5. PARTICIPATING ENTITY MODIFICATIONS OR ADDITIONS TO THE MASTER AGREEMENT

- ☐ This Participating Addendum incorporates all terms and conditions of the Master Agreement as applied to the Participating Entity and Contractor.
- ☒ This Participating Addendum incorporates all terms and conditions of the Master Agreement as applied to the Participating Entity and Contractor, **subject to the following limitations, modifications, and additions:**

MAILING EQUIPMENT, SUPPLIES AND MAINTENANCE

Led by the **State of Arizona**

These modifications or additions apply only to actions and relationships within the Participating Entity. The following changes are modifying or supplementing the Master Agreement terms and conditions:

- A. **Administrative Fee:** Procurement Services (PS) issues and maintains State term contracts for the benefit of all South Carolina state and local public entities. State term contracts allow all public entities to maximize their purchasing power by aggregating their requirements and to benefit from increased efficiencies in the acquisition process. In order to maintain and enhance the quality and quantity of its State term contracts, each participating public procurement unit will be assessed an administrative fee. Accordingly, a public procurement unit (as defined in S.C. Code Ann. § 11-35-4610(5)), by participating in this contract, owes (PS) an administrative services fee ("fee"). Participating public procurement units shall pay the fee to contractor as a part of the contract price. Contractor is responsible both for collecting the fee at the time of billing and for remitting the fee to PS. The fee to be collected by the contractor constitutes a debt by the contractor to PS.

Contractor shall factor the fee into its contract pricing and shall not separately itemize or invoice for the fee.

For each reporting period, Contractor shall pay to PS a fee equal to one (1%) percent of the total dollar amount (excluding sales taxes and adjusted for credits or refunds) of catalog purchases made by any public procurement unit from Contractor pursuant to this contract. The Contractor's NASPOValuePoint pricing to the Participating Entity may be adjusted to offset for the equivalent fee amount. The Administrative Fee shall be included as an adjustment to Contractor's Master Agreement pricing.

(a) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. -- Mar., Apr. -- Jun., Jul. -- Sep., and Oct. -- Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division
Attn: Reports Manager
1201 Main Street, Suite 600
Columbia, SC 29201
Phone: (803) 737-0600 (ask to speak to the Reports Manager)

(b) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The usage report shall include any information requested by

MAILING EQUIPMENT, SUPPLIES AND MAINTENANCE

Led by the **State of Arizona**

PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(c) PS or its authorized representatives shall be afforded access to contractor's records (including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract, consistent with paragraph 24 of the Master Agreement. PS agrees not to disclose any material discovered or produced during the audit that the contractor reasonably designates as proprietary or confidential. If the audit indicates that contractor has materially underpaid PS, then contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (d)) and reimburse PS for all costs of the audit.

(d) Payments of the fee which are due and unpaid by the contractor (including amounts disclosed by audit) shall bear simple interest from the date due until paid unless paid within 30 calendar days of becoming due. The interest rate shall be the highest prime rate (as published in The Wall Street Journal) plus 2% per annum (unless a higher rate is provided by law, but in no event be greater than the maximum interest rate permitted by law), shall be variable, and shall be adjusted effective at the close of business on the day of any change in the prime rate. In addition to the fee and interest, contractor agrees to pay to PS its reasonable expenses of collection, including costs and attorneys' fees (and fees for inside counsel), whether or not PS commences legal action.

(e) If the contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

- (1) order the contractor to not accept any further orders under the contract until the cause for such order has been eliminated;
- (2) terminate this contract;
- (3) order the contractor to not accept any further orders under any other statewide term contract;
- (4) terminate the contractor's award of any other statewide term contract.

(f) For purposes of this clause, PS is intended as a third-party beneficiary of this contract. Reports MUST reference the SC Participating number 4400030359 to assure accurate accounting of purchases under this contract and reported administrative fees. Each

- B. Assignment, Novation, And Change of Name, Identity, or Structure (Modified): (a) Contractor shall not assign this contract, or its rights, obligations, or any other interest arising from this contract, or delegate any of its performance obligations, without the express written consent of the responsible procurement officer, which consent shall not be unreasonably withheld, conditioned or delayed. The foregoing restriction does not apply to a transfer that occurs by operation of law (e.g., bankruptcy; corporate reorganizations and consolidations, but not including partial asset sales). Notwithstanding the foregoing, contractor may assign monies receivable under the contract provided that the state shall have no obligation to make payment to an assignee until thirty days after contractor (not the assignee) has provided the responsible procurement officer with (i) proof of the assignment, (ii) the identity (by contract number) of the specific state contract to which the assignment applies, and (iii) the name of the assignee and the exact address or account information to which assigned payments should be made. (b) If contractor amends, modifies, or otherwise changes its name, its identity (including its trade name), or its corporate, partnership or other structure, or its FEIN, contractor shall provide the procurement officer prompt written notice of such change. (c) Any name change, transfer, assignment, or novation is subject to the conditions and approval required by Regulation 19-445.2180, which does not restrict transfers by operation of law.
- C. Authority as Procurement Agent: The Procurement Officer is an employee of the Board of the State Fiscal Accountability Authority, acting on behalf of the Using Governmental Unit(s) pursuant to the Consolidated Procurement Code. Any contracts awarded as a result of this procurement are between the Contractor and the Using Governmental Units(s). The Board is not a party to such contracts, unless and to the extent that the Board is a using governmental unit, and bears no liability for any party's losses arising out of or relating in any way to the contract.
- D. Bankruptcy - General: (a) Notice. In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish written notification of the bankruptcy to the Using Governmental Unit. This notification shall be furnished within two (2) days of the initiation of the proceedings relating to the bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of all State contracts against which final payment has not been made. This obligation remains in effect until final payment under this Contract. (b) Termination. This contract is voidable and subject to immediate termination by the State upon the contractor's insolvency, including the filing of proceedings in bankruptcy.
- E. Bankruptcy - Government Information: (a) All government information (as defined in the clause herein entitled "Information Security - Definitions") shall belong exclusively to the State, and Contractor has no legal or equitable interest in, or claim to, such information.

