## Jewelry Drawers and Inserts

Keep your jewelry organized and in meticulous condition with Rev-A-Shelf's Jewelry Drawers. Each system is easily installed with system holes and features soft-close under mount sliders along with drawer head mounting capability. Used in coordination with the velvet ring and acrylic accessories, customization has never been easier. These unique accessories are designed to give you the ability to store items like necklaces without tangling. The inserts make it easy to see all your items, and the adjustable dividers provide storage for jewelry in various sizes.

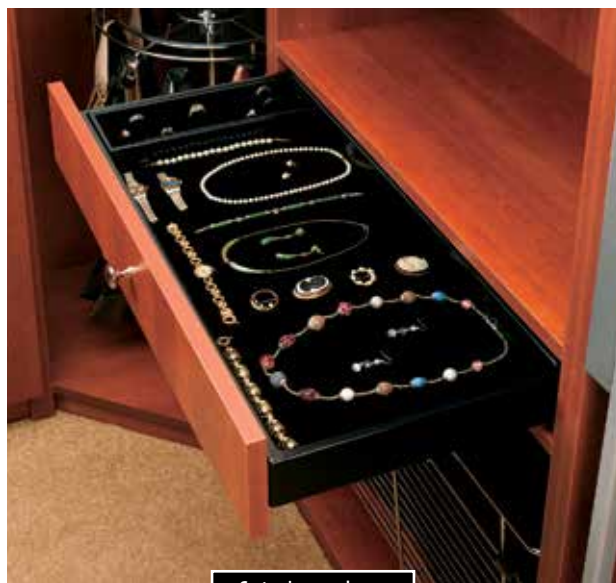

- Comes with soft close under mount slides
- Optional drawer head mounting capability
- Soft velvet bottom and sturdy wood construction
- Adjustable dividers and clear acrylic organizers provide unique storage for jewelry of various types and sizes

## Aluminum Slatwall 3/4" Thick Shelf Support Bracket

Shown:  
Clear Anodized

The Hangman Slatwall 3/4" Shelf Bracket is an aluminum extrusion that is designed to accept any 3/4" wood or melamine panel. Insert the panel and set with a screw from the underside. Available in clear anodized, or powder coated black. Custom sizes available. A great way to improve your garage or slatwall systems.

**EASY AS:**  
1 - PICK SHELF LENGTH  
2 - INSERT SHELF INTO EXTRUSION  
3 - HANG ON SLATWALL

- **Material:** Aluminum
- Works with 3/4" shelf
- Holds up to 12" deep shelf
- **Load Rating:**  
20 lbs. per linear ft.
