

## Summer Camp Instructor Position Description 2021

### Position Overview

Museum of the Rockies Summer Camp Instructors lead outdoor science, engineering, and history themed day camps at the Museum of the Rockies for youth in first through eighth grades. Each camp is team-taught with a co-instructor. Summer Camp Instructors will begin with a week of training and planning on June 14-18, 2021, with summer camps running from June 21 – August 13, 2021. Instructors will be required to work Monday – Friday (8am – 4pm) 40 hours per week, for a total of 9 weeks. Compensation is \$12.00-12.50/hour according to Montana State University guidelines. Application review will begin in early March and will continue until all positions are filled.

### Camp Schedule

A full camp schedule for this summer can be found at: <https://www.museumoftherockies.org/youth-families/summer-camps/>

### Position Responsibilities

- Develop and implement creative and engaging curriculum for MOR camp topics
- Demonstrate a desire, commitment, and ability to work with children
- Maintain a positive and enthusiastic attitude with staff, parents, and campers
- Ensure that activities are effectively and safely implemented following risk management protocol, including COVID-19 precautions
- Demonstrate professionalism by timely submission of lesson plans and effective communication
- Demonstrate effective problem-solving skills, patience, and flexibility
- Oversee behavioral plans and manage discipline issues, creating and coordinating safe and enjoyable activities for all campers
- Other responsibilities as requested

### Preferred Qualifications

- Degree in Elementary or Secondary Education
- Previous experience teaching or working with preschool, elementary, and/or middle school students
- Previous experience working in a summer camp, afterschool, or other informal education position
- Previous experience doing arts and crafts or other hands-on projects with children
- Creative, enthusiastic, and responsible team player
- Strong communication skills
- First Aid and CPR certification
