In the event of any conflicts between the specifications, terms and conditions indicated by the Commonwealth and those indicated by the contractor, those of the Commonwealth take precedence. The contract supersedes all bids or other prior agreements, oral or written, and all other communications between the parties relating to this subject.

4.3 Post Contract Agreements:

The resulting contract shall constitute the entire agreement between the State and the contractor. Unless contractually provided, State agencies utilizing this contract will not be required to enter into nor sign further agreements, leases, company orders or other documents to complete or initiate the terms of a contract. Any such documents so obtained will be non-binding on the State and agents of the State and will be cause for breach of contract.

4.4 Quantity Basis of Contract – Estimated Quantities:

Quotations of unit prices on this contract shall be exclusive of freight charges. The vendor shall be fully responsible for all shipments until delivery and freight charges involved to the ordering agency.

4.8 Cancellation Clause – 30 Days Notice:

The Commonwealth may cancel the contract established by giving written notice thirty (30) days prior to effective cancellation date. In the event such action is taken, the contract shall be null and void upon receipt of a Modification from the Office of Procurement Services canceling the contract.

All services performed under this contract, if applicable, shall be in accordance with the terms and provisions of the contract. It will be the agency's responsibility to ensure that such services rendered are performed and are acceptable.

It is further agreed between the parties, that any valid modification of contractual agreement must be formalized by issuance of a Contract Modification from the Office of Procurement Services.
