

Explore Yellowstone Martin Children's Discovery Center Exhibit Host

Position Overview

The Exhibit Host for the *Explore Yellowstone* Martin Children's Discovery Center is responsible for facilitating a safe, fun, and educational experience for visitors. Exhibit Hosts will oversee use of the center (including safety and sanitation) during open hours.

Position Responsibilities

- Provide a safe, clean, and well-maintained space for children up to 8 years old following the museum's COVID-19 safety guidelines including:
 - o Monitoring guests for symptoms during the check-in process
 - o Enforcing the museum's mask policy
- Clean, organize, sanitize, and disinfect props, toys, and exhibit components
 - o Sanitize all toys and interactives after each visitation time using traditional washing, disinfectant sprays, and misting
- Provide positive and enthusiastic customer service to all visitors
- Monitor visitor behavior ensuring safety at all times and enforcing risk management protocol
- Support guests in case of an emergency or injury
- Other responsibilities as requested

Required Qualifications

- Individuals must be 18 years of age or older (or ages 16-17 with a teacher or employer written recommendation)
- Must be able to carry out volunteer assignments independently
- Be committed to work/volunteer on a consistent basis
- Be friendly, courteous and responsible

Preferred Qualifications

- Experience working with children (i.e., babysitting, volunteer work, swim instructor, etc)
- First Aid and CPR certification

The Successful Candidate will:

- Demonstrate effective problem-solving skills, patience, and flexibility
- Demonstrate a desire, commitment, and ability to work with children

Availability

Weekend and weekday shifts required.
