

Marks Lumber Board & Batten Siding

Board and Batten siding is a classic siding that can be found on old barns and houses throughout Montana and the entire U.S. It is a style that has stood the test of time and one that is now making a comeback as a siding for contemporary, farmhouse and mountain modern style homes. Marks Lumber's circle sawn Board and Batten siding is the perfect choice for those looking to replicate the look and feel of this classic siding option.

While commonly used for exterior siding, Board and Batten can also be used for paneling and wainscoting. Board and Batten comes in a variety of sizes, surfaces and grades. If you're unsure about what type of Board and Batten would work for your project, contact our qualified sales team today.

Make Your Siding Last With Lifetime

Lifetime Wood Treatment is a non-toxic product that can be used for virtually any outdoor project, including siding, trim, fencing, and decks. This one-and-done weathering treatment effortlessly creates a beautiful silver patina look, similar to that of old barnwood. Save time and money by letting Marks Lumber pre-dip your siding for you!
