Your special day is all about YOU - that's why our team is dedicated to helping you create your perfect menu. Our culinary team has curated an extensive list of options from which you may choose your menu.

Raising the Bar

Whitehouse Caterers has a license to serve, but not sell, alcohol. What does that mean for you? You save a lot of money on your bar package by providing the alcohol yourself!

We highly recommend working with our friends at The Wine Bin. Dave and his team will assist you in choosing types and quantities of alcohol to best meet your needs. They arrange delivery and provide the coolers and ice.

The best part? They buy back whatever hasn't been opened. At the end of the event, our staff will box up any opened bottles or cases for you to take home and enjoy. The Wine Bin will pick up any unopened items and issue you the appropriate refund.

WEDDINGS + SOCIAL EVENTS

Whitehouse Caterers has been the exclusive, resident caterer and event designer at Overhills Mansion for over 35 years. Our passion for quality, service + hospitality is second only to our love of food.
