bonus points for every eligible dollar spent, provided the Hilton Honors Account number is listed on the contract. Eligible revenue includes all sleeping room revenue (see below for details) and event venue revenue, up to a maximum of \$1,000,000 in eligible revenue.
