Our European Heritage

Our co-founders were born and raised along European rivers. Their heritage and relationships forged over the past 21 years have enabled us to offer exclusive experiences reserved solely for AmaWaterways guests. Highlighting local traditions such as winemaking and Oktoberfest, as well as historic castles, these specially curated year-round opportunities immerse our guests in the authentic culture of the region.

Why River Cruise through Europe with AmaWaterways?

Unpack once and journey through the very heart of Europe where kings and queens were crowned and great cities were born. There are many reasons river cruising is the ideal way to travel – but there is only one AmaWaterways. Discover the AmaWaterways difference and why you should come aboard with the Heart of the River™.

Every Excursion Included

AmaWaterways believes every traveller should be able to personalise their experience. Choose from up to seven enriching guided excursions each day, all of which are included in your upfront cruise fare: city tours operated at three unique activity levels, accommodating even the gentlest of walkers. Active hikes to hilltop castles and exhilarating biking excursions. Food and wine tastings and culinary demonstrations such as pretzel baking and truffle hunting. Prefer to sleep in? We even offer tours for late risers.

Fewer Guests on Board

With some of the largest accommodations on the rivers, our award-winning ships offer the luxury of space and breathtaking views while welcoming an average of just 156 guests. With innovations such as staterooms with twin balconies (both a French balcony and outside balcony), sun-deck pools with swim-up bars and even connecting staterooms on select ships, you will have everything you need to relax and rejuvenate within your floating home away from home.

Sip and Savour – With Our Compliments

Our expert chefs prepare exquisite dishes at every meal, using only the highest quality, freshest locally sourced ingredients. Menus reflect the distinctive regions we sail through and are accompanied by unlimited wines, thoughtfully selected to enhance your dining experience during every lunch and dinner. Plenty of delicious alternatives are available for guests who require low-sodium, vegetarian, vegan or gluten-free options. We even have a complimentary Sip & Sail cocktail hour every night just before dinner.

Nurture Your Mind, Body and Soul

Passionate about living a life of wellness, our Co-Founder Kristin Karst introduced the industry's first complimentary Wellness Programme on board our ships in 2017. In addition to well-equipped fitness rooms, our European ships have a professional Wellness Host on board who leads a variety of daily classes such as champagne yoga, core strengthening, cardio and digestive walks. This way, you can always enhance your best self – even while being pampered during your holiday.

Your Journey is Our Passion

"Ama" means love – and we put love in everything we do, ensuring you have a remarkable experience from start to finish. Attentive and professional, our extraordinarily warm and genuine crew brings passion into their journey every day. From the Cruise Manager who drove to the airport to reunite a beloved teddy bear with his grateful young owner to the Hotel Receptionist who biked into town to retrieve a cherished purchase left behind, AmaWaterways' crew is the reason guests return to the rivers with us each year. They are more than just highly trained – they "sparkle".
