

REQUEST FOR MEMBERSHIP TRANSFER

The Member Transfer Program was created as a way to ease the transfer of a club membership from one homeowner to another. By signing this transfer request, you are agreeing to the following:

I understand that my membership is not tied to the sale of my home. I wish to transfer my membership at this time to allow the new homeowner to assume my membership at 15% of the current initiation fee. I know I must be in good standing with the Club in order to take advantage of this program. I understand that I must continue to pay any dues or fees owed to the Club until the closing date on my home.

I intend to sell my home located at _____ (address).

I would like to transfer my Membership to _____ (new homeowner)
as of _____ date.