MAILING EQUIPMENT, SUPPLIES AND MAINTENANCE

(b) Contractor agrees to notify the State within forty- eight (48) hours of any determination that it makes to file for bankruptcy protection, and Contractor further agrees to turn over to the State, before such filing, all government information that is in Contractor's possession in a format that can be readily utilized by the State. (c) In order to protect the integrity and availability of government information, Contractor shall take reasonable measures to evaluate and monitor the financial circumstances of any subcontractor that will process, store, transmit or access government information.

- F. Choice of Law: The contract, any dispute, claim, or controversy relating to the contract, and all the rights and obligations of the parties shall, in all respects, be interpreted, construed, enforced and governed by and under the laws of the State of South Carolina.

(2) Service of Process. Contractor consents that any papers, notices, or process necessary or proper for the initiation or continuation of any disputes, claims, or controversies relating to the contract; for any court action in connection therewith; or for the entry of judgment on any award made, may be served on Contractor by certified mail (return receipt requested) addressed to Contractor at the address provided in the contract or by personal service or by any other manner that is permitted by law, in or outside South Carolina. Notice by certified mail is deemed duly given upon deposit in the United States mail.
- H. CISG: The parties expressly agree that the UN Convention on the International Sale of Goods shall not apply to this agreement. [07-7B030-1]
- I. Code of Conduct: When the Contractor is working under provisions of this contract at facilities controlled by State agencies or other UGUs, Contractor agrees to follow and enforce the Code of Conduct Policy of these entities.
- J. Compliance with Laws: During the term of the contract, contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs.
- K. Default (Modified): (a) (1) The State may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to: (i) Deliver the supplies or to perform the services within the time specified in this contract or any extension; (ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause); or (iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause). (2) The State's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of

MAILING EQUIPMENT, SUPPLIES AND MAINTENANCE

Led by the **State of Arizona**

this clause, may be exercised if the Contractor does not cure such failure within thirty (30) days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement Officer specifying the failure.

(b) If the State terminates this contract in whole or in part, due to Contractor's failure to cure a failure as set forth in Section (a) above, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those provided under the Order that was terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include, but are not limited to (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) The State shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the Contractor's rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the Procurement Officer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.

(f) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the termination had been issued for the convenience of the State. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the State, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor's rights under the Disputes clause.

- Q. Indemnification - Third Party Claims – Disclosure of Information: (a) Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter "action") of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled Information Security - Definitions) caused in whole or in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such action is brought by a third party or an Indemnitee, but only if the act or omission constituted a failure to perform some obligation imposed by the contract or the law. (b) Indemnitee must notify contractor in writing within a reasonable period of time after Indemnitee first receives written notice of any action. Indemnitee's failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractor's ability to defend such action. or consent (i) includes an unconditional release of Indemnitee from all liability related to such commenced or threatened action, and (ii) is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnitee or otherwise adversely affect an Indemnitee. Indemnitee's consent is necessary for any settlement that requires Indemnitee to part with any right or make any payment or subjects Indemnitee to any injunction. (c) Notwithstanding any other provision, contractor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. (d) "Indemnitee" means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

- R. Indemnification- Intellectual Property (Modified): (a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the State, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. State shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. State shall allow Contractor to settle such claim so long as

(i) all settlement payments are made by Contractor, and

(ii) the settlement imposes no non-monetary obligation upon State. State shall reasonably cooperate with Contractor's defense of such claim.

(b) In the event an injunction or order shall be obtained against State's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either:

(1) procure for State the right to continue to use, or have used, the acquired item, or

(2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by State.

If neither (1) nor (2), above, is practical, State may require that Contractor remove the acquired item from State, refund to State any charges paid by State therefor, and take all steps necessary to have State released from any further liability.

(c) Contractors obligations under this paragraph do not apply to a claim to the extent

MAILING EQUIPMENT, SUPPLIES AND MAINTENANCE

Led by the **State of Arizona**

(i) that the claim is caused by Contractor's compliance with specifications furnished by the State unless Contractor knew its compliance with the State's specifications would infringe an IP right, or

(ii) that the claim is caused by Contractor's compliance with specifications furnished by the State if the State knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor, or

(iii) the State or the Purchasing Entity used a product or software in a way that was not authorized by Contractor.

(d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work. (e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.

S. Indemnification- Third Party Claims – General (Modified): Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) asserted by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnatee, and whether or not such claims are made by a third party or an Indemnatee; however, if an Indemnatee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, or to have contributed to the claim by a third party, the Indemnatee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement to the extend the event giving rise to the claim occurred prior to the expiration or termination of this Participating Addendum. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

If a general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit. This contract shall be considered to be an "insured contract" as defined in the policy.

