

## Declare Label Product Guide

Declare is a commitment to materials transparency. It is a nutrition label for architectural and consumer products. More importantly, it is valuable to our clients pursuing Living Building Challenge (LBC), LEED v4.1, and other green building standards.

**Declare.**

**Product Name**  
**Manufacturer**

**Final Assembly:** First City, State, Country;  
Second City, State, Country; Third City, State, Country  
**Life Expectancy:** 50 Years  
**Embodied Carbon:** # kg CO<sub>2</sub>-eq  
**Declared Unit:** # m<sup>2</sup>  
**End of Life Options:** Recyclable (95%), Landfill (5%),  
Take Back Program (Program Name/Location)

**Ingredients:**

**Your First Component:** Sustainably Sourced Ingredient;  
**LBC Red List Ingredient:** Your Second Component;  
**LBC Watch List Priority for Inclusion:** Non-Toxic Ingredient;  
Undisclosed (<0.1%)<sup>2</sup>

<sup>1</sup>LBC Temp Exception RL-009 Formaldehyde  
<sup>2</sup>LBC Temp Exception RL-004var.a Proprietary Ingredients

**Living Building Challenge Criteria:** Compliant

**I-13 Red List:**  
☐ LBC Red List Free      % Disclosed: 99.9% at 100ppm  
☒ LBC Red List Approved      **VOC Content:** # g/L  
☐ Declared

**I-10 Interior Performance:** CDPH Standard Method v1.2-2017  
**I-14 Responsible Sourcing:** Product Available with FSC Chain of Custody

**PRODUCT INFORMATION**  
*This section includes final assembly location, life expectancy and end of life options.*

**PRODUCT INGREDIENTS**  
*What is in this product?*

**RED LIST COMPLIANCE**  
*Are there Red List Ingredients in this product?*

**VOC INFO**  
*Does this product off-gas?*

**LBC Red List Free:** The highest level possible shows that a product's ingredients are 100% disclosed and contain zero "Red List" ingredients, without exception.

**LBC Red List Approved:** Products with at least 99% of their ingredients disclosed, but may contain 'Red List' ingredients that fall under an existing, published LBC Exception. Temporary Exceptions may be granted for small portions of electrical or mechanical components and proprietary ingredients.

**Declared:** This label discloses 100% of ingredients, and highlights 'Red List' ingredients not covered by an exception.

## Declare Label Product Guide

### LA2 Essentials

The LA2 Essentials feature twelve dynamic lighting solutions handmade in the USA. The versatile line combines innovative fabrication techniques, the latest LED technology with modern design aesthetics, resulting in a collection that is suitable for various applications.

## Declare Label Product Guide

### Ocean Coil Collection

The Ocean Coil Collection combines 3D fabrication with reclaimed ocean plastic. Available in three shapes and sizes and colorways made from ocean-bound and nearshore waste. The stock material's colors come directly from the original material it is upcycled from, such as single use plastic water bottles and plastic bags, to fishing nets, trawls and rope.

## Declare Label Product Guide

### Acoustic Collection

Accomplish acoustic and lighting goals in one versatile package with the Acoustic Collection. LightArt's research and development created a product line that puts an acoustic solution closer to the source of noise for optimal sound absorption. Perfect for educational facilities, office spaces, restaurants or lobbies and reception areas.

Made from 3form's Sola Felt material with 50% post-consumer recycled PET. Sola Felt is a LBC Red List Free certified material and can be applied to green-building initiative credits.
