A family business fueled by love of wine, art and community.

Walter and Marijke Byck - wine lovers and art enthusiasts - saw their future in 155-acres overlooking the Russian River Valley. Their vision manifested into a beautiful estate winery, an elegant family of wines, a curated sculpture grove, and a gathering space for their community.

Located in the heart of Sonoma County, Paradise Ridge offers a naturally romantic setting. The 155-acre estate has sweeping views of vineyards and the Russian River Valley. The iconic two-story LOVE sculpture, which illuminates in the evening, adds to the enchanting wine country setting. We are thrilled to be one of your choices for your big day!