(2) Auto Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

(3) Worker's Compensation: As required by the State of South Carolina, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

(c) Every applicable Using Governmental Unit, and the officers, officials, employees and volunteers of any of them, must be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used.

(d) For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance as respects the State, every applicable Using Governmental Unit, and the officers, officials, employees and volunteers of any of them. Any insurance or self-insurance maintained by the State, every applicable Using Governmental Unit, or the officers, officials, employees and volunteers of any of them, shall be excess of the Contractor's insurance and shall not contribute with it.

(e) Prior to commencement of the work, the Contractor shall furnish the State with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this section. All certificates are to be received and approved by the State before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. In the event of a loss or damage giving rise to a claim, the State reserves the right to require complete, certified copies of any applicable insurance policies required hereunder, including endorsements required by this section.

(f) Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions. In addition, the Contractor shall notify the State immediately upon receiving any information that any of the coverages required by this section are or will be materially changed, cancelled, or replaced.

(g) Contractor hereby grants to the State and every applicable Using Governmental Unit a waiver of any right to subrogation which any insurer of said Contractor may acquire against the State or applicable Using Governmental Unit by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the State or Using Governmental Unit has received a waiver of subrogation endorsement from the insurer.

(h) Contractor shall be responsible for paying any deductibles or self-insured retention amounts for any of the insurance required hereunder.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the State's right to require the termination of a subcontract, or (ii) increase the obligation of the State beyond what it would have been if the subcontract had contained an appropriate clause.

MM. ON-DEMAND SUBSCRIPTION SERVICES AGREEMENT

For NASPO ValuePoint

(Last modified August, 2021)

Thanks for using our on-demand subscription services. These terms define the terms and conditions under which you're allowed to use the on-demand subscription services and how we'll treat your account while you're utilizing the on-demand subscription services. If you have any questions about our terms, feel free to [contact us](#).

We'll start with the basics, including a few definitions that should help you understand this agreement. This On-Demand Subscription Services Agreement (this "Agreement") is between you and Pitney Bowes Inc. ("we", "us", and "our"). This Agreement will only apply if the on-demand subscription services identified in your order form (the "Order") are not covered by one or more separate On-Demand Subscription Services Agreements. Your on-demand subscription services may also require one or more Statements of Work (each a "SOW").

The web sites through which you access the on-demand subscription services (each a "Site"; the on-demand subscription services and the Sites are collectively called the "Services") are owned and operated by us or our vendors. Additional product-specific terms applicable to certain of the Services ("Product Terms") can be found in Attachment 1, attached hereto.

1. Eligibility

In order to use the Services, you must provide true, complete and up to date contact information for so long as you access the Services. You won't use the Services in a way that violates any laws or regulations, including any relating to data protection and privacy. We may refuse service or close your account if you fail to comply with this Agreement.

2. Use of the Service

a) As long as you continue to comply with the terms of this Agreement, we grant you a non-exclusive, non-transferable license to access and use the Services for the number of months, and for up to the number of users, number of locations, transactions, or other volume metrics specified in the Order. If applicable, you may upgrade your plan for additional fees. We reserve all rights to the Services not expressly granted to you in this Agreement.

b) You agree that you will use the Services only for business or commercial purposes and not for personal, family or household purposes.

You won't use the Services for or make the Services available to any third party. In addition, you agree not to use the Services to send infringing, obscene, threatening or unlawful or tortious material or disrupt other users of the Services. Disruptions include but are not limited to denial of

service attempts, distribution of advertising or chain letters, propagation of computer worms and viruses, or use of the Services to make unauthorized entry to any other device accessible via the Services. For the Services and related software, you will not (i) make derivative works; (ii) sublicense, sell, rent, lease, lend, time-share, disclose, transfer or host the Services, documentation or any other confidential or proprietary information to or for any other parties; (iii) use the Services to modify or reproduce a third party's materials unless you have the legal right to do so; (iv) distribute any part of the Services over any network, including a local area network; or (v) extract any data from the Services and use such data for any purpose other than for your use of the Services.

c) If you are delivered software for on premise installation as part of the Service ("Software") the following additional terms apply: You won't (i) reverse engineer, decompile or disassemble the Software; (ii) make copies of the Software, other than a reasonable number of copies for use for disaster recovery purposes; and (iii) separate the components of the Software, or install and use such components separately and independently of the Software they comprise.

d) If you do not comply with this Section 2, you will be in material breach of this Agreement, and we will have the right to immediately terminate your use of the Services.

3. Term and Termination; Suspension

a) The term of this Agreement begins on the effective date of the Order and will remain in effect for each Service for the duration of the Order or SOW applicable to such Service. Each Order or SOW will be effective as of the date in such Order or SOW and will remain in effect until its expiration or until your account is closed. If this Agreement is terminated, any Order entered into beforehand will, unless terminated under another provision of this Agreement, remain in effect for its entire term and this Agreement will remain in effect until the Order terminates.

b) Unless the Product Terms state otherwise, you may terminate your account at any time and for any reason by giving thirty days' notice to us.

c) We may at any time without notice: i) refuse to accept or fulfill your Orders or any part of any Orders for the Sites and/or Services; or ii) move, suspend or terminate all or any part of the Sites and/or Services or terminate your account.

d) Once your use of a Service is terminated, (i) we may permanently delete your account and all the data associated with it, in accordance with our records management policies and as permitted by applicable law, (ii) you must immediately stop using the Service and Software, and remove any Software from the computers on which it was installed, (iii) each party will promptly return or destroy all confidential information of the other party; and (iv) your access to the Service will continue through the current billing period for access to the Service (the "Billing Period") for which you have paid in advance, unless you have failed to comply with this Agreement, in which case your access will be immediately revoked. You won't be entitled to a refund from us under any circumstances.

e) Termination of this Agreement will be in addition to and not in lieu of any other legal or equitable remedies available to us.

