"The view from this resort is spectacular!!! It was the perfect setting for our outdoor wedding. We were able to book all of the rooms and had the resort all to ourselves for two days. The staff and owners are flexible and professional. If you are looking for a ceremony with an amazing Sedona backdrop then this is the place for you!!!"

SPECIAL EVENT INFORMATION

VENUE

Red Agave Resort is the perfect venue for your large (100 guests max) or small wedding. Nestled beside Coconino National Forest, our intimate setting offers an outdoor venue (no backup facilities) for your ceremony and reception, accommodations for your guests, and one-of-a-kind views of Bell Rock and Courthouse Butte.

BOOKING INFORMATION

For events of 30 people or more, the entire resort must be booked; for events of under 30 people, at least six chalets must be booked. A courtyard rental fee grants exclusive use of the stage, garden, courtyard and fire pit for two days.

DEPOSIT

A deposit is due at the time of booking and will be applied to the cost of the rooms and any fees. The deposit is refundable less a cancellation fee if cancelled 60 days before the event; if cancelled less than 60 days before the event, a partial refund may be issued if the resort is able to rebook the cancelled rooms. Any unused deposit will be refunded the week following the event once all rooms and fees if any are paid. Any rooms reserved for the event outside of this contract are subject to our normal cancellation policy—these may be cancelled up to one week prior to the date of reservation for a refund of the deposit. All rooms must be paid in full at check in.

"Our son's wedding took over the entire resort for two nights. It was the PERFECT setting with the ample outdoor spaces like the pool, spas and fire pit for people to gather and circulate or just sit and enjoy the incredible views. No one had to drive to the rehearsal dinner, ceremony or reception as they were all done on site with a couple tents set up for the food and beverage service, along with the dance floor. It was a lovely scene after sunset with the lights strung around the whole area."

SPECIAL EVENT

INFORMATION

OUTSIDE VENDORS

Tents (30 ft. x 50 ft. max.), live music, or a DJ are welcome when the entire resort is booked for a minimum of two nights. Planning and coordination with outside vendors is the sole responsibility of the host, as well as storing any rental equipment and preparing it for pick up. Additional fees will apply if the grounds are not restored to their original state. The resort is not responsible for setup or cleanup of the event, or any damage that may occur to the equipment before, during, and after the event.

MUSIC & AFTER HOURS

In accordance with the Sedona Sound Ordinance, all music and noise must be under 70 decibels and be turned off by 10 p.m.—the celebration does not have to stop, but the noise and music has to come to an end. If law enforcement is called to the resort for a noise complaint more than once, the music will not be allowed to resume. Relaxing quietly in the courtyard after hours is permitted, but is done so at your own risk. The pool and hot tubs will be closed and locked at 10 p.m. The fire will be extinguished at 10 p.m.

RESTROOMS & PARKING

The resort does not have public restrooms. One—preferably two—units must be designated and clearly identified for your guests and wedding staff to use as a restroom. Parking is limited to guests only.

ALCOHOL & SMOKING

Alcohol is allowed on the premises but may not be sold on the property, or served to any person under the age of 21. Smoking is not permitted in or near any building and only in a designated area; cigarette butts are to be disposed of properly.

RESORT RULES

The use of confetti, rice, bird seed or similar is not allowed. Please keep the use of flower petals to a minimum. All dishes, silverware, utensils, etc. found in the units are for use in the units. Anything taken out of the unit must be returned to the proper unit and washed before check out.
