EVENTS

Hyde House Public Studio has world-class amenities including five unique yet cohesive event spaces: covered terrace, social space, auditorium, test kitchen, photography studio and lobby.

Created by Station House exclusively for Hyde Park Village,

Hyde House Public Studio is a curated, gallery-style workspace offering a dynamic mix of co-working, private offices, and event spaces. Located in the heart of the village in the newly constructed H Building, Hyde House Public Studio reflects the unique amenities and atmosphere found in and around Tampa Bay.

Foyer/Lobby

Ground floor entry into Hyde House Public Studio welcomes guests into the eye-catching Foyer containing the world's greatest selfie mirror. Take the stairs or elevator up to the Lobby, setting the tone and inviting guests to the beginning of their experience. The Lobby can serve as a welcome/cocktail space or sitting area. Utilize the stunning front desk as a satellite bar, welcome cocktail, guest book or gift table.

Black Box Auditorium

An auditorium with raised and tiered wood seating along the perimeter of the room. Perfect for a truly intimate and unique ceremony. The stunning, large theater custom doors that privatize this space serve as a beautiful backdrop. Wrap around LED lighting may be used with the color of your choice, or for the minimalist the stark white walls offer a beautiful setting. The custom doors can be opened for a seamless flow into the Social Space. The Black Box Auditorium may also be used for food set up or even a dance floor (DJ only).

Social Space

This is the largest open space that ties the rest together with our grand 360 bar as a centerpiece.