4. Changes

We may change the Services and any features from time to time, and if such changes are material, we will notify you by sending an email to the last email address you gave to us. If you do not wish to continue using the modified Services, you may terminate your use of the Service, effective the last day of the current Billing Period for which you have paid in advance. We may change any terms of

this Agreement and the fees charged for using the Services by posting revised terms and/or fees on the Sites and/or by sending an email to the last email address you gave to us; provided, however, that if the Order includes the lease of equipment, no change to the fees will be effective prior to the end of the term of the lease of such equipment. The new terms and new fees will be effective on the first day of the next Billing Period and will apply thereafter. By continuing to use the Services after any such changes, you agree to be bound by such changes. If you do not wish to agree to the new terms or the new fees, you must stop using that portion of the Services affected immediately.

5. Account and Password

By registering for the Services, you will be prompted to establish certain passwords and provide other access information to enable you to use the Services. You represent that you have all necessary authority to establish an account with us on behalf of the business. The account name, password and access information is confidential information and should be used solely by you to access your account and use the Services. You are responsible for keeping your account name, password and access information confidential. You will take all reasonable steps to prevent unauthorized access to your account and you will immediately notify us of any unauthorized use of your accounts or any other breach of security. We aren't responsible for any losses due to stolen or hacked passwords.

6. Account Disputes

We don't arbitrate disputes over who owns an account. You won't request access to or information about an account that's not yours. We decide who owns an account based on the information that has been provided to us with respect to the account, and if multiple people or entities are identified, then we will rely on the contact information listed for that account.

7. Fees; Payment Terms

a) You will pay the fees for the use of the Services which are posted on the Sites or described in an Order or SOW, and may be changed from time to time, unless specified as conditions of a subscription type. These fees do not include: (i) any applicable sales, use or other taxes, which will be separately identified on your invoice; (ii) usage-based fees for the Services, which will be separately identified on your invoice, and (iii) charges for any services not contemplated by this Agreement, such as special programming, which may be available upon request and are subject to our then-current rates. Except as provided in an Order or SOW, your subscription for the use of the Services will be billed in advance with the first payment due at the time of registration and with each subsequent payment due on the due date specified in the invoice for the payment.

b) We will automatically charge your payment source the cost of your subscription at the beginning of each Billing Period. Please note that we may receive updated billing information regarding your credit card account or other payment source and you consent to our receiving such updates.

8. Personal Information

If any of the Services collects or stores individually identifiable personal information, then we will comply with our privacy statement located at <http://www.pitneybowes.com/us/legal/privacy-statement.html> as it may be updated by us from time to time (the "Privacy Statement").

The Sites and this Agreement may contain links to third party websites, including links to the websites of carriers ("Linked Sites"). The Linked Sites are not under our control and we are not responsible for the contents of any Linked Site, including any link contained in a Linked Site, or any changes or updates to a Linked Site. You should contact the site administrator or webmaster for those Linked Sites if you have any concerns regarding such links or the content located there. If the Services perform an address validation function, license terms applicable to use of the USPS data related to such function are found at <http://www.pb.com/license-terms-of-use/usps-terms.shtml> and are incorporated in this Agreement by reference.

16. Compliance with Laws

Each party will comply with all applicable federal, state and local laws, rules and regulations, including export regulations and privacy laws. You will be solely responsible for the content of all data submitted to us in connection with our provision of the Services and will comply with all laws, rules and regulations relating to the use, disclosure and transmission of such data.

USPS Regulations.

If you use the Service to print postage or send parcels, letters, and flats ("Packages") with the USPS, you must comply with all USPS regulations applicable to the use of the Service. If you: (a) use your account in a fraudulent or unlawful manner; (b) do not use your account during a consecutive twelve month period; (c) fail to exercise sufficient control over your account to prevent fraudulent or unlawful use; (d) cause or allow the account to be utilized outside the United States without the prior written authorization of the Manager of Retail Systems and Equipment, U.S. Postal Service, Washington DC 20260; or (e) otherwise fail to abide by the provisions of postal regulations and these terms regarding care and use of your account, then your account may be cancelled. You acknowledge and agree that your account will be closed and your ability to use the Service terminated by us for any of the reasons described above or upon demand by the USPS. You agree that any use of the Service to fraudulently deprive the USPS of revenue can cause you to be subject to civil and criminal penalties applicable to fraud and/or false claims against the United States. The submission of a false, fictitious, or fraudulent statement can result in imprisonment for up to five (5) years and a fine of up to \$10,000 (18 U.S.C. 1001). In addition, a civil penalty of up to \$5,000 and an additional assessment of twice the amount falsely claimed may be imposed (31 U.S.C. 3802). The mailing of matter bearing a fraudulent imprint is an example of a violation of these statutes. The USPS has granted to us the license as a PC postage vendor to create a shared postage evidencing system that users will use to dispense postage. As a

