INTIMATE WEDDING STUDIO

& EVENT DESIGN TEAM

Vaux Studio, located in the heart of Philadelphia, is housed in an early 1900s brownstone, possessing a tastefully curated minimalist ambiance. Couples can choose to enjoy the space in its current state or leverage its understated elegance to serve as the perfect backdrop for your vision. The studio, which serves as our ceremony space, is distinguished by its grand, dark wood pocket doors, creating an intimate and traditional setting.

Over the years, Vaux has decorated the studio with an eclectic, vintage feel, featuring ornate mirrors, brass candlesticks, and antique furniture. Our in-house design team will tailor the space to complement your vision for your special day including a bespoke arch arrangement, a primary bouquet, boutonniere, ambient lighting and decor.

We offer two packages along with a selection of a la carte options, allowing you to tailor and enhance your celebration according to your preferences.
