## **COVID-19 Coronavirus Special Announcement from Marin Aleksov, CEO**

To all our customers and friends,

I would like to reassure you that Rosland Capital's sales representatives and staff will be available to help you with your needs throughout this time of upheaval. We are working remotely, using cloud-based technology to connect with each other, and with you, our customers, friends, and Rosland family.

The combination of the current health crisis and the high volume of customer orders may possibly cause us to experience some delays in shipping. We will do everything we can to deliver in a timely manner, of course. Your sales representative will keep you informed at every stage – your satisfaction is of paramount importance to us.

If you have any questions about this, please contact your sales representative. Please leave a message if they're not able to pick up immediately, so they know you've called. As an alternative, you can call 1-800-679-6482.

Please take care of yourselves; we are here if you need our help.

Yours,

Marin Aleksov  
CEO