user of such Service, you must understand and acknowledge that authorization to use the Service is granted by the USPS. You accept responsibility for control and use of the Service and agree to abide by all rules and regulations governing its use. The USPS may deny use of or revoke authorization to use a postage evidencing system in the event of (i) failure to comply with rules and regulations; (ii) submission of false or fictitious information; (iii) entering of a series of unpaid or short-paid mail pieces and/or packages in the mail stream; (iv) use of the system for any illegal scheme or enterprise; (v) use of the system outside the customs territory of the United States; or (vi) possession of a decertified system. You must make the postage evidencing system and transaction records available and surrender the system to us, the USPS, or its agent when notified to do so.

b) If we file an action against you claiming you breached this Agreement and we prevail, we will be entitled to recover reasonable attorneys' fees.

c) **ANY CLAIM OR CAUSE OF ACTION UNDER THIS AGREEMENT THAT YOU DON'T PRESENT WITHIN 1 YEAR FROM THE DISCOVERY OF THE CLAIM OR CAUSE OF ACTION WILL BE DEEMED WAIVED. ANY DISPUTE BETWEEN THE PARTIES WILL BE RESOLVED EXCLUSIVELY BY INDIVIDUAL BINDING ARBITRATION GOVERNED BY THE FEDERAL ARBITRATION ACT AND YOU AGREE TO GIVE UP THE RIGHT TO LITIGATE DISPUTES IN COURT.** Neither party will seek to have any dispute heard as a class action, private attorney general action, or in any other proceeding in which either party acts or proposes to act in a representative capacity. Any arbitration will be conducted by the American Arbitration Association (the "AAA") under its Commercial Arbitration Rules. In the case of: (i) any dispute involving \$75,000 or less, we will reimburse your filing fees and pay the AAA's and arbitrator's fees and expenses; and (ii) any dispute involving more than \$75,000, the AAA rules will govern payment of filing fees and the AAA's and arbitrator's fees and expenses.

d) This Section 19 will survive any termination of this Agreement or an Order indefinitely.

20. Force Majeure

Except for a party's payment obligations, neither party will be liable for any delays or failure in performance from any cause beyond their control. This includes acts of God, changes to law or regulations, embargoes, war, terrorist acts, riots, strikes, power disruptions, and any disruption of

internet service not caused by us.

21. Notices

Notices under this Agreement will be effective (i) in the case of a notice to you, when we send it to the last email or physical address you gave us or any address you may later provide; (ii) in the case of a notice to us alleging a breach of this Agreement, when delivered to us by email to legalnotices@pb.com or by overnight courier to Pitney Bowes Inc., 3001 Summer Street, Stamford, CT 06926 along with a copy to our legal counsel: Attn. 22. Independent Contractor

Nothing contained in this Agreement will be construed to constitute either party as a partner, joint venturer, co-owner, employee or agent of the other party, and neither party will hold itself out as such.

23. Miscellaneous

Neither party will be subject to pre-printed or standard terms contained on any purchase order or other purchasing document, and we specifically disclaim such terms. If there's a conflict between the Product Terms and any other provision of this Agreement, the Product Terms will govern and control. Each Party will cooperate with the other and take such other actions as may reasonably be requested from time to time in order to carry out the intent and accomplish the purposes of this Agreement, including our right to verify your compliance with this Agreement and any Orders at all locations which you access the Services. If we don't immediately take action on a violation of this Agreement, we're not giving up any rights under this Agreement, and we may still take action at a later point. Each party will also keep confidential the terms and conditions of the Agreement and the SOW(s).

This Agreement affects your rights and contains warranty disclaimer and binding arbitration provisions.

1. License

a) The Licensed Products and all related materials are proprietary to us and our licensors and suppliers. As long as you comply with the terms of this Agreement, we will grant a limited, non-exclusive, non-transferable, license to access and use the Licensed Products during the Term. The "Term" is: (i) perpetual in the case of a Purchase Agreement Order; or (ii) the term of the lease subject to a Lease Agreement Order. We are not selling the Licensed Products to you and, other than the license we are granting, we reserve all rights to the Licensed Products not expressly granted in this Agreement.

b) You are authorized to install and use the Licensed Products on a Computer, or hardware provided by us, in each case with User access as defined in the Documentation (defined in Section 2(d)) or applicable SOW. "Computer" means the server or server configuration or load balanced application servers, terminal or computer identified in an Order or SOW on which the Licensed Products are authorized to be installed and used. "User" means an individual authorized by you to use the Licensed Products under an Order or SOW regardless of whether the individual is actively using the Licensed Products at any given time.

