## **Guest Use Fees**

All Members, Sub-Members, Qualified Renters, and their Immediate Family Members have access to Club Facilities included within the Membership. Guest use fees for those not described above are **\$5 per day per person** (children age four (4) & younger exempted).

Guest fees are required for the following areas:

- Use of courts
- Use of fitness areas and locker rooms
- Use of the pools and pool areas

All other areas of the Club are considered to be accessible by accompanied guests without charge. Any guests younger than 18 must be accompanied by an adult. All guest using the pool area must be accompanied by the host Member.

All guests are asked to register in advance of their visit by contacting [membership@cabochonclub.com](mailto:membership@cabochonclub.com) or visiting [www.bluestarguestwaiver.com](http://www.bluestarguestwaiver.com).

Members, Sub-Members and Qualified Renters are limited to no more than four (4) guests at any one time without an advanced reservation through the Member Services team; larger guest groups may be subject to rental fees applicable to group functions.

## **Goals**

1. Create a clear and equitable Guest Fee program that accommodates the diverse needs of the Membership.
2. Encourage guests use of the Club in the initial stages when Membership is smaller, yet still accommodate the growth of the Club over time.
3. Always allow some level of guest access as the Club grows, even if it is limited to certain times of the day or days of the week.

## **Parameters for Use**

- All guest fees will be charged directly to the hosting account, if not paid at time of registration.
- The hosting Member, Sub-Member or Qualified Renter is responsible for all behavior of its guests, including carrying financial responsibility for any damage caused.
- All guests intending to use fitness, pools, or courts must check in with Member Services with their hosting Member, Sub-Member or Qualified Renter; guests for all other areas within the Club may simply accompany the Member, Sub-Member or Qualified Renter as there is no guest fee for use of other areas.
- Members, Sub-Members and Qualified Renters are requested to accompany their guests during check-in. If unable to accompany guests, then notification of guest arrival is required. After check-in, guests are welcome to enjoy different spaces within

the Club without the presence of the hosting Member, Sub-Member or Qualified Renter.

- Unaccompanied daily guests will not be permitted.
- No guest may use the Club more than twenty-four (24) times in a calendar year (an average of more than twice per month); the Club may make exceptions at its discretion in certain circumstances.
- Fees may increase over time at the discretion of the Club.

## **Registering Guests**

The process for bringing guests to the Club is simple. Guests may be registered in advance of arrival by emailing [membership@cabochonclub.com](mailto:membership@cabochonclub.com) or by visiting [www.bluestarguestwaiver.com](http://www.bluestarguestwaiver.com).

Members, Sub-Members, Qualified Renters, and their guests will register so we know who they are, how long they'll be joining us, and who to contact in the case of an emergency. They will be issued a pass by the Club from the hosting Member. The guest will keep the guest pass to present to Club personnel at fitness, pool and court areas. The guest will be set to enjoy the Club. It's that simple.

## **Additional Information**

Guest use fees and policies are subject to change at times. The Club considers its first responsibility to be to the experience of its Members, Sub-Members and Qualified Renters and will make judgments with this responsibility as its primary guidepost.

Questions regarding the guest policies may be directed to [membership@cabochonclub.com](mailto:membership@cabochonclub.com).
