ROMANCE IN HISTORY

This lovingly restored circa 1683 manor was the favored stop of George Washington. Now, this oasis of natural charm offers its bounty for your wedding design: a rustic barn, woodside gardens and heritage architecture. Worsell Manor is within 1.5 hours of driving distance to major mid-atlantic cities.

THE BARN

You may use our tables and fruitwood Chiavari chairs for your event. The 250+ year old historic barn offers a charming and unique atmosphere compared to the average tented event. It is an authentic high beamed barn with custom lighting, HVAC system for heating & cooling, as well as a raised stage for your DJ or band. The barn comfortably accommodates 200 guests.

You will appreciate the option to utilize our HVAC system or open up the barn entirely with many windows, plus large doors along each wall.