2. Use of Licensed Products

You agree that you will use the Licensed Products and any data generated from the Licensed Products only for business purposes and not for personal, family or household purposes. The Licensed Products include any enhancements, updates, upgrades, modifications, new releases and corrective programming to the Licensed Products or Documentation that are provided as part of software maintenance ("Enhancements"). The Licensed Products will be installed and used only at the location

described in an Order or any other location as to which we have consented to the transfer of the Licensed Products in accordance with Section 2(c) ("Installation Site") and only on the hardware provided by us or the Computer described in an Order or SOW. Remote access to the Licensed Products directly or indirectly through a server, the Internet, independent software application or otherwise to your computer from locations other than your Installation Site, and use of the Licensed Products to perform services for any third parties, including your affiliates, are prohibited. Additional terms of authorized use will be described in your Order or SOW and may include, among other things, limitations on: (i) the number of Users; and (ii) the number of transactions processed or individual data records accessed using the Licensed Products. Licensed Products licensed for desktop use by a specific number of Users may be installed on the number of devices equal to the number of licenses purchased, or may be installed on multiple devices so long as the number of Users do not exceed the number of User licenses purchased.

a) Additional product-specific license terms applicable to certain of the Licensed Products ("Product Terms") can be found in Exhibit A and are incorporated into this Agreement. If there is a conflict between the Product Terms and any other provision of this Agreement, the Product Terms will control.

b) If the Licensed Product is for a designated Computer, you do not need our consent to transfer the Licensed Product from one computer system to another at the Installation Site. However, you need our consent if you wish to transfer the Licensed Product to another location. After obtaining our consent to a transfer to another location, you will certify to us in writing that all copies of the Licensed Product at the prior location were either transferred to the new location or destroyed.

c) You may make a reasonable number of copies of the Licensed Products and Documentation solely for back-up or disaster recovery purposes. "Documentation" means the current technical and user documentation for the Licensed Products. The Documentation may be modified from time-to-time to incorporate Enhancements. You must reproduce all copyright, trademark, trade secret and other proprietary notices in your copies. The back-up or disaster recovery copies can only be used to perform disaster recovery testing or if the Computer where the Licensed Products are installed becomes inoperative, those copies cannot be used for recovery production or testing concurrently with the production or testing copies of the Licensed Products. If the Computer becomes inoperative, the Licensed Products can only be used on a back-up computer utilizing the same operating system.

d) Upon prior written notice to us, you may permit a third party contractor to access and use the Licensed Products solely for your benefit, so long as: (i) the contractor agrees to comply fully with all terms and conditions of this Agreement; (ii) you remain responsible for the contractor's compliance with this Agreement and any breach; (iii) any User limitation includes User licenses allocated to contractors; and (iv) the contractor is not a competitor of ours. All rights granted to any contractor under this Agreement terminate immediately upon termination or expiry of this Agreement. Upon termination of such rights, the contractor must immediately cease all use, un-install and destroy all copies of the Licensed Products and Documentation, and must certify in writing its compliance with this Section upon our request.

3. General Use Restrictions

a) For the Licensed Products, you will not: (i) make derivative works; (ii) sublicense, sell, rent, lease, lend, time-share, disclose, transfer or host the Licensed Products, Documentation or confidential or proprietary information to or for any other parties; (iii) use the Licensed Products to modify or reproduce third party material unless you have the legal right to do so; (iv) attempt to unlock or bypass any initialization system, encryption methods or copy protection device in the Licensed Products; (v)

alter, remove or obscure any patent, copyright or trademark notice in the Licensed Products or Documentation; (vi) reverse engineer, decompile or disassemble or remove functions of the Licensed Products or any portion of them; (vii) make copies of the Licensed Products or Documentation, except as authorized in Section 2(d); (viii) modify, alter or change the Licensed Products; (ix) use components of a Licensed Product independent of the Licensed Products they comprise; or (x) extract any data from the Licensed Product and use such data for any purpose other than for your use of the Licensed Product.

b) You will not use the Licensed Products in the operation of a time-sharing or service bureau arrangement or as an application service provider. You will not allow access to the Licensed Products through any other means than those indicated in the Order or in any SOW.

4. Fees; Payment Terms

a) You will pay the fees for the Licensed Products, maintenance, training and any other fees described in an Order (which may include financing provisions). All fees and any applicable taxes are due and payable within 30 days from the date of our invoice. You will pay a late charge of 1.5% per month or the highest amount permitted by law, whichever is less, on any fees not paid by the due date. Unless otherwise identified in an Order, all fees are stated in and will be paid in United States currency.

b) The fees do not include any amount for taxes. You will pay all sales, use, property, excise and other taxes imposed with respect to the products and/or services. If any sales, use, excise or other taxes (except for taxes based on our net income) are required to be collected, we will itemize them on invoices issued in connection with an Order.

c) If the number of locations or the number of Users or Computer systems exceeds what is permitted by and/or paid for under an Order, we may charge you for the appropriate license and software maintenance fees based on the excess and at the applicable rates then in effect.

5. Indemnity and Procedures

a) Subject to Section 5(c), we will indemnify and hold you harmless from all losses, damages, and reasonable costs and expenses arising out of a claim by a third party that the Licensed Products infringe or misappropriate any copyright, trade secret, trademark or patent. We will have no obligation to indemnify, defend and hold you harmless for any claim or suit that is based on Third Party Content (defined in Section 10) except to the extent that our licensor's or suppliers of such Third Party Content have indemnified us.

