7. Termination:

A. Grounds. The Procuring Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Procuring Agency's uncured, material breach of this Agreement.

If it is later determined that Contractor's representations and warranties in paragraphs A and B of this Clause were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the Procuring Agency and notwithstanding anything in the Agreement to the contrary, the Procuring Agency may immediately terminate the Agreement.

If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

The Procuring Agency shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Procuring Agency to recover excessive or illegal payments.

18. Invalid Term or Condition:

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

19. Enforcement of Agreement:

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. Any limitations, modifications, or additions specified herein apply only to the agreement and relationship between Participating Entity and Contractor and shall not amend or affect other participating addendums or the Master Agreement itself.

27. Lease Agreements: "Reserved"

28. Subcontractors: All contractors, dealers, and resellers authorized to provide sales and service support in Participating Entity's state, as shown on Contractor's NASPO ValuePoint-specific webpage, may provide sales and service support to users of this Participating Addendum. Participation of Contractor's contractors, dealers, and resellers will be in accordance with the terms and conditions set forth in the Master Agreement.

29. Orders: Any order placed by Participating Entity or a Purchasing Entity for a product or service offered through this Participating Addendum shall be deemed to be a sale under, and subject to the pricing and other terms and conditions of, the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to the order.

30. Intellectual Property. Notwithstanding anything to the contrary (including in the Master Agreement), the following provisions shall govern all rights, title, and interest in and to deliverables, including Contractor's software and services, (collectively, the "**Contractor Software**") provided by Contractor pursuant to this Participating Addendum and the Master Agreement:

- A. Non-Exclusive Rights in the Contractor Software. Contractor, under its intellectual property rights, hereby grants to Procuring Agency during the term of an active work order through this Participating Addendum, a limited, non-exclusive, non-transferrable, and non-sublicensable subscription license to access and use the Contractor Software solely for Procuring Agency's internal purposes; provided that: (i) Procuring Agency's access shall be limited to cloud-based access to an instance of the Contractor Software that resides in object code form on servers controlled by Contractor and that Contractor makes available to Procuring Agency; (ii) the access shall be via a browser approved by Contractor; and (iii) the Contractor Software shall in all respects be the current version generally made available by Contractor to all end users.
- B. Restrictions. Participating Entity agrees that it shall not: (i) sell, rent, lease, sublicense, transfer, modify, create derivative works of, or redistribute the Contractor Software; (ii) except as expressly permitted pursuant to Section 30(A) (Non-Exclusive Right in the Contractor Software), otherwise use or exploit the Contractor Software; (iii) alter or remove any copyright, patent, trademark, or other protective notices included with the Contractor Software; (iv) reverse engineer, decompile, or disassemble the Contractor Software or otherwise attempt to derive any related source code; or (v) allow any party other than Authorized Users to access or otherwise use the Contractor Software (with or without Access Credentials). The term "**Authorized User**"

means any of Participating Entity's employees, and representatives, to whom Access Credentials have been provided.

