Notice of any such assignment or transfer shall be furnished promptly to the State.

F. Cancellation:

Termination for Cause:

The State of Louisiana may terminate this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580 for cause based upon the failure of Contractor to comply with the terms and/or conditions of this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580 provided that the State shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580 shall terminate on the date specified in such notice. Termination for Cause will not relieve the State or an agency within the State from obligation to pay for products shipped or services performed prior to the termination if the products and/or services were ordered by the State.

The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the State to comply with the terms and conditions of this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580, provided that the Contractor shall give the State written notice specifying the State's failure and a reasonable opportunity for the State to cure the defect.

Termination for Convenience:

The State of Louisiana may terminate this Participating Addendum and State Contract Number 4400021580, for convenience at any time (1) by giving thirty (30) days written notice to the contractor of such termination; or (2) by negotiating with the Contractor an effective date.

In regard to an individual Order placed under this Participating Addendum and State Contract Number 4400021580, the State or the agency may terminate the Order for convenience by giving thirty (30) days written notice to the Contractor of such termination. Termination for Convenience may be subject to extended notification time periods up to ninety (90) days and early termination fees (or buyout provision) as outlined in the Statement of Work (SOW).

Termination for Non-Appropriation of Funds:

The continuation of this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580 is contingent upon the continuation of an appropriation of funds by the legislature to fulfill the requirements of this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580. If the legislature fails to appropriate sufficient monies to provide for the continuation of this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriations for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of this Participating Addendum, State Contract

Number 4400021580, or any order issued pursuant to State Contract Number 4400021580; this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580 shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated. Termination will not relieve the State or an agency within the State from obligation to pay for products shipped or services performed prior to the non-appropriation of funds if the products and/or services were ordered by the State.

The Contractor should be aware that our legislative process is such that it is often impossible to give prior notice of the non-appropriation of funds.

G. Default of Contractor:

Failure to provide goods and/or services within the time frame(s) specified and according to the other terms and conditions specified in this Participating Addendum and State Contract Number 4400021580 constitutes a default by the Contractor and may cause cancellation of this Participating Addendum, State Contract Number 4400021580, or any order issued pursuant to State Contract Number 4400021580. Where the State has determined the Contractor to be in default the State reserves the right to purchase any or all products or services covered by any order issued pursuant to State Contract Number 4400021580 on the open market and to charge the Contractor with cost in excess of the contract price. Until such assessed charges have been paid, no subsequent bid from the defaulting Contractor will be considered. Termination for Default will not relieve the State or an agency within the State from obligation to pay for products shipped or services performed prior to the termination if the products and/or services were ordered by the State.

ATTACHMENT A – Electronic Vendor Payment Solutions

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at: DOA-OSRAP-EFT@la.gov

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
