# Love Notes

Our experience with forever five events was absolutely amazing. Emily the owner was so nice and was there to help us with everything we needed. I could not recommend this venue more!!! It was perfect for our big day! The bridal suite was STUNNING and the reception area was literally out of a fairytale with the twinkling white lights. The ceremony space was so calm and intimate, & it made such a special moment even better.

Forever 5 Events was the PERFECT place for my husband and I to get married. The owners are wonderful and genuine people and will take care of you. Not to mention there are so many beautiful spots for pictures. Communication was perfect with them and other vendors as well as myself. You will not regret spending your special day here.

Forever Five is the most breathtaking venue I've seen in the greater Houston area. With or without decor, the nature and simplicity of the venue speak for themselves. My husband and I married here on July 17, 2022 on a hot and sunny summer evening and wouldn't have done it any differently. Not only is the venue stunning, but the staff are sweet, compassionate, and helpful. They answer all questions with grace and are willing to assist in any way possible. I highly recommend this venue!
