GUM270B-XM4-BT

USD167.00

This PXA270-based COM is suitable for OEMs integrating gumstix technology into their medium or high volume product.

ONCE THIS PRODUCT IS BACKORDERED: The processor and memory components on the verdex pro product line are imminently approaching EOL.

We are only able to build verdex pro COM products when consolidated order volume exceeds 1,200 boards.

Please send an email to [sales@gumstix.com](mailto:sales@gumstix.com) if you would like to participate in any of the upcoming orders, or if you are interested in a possible drop-in replacement.