- C. Access Credentials. The term "**Access Credentials**" means any user name, password, security key, or other credential used to verify an individual's identity and authorization to access and use the Contractor Software, including, by way of limited example, single sign-on (SSO) data and certificates. Contractor relies on Access Credentials to verify Authorized Users' identity in order to provide them with access to the Contractor Software. Accordingly, Participating Entity agrees, and shall cause each Authorized User to agree, that: (i) Access Credentials shall not be shared with any party other than the specific individual Authorized User for whom such credentials were issued; (ii) immediately notify Contractor and the Participating Entity if the security, confidentiality, or integrity of Authorized Users' Access Credentials have been compromised; and (iii) Participating Entity and each Authorized User are: (a) solely responsible for maintaining the confidentiality of the Access Credentials, and (b) as between Contractor and Participating Entity, Participating Entity is solely liable for any and all use of the Contractor Software that occurs as a result of access to it via the Access Credentials of Authorized Users. Contractor shall be responsible for distributing Access Credentials to Authorized Users.
- D. Third Party Materials. The Contractor Software may incorporate, embed, or be bundled with software or components that are owned by third parties, including software or components that are subject to terms and conditions of third party licenses (collectively, the "**Third Party Materials**"). Participating Entity's use of Third Party Materials, if any, is governed by the terms and conditions contained in the applicable third party's license Participating Addendum or other applicable Participating Addendum, a copy of which shall be provided to the Participating Entity by Contractor on an ongoing basis at any time Contractor knows or has reason to know that Third Party Materials are incorporated, embedded, or bundled with Contractor Software.
- E. Monitoring; Analytics. Participating Entity agrees that Contractor may monitor and audit Participating Entity's use of the Contractor Software to confirm Participating Entity's compliance with this Participating Addendum and for Contractor's other business purposes, including analyzing and improving the Contractor Software. Contractor shall be entitled to collect, generate from any dataset or source (including Participating Entity data), compile, analyze, and otherwise use (a) statistical data related to Participating Entity's use of the Contractor Software, and (b) other data that qualifies as De-Identified Data (collectively, the "**Contractor Analytics**") for any and all purposes and for as long as Contractor sees fit. By way of clarification, and not limitation, Participating Entity agrees that (i) Participating Entity has no expectation of review, compensation, or other consideration for Contractor's use and exploitation of Contractor Analytics, and (ii) Contractor is free to use and exploit the Contractor Analytics in Contractor's sole discretion and without compensation or other obligation to Participating Entity. As between Contractor and Participating Entity, Contractor shall own all right, title, and interest in and to the Contractor Analytics. For purposes of this Section 30(E) (Monitoring; Analytics), the term "**De-Identified Data**" means information that meets each of the following criteria: the information: (X) does not identify a particular natural person or Participating Entity; (Y) does not identify, by network Internet Protocol address, raw hardware serial number, or raw MAC address, a particular device or computer associated with or used by a person or Participating Entity; and (Z) is not reasonably linkable to a particular natural person or

Participating Entity due to technical, legal, or other controls. Notwithstanding anything to the contrary, Contractor acknowledges and agrees that: (1) nothing in this Section 30(E) (Monitoring; Analytics) constitutes the transfer of ownership of the Participating Entity data to Contractor; and (2) as between the Parties, Participating Entity owns all right, title, and interest in and to the Participating Entity data.

- F. **Ownership.** Other than those rights expressly granted to Participating Entity under this Participating Addendum, Contractor, its subcontractors, its service providers, and its licensors (as the case may be), retain all right, title, and interest in and to: (i) the Contractor Software and its components, including all intellectual property rights embodied therein; (ii) Contractor Confidential Information; and (iii) any modifications, enhancements, updates, and other improvements thereto. Participating Entity shall not acquire any rights in the Contractor Software or other Contractor Confidential Information by implication, course of conduct, or other means, apart from the express grant of rights provided in this Participating Addendum (or, by way of clarification, the Master Agreement). The Contractor Software is licensed or made available under a subscription license to Participating Entity, and not sold.
- G. **No Implied Rights.** Nothing in this Participating Addendum shall be construed as granting Participating Entity any rights other than those expressly provided herein. Any rights granted to Participating Entity under this Participating Addendum must be expressly provided herein, and there shall be no implied rights pursuant to this Participating Addendum, based on any course of conduct or other construction or interpretation thereof. All rights and licenses not expressly granted to Participating Entity herein are expressly reserved by Contractor.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a \$1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: GSD.SPDinfo@state.nm.us

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a \$1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to GSD.SPDinfo@state.nm.us and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:

<https://support.docusign.com/guides/signer-guide-signing-system-requirements>

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to “I agree to use electronic records and signatures,” before you click “CONTINUE” within the DocuSign system.

By selecting the check-box next to “I agree to use electronic records and signatures,” you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.
