DECLARATION

I, Eric D. Fredericksen, declare under penalty of perjury, pursuant to the law of the State of Idaho, that the following is true and correct:

(1) The appellant's brief was originally due on April 10, 2023, and is currently due on June 20, 2023. This Court has already granted two extensions of time and has not denied any requested extensions of time.

(2) I have been unable to prepare this brief within the current time limits, as I am unable to adequately research the issues in this case and prepare the appellant's brief without additional time. During the past 35 days, I have filed a brief in *Abdullah v. State of Idaho*, CV01-22-9520, completed the SAPD's CEC and equitable resource appropriations, managed appropriations for potential capital cases in FY2025, completed required Luma training, and supervised SAPD attorneys and support staff.

(3) I have reviewed the transcripts and record in the instant case and am in the process of completing the brief.

(4) I request an extension of 21 days, which would make the appellant's brief due on July 11, 2023. I will make all efforts to file the brief by that date.