b) If the Licensed Products are subject to a claim of infringement or misappropriation, or if we reasonably believe that the Licensed Products may be subject to a claim, we will at our option either: (i) replace the Licensed Products with functionally equivalent software; (ii) modify the Licensed Products while retaining substantively equivalent functionality; (iii) procure at no cost to you the right to continue to use the Licensed Products; or (iv) if (i), (ii) or (iii) are not commercially reasonable, we will notify you to terminate use of the Licensed Products. If we direct you to terminate use (or a permanent injunction is issued against such use), you will immediately do so and your remedies, in addition to this indemnity, will be limited to a pro rata refund of the current maintenance fees unused at the time of termination plus license fees previously paid for the Licensed Products that are subject to the infringement or misappropriation claim based on: (1) a term of 60 months following execution of

the applicable Order for a perpetual license; or (2) any pre-paid but unused fees for the balance of a term license. If your Order is a lease and we direct you to terminate use of the Licensed Products, after the effective date of termination we will release you from your payment obligations with respect to the license and software maintenance fees for the Licensed Products included in your payments under the lease due after the effective date of termination.

c) We will have no obligation to indemnify you if the infringement or misappropriation results from your: (i) modification of the Licensed Products; (ii) combination, operation or use of the Licensed Products with software products which are not ours; (iii) use of the Licensed Products in breach of this Agreement; or (iv) use of other than the most current release of the Licensed Products if a claim of infringement or misappropriation could have been avoided by your use of the current release of the Licensed Products, provided we delivered the superseding version to you and notified you of the need to use it.

d) You will indemnify, defend and hold us harmless from all claims and suits (including reasonable attorneys fees) against us by a third party based on: (i) any event described in Section 7(c) Warranty/Disclaimers that would cause the warranty in this Agreement to be inapplicable; or (ii) use of a release of the Licensed Products that is not the most current release made available to you to the extent that a claim or suit could have been avoided or mitigated by your use of the most current release.

e) You or we (the "Indemnified Party") will give the other (the "Indemnifying Party") prompt written notice of any matter with respect to which the Indemnified Party intends to seek indemnification under this Agreement (a "Claim"), provided, that the failure or delay in providing notice will not relieve the Indemnifying Party from any obligation to indemnify the Indemnified Party except to the extent that the failure or delay prejudices the defense of any Claim. The Indemnifying Party may, at its election, conduct and control the defense of the Claim with counsel selected by it, subject to the Indemnified Party's consent, not to be unreasonably withheld or delayed. The Indemnified Party agrees to cooperate with the Indemnifying Party and its counsel in investigating and/or contesting any Claim. No compromise or settlement of the Claim may be effected by the Indemnifying Party without the Indemnified Party's prior written consent, which will not be unreasonably withheld or delayed.

7. Warranty; Disclaimers

a) We represent and warrant that during the Warranty Period the Licensed Products will conform to all substantial operational functions of the Licensed Products described in the Documentation or in the applicable SOW. Except as set out in any Product Terms, the "Warranty Period" is 90 days from the date the Licensed Product is delivered to you. If the Licensed Products do not conform during the Warranty Period, we will, at our option: (i) repair or replace the Licensed Product; or (ii) refund the

license and software maintenance fee for the non-conforming Licensed Product. If the Licensed Product is subject to a lease, we will refund payments made for the license and software maintenance fee and secure a release from future payments of the license and software maintenance fee under the lease. In the case of clause (ii), this Agreement will be terminated as it applies to the relevant Licensed Product.

(b) If we supply carrier rate information ("Rate Information") to you in connection with this Agreement, the media upon which the Rate Information is supplied are warranted to be free from defects for a period of 90 days after installation. Your sole remedy for breach of this warranty will be replacement of the Rate Information media. We do not warrant that the Rate Information itself is accurate. We will have no liability for any damages you may incur as a result of your use of the Rate Information.

(c) There is no warranty if the Licensed Products failed to perform because of your use of the Licensed Products in a manner not authorized by this Agreement or for a purpose other than the ordinary purpose for which it is designed. The warranty does not apply if the Licensed Products have been altered, modified, converted or repaired by anyone other than us.

(d) **EXCEPT AS EXPRESSED IN THIS AGREEMENT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE LICENSED PRODUCTS, DOCUMENTATION, SOFTWARE MAINTENANCE AND OTHER SERVICES ARE PROVIDED BY US "AS IS" WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, RESULTS, RELIABILITY, PERFORMANCE AND NON-INFRINGEMENT OR ANY INFORMATION GENERATED BY YOUR USE OF THE LICENSED PRODUCTS OR DOCUMENTATION. WE MAKE NO WARRANTY THAT THE LICENSED PRODUCTS WILL MEET YOUR OR ANY THIRD PARTY'S REQUIREMENTS, WILL OPERATE ERROR-FREE OR UNINTERRUPTED OR FREE FROM OTHER DEFECT OR FAILURE, OR WILL BE COMPATIBLE WITH OR OPERATE IN COMBINATION WITH ANY OTHER SOFTWARE OR HARDWARE SELECTED OR USED BY YOU OR ANY THIRD PARTY, OR THAT ANY DEFECT IS CORRECTABLE.**

B) **WE WILL NOT BE LIABLE FOR ANY INDIRECT, PUNITIVE, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFIT OR REVENUE, LOST POSTAGE, LOST BUSINESS OPPORTUNITIES, BUSINESS INTERRUPTION OR LOST DATA YOU MAY SUFFER UNDER ANY CIRCUMSTANCES, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES, OR FOR ANY CLAIM BY ANY OTHER PARTY.**

If no such amounts are expected to be due, upon Licensee's request, Pitney Bowes shall pay Licensee an amount equal to such credits.

DI2000™ TERMS AND CONDITIONS

FOR NASPO ValuePoint

(revised August, 2021)

The following provisions apply when you buy or lease the DI2000™ inserting system (the "**System**") and are in addition to the Pitney Bowes Terms. These System terms, the executed order (the "**Order**") and your State Participating Addendum (which incorporates the NASPO ValuePoint Master Agreement entered into as a result of BPM003137, and the Pitney Bowes Terms) make up your agreement with Pitney Bowes (the "**Agreement**"). Capitalized terms not defined below will have the same meanings set out in the Pitney Bowes Terms.

D1. SYSTEM FEES

D1.1 System Fees. We will invoice you the System fees listed on the Order. You agree to provide accurate information about base and measured usage rates to us. If the information is not accurate, we reserve the right to estimate such usage and make adjustments based on actual usage on your next invoice.

D2. SYSTEM MAINTENANCE SERVICES

D2.1 Service Level Options.

(a) If you sign up for equipment maintenance on the Order, PBI will repair the System during the Initial Service Term or any Renewal Service Term (each term as defined in Section (b) below) (the "**Service Term**"). You are also entitled to preventative maintenance. Preventative maintenance will consist of inspecting, cleaning and periodically lubricating various components as well as replacing any worn parts. PBI will inform you of the recommended timing for preventative maintenance required. You will make the System reasonably available to PBI for preventative maintenance. Alterations to the System not authorized by us are strictly prohibited and will void your SLA. If the System needs repair, PBI may provide repair by remote access, diagnostics and service and/or by on-site

repair service. Repair service is provided only for damage resulting from normal wear and tear. Repair service may include the use of new, reconditioned, or remanufactured parts and assemblies. PBI will provide parts or assemblies for discontinued equipment (or equipment not marketed as new) only if available. If PBI deems it necessary, PBI will dispatch a service technician to arrive at your location for on-site service. You won't incur hourly charges unless service is performed outside Normal Working Hours, which will be done only with your consent. "**Normal Working Hours**" means 8 a.m. – 5 p.m., Monday – Friday, excluding PBI- observed U.S. holidays, in the time zone where the System or other items are located.

(b) System Maintenance Term. PBI will provide you with maintenance service for twelve months, if you don't have a Lease, or for the Lease Term, if you are leasing the System (the "**Initial Service Term**"). **SERVICE AUTOMATICALLY RENEWS FOR CONSECUTIVE ONE YEAR TERMS (EACH A "RENEWAL SERVICE TERM") UNLESS YOU TERMINATE YOUR SERVICE AS PROVIDED BELOW OR THE LEASE EXPIRES OR IS TERMINATED OR THE RENEWAL IS PROHIBITED BY LAW.** If you don't wish to renew the maintenance service, you terminate service by notifying us of such desire when you receive our invoice for the service renewal. PBI reserves the right not to renew your SLA for any reason. If you elect to terminate the maintenance service without cause prior to the expiration of the then applicable Service Term, no pro-rata refund will be provided, even if any prepaid hours of service have not yet been performed by us.

D2.2 Repair Service. If the System is under warranty, and we need to take the System back, PBI will be responsible for all transportation costs. We will provide parts or assemblies for discontinued equipment (or equipment not marketed as new) only if available. Lubricants and other materials needed to service the System, except Consumable Supplies and replacement printheads, are provided without additional charge. Not included as normal wear is coverage for repairs made necessary due to any D12000 Excluded Circumstance (defined below). If off site service is not successful, then a customer service representative will be sent to your location.

D2.3 System Maintenance Fees. If the Order specifies the purchase of maintenance services, you will pay the fees upon receipt of our invoice. We may increase the fees in accordance with your State Participating Addendum, and any increases will be reflected on your invoice. If you are leasing, the fees will be incorporated into your payment cycle. If you receive service for repairs caused by any DI2000 Excluded Circumstance, PBI will charge you for the service at PBI's current hourly rates and for any required parts in accordance with your State Participating Addendum. "DI2000 Excluded Circumstance": Notwithstanding anything in this Agreement to the contrary, PBI will not be responsible: (i) for maintaining any System that you have failed to operate under suitable temperature, humidity, line voltage, or any specified environmental conditions; (ii) if reasonable care is not used in handling, operating, and maintaining the System; (iii) if the System is not used in accordance with the agreed applications and for the ordinary purpose for which it is designed; (iv) if the inability of any System to perform is due to any act or failure to act by you, including without limitation, any alteration of or adding components to any System; (v) for unqualified operators' use of the System; (vi) for use of the System in a manner not intended; (vii) for use of the System to process applications not previously approved in writing by PBI; (viii) for use of damaged materials, such as paper or envelopes; (ix) if someone other than us services the System; (x) if you don't use required software updates; (xi) if you use the System with any equipment where we have told you that we will no longer provide support or that we have advised you is no longer compatible; (xii) if you use third party supplies (such as ink), hardware or software that results in (1) damage to the System (including damage to printheads), (2) poor indicia, text or image print quality, (3) indicia readability failures, or (4) a failure to print indicia, text or images; or (xiii) for damage to the System resulting from your missed preventative maintenance appointment. If PBI performs any repairs or maintenance as a result of any of the foregoing, you will pay PBI at its normal rates in effect at such time. If you exceed the cycle volume of your Equipment specified on the Order, PBI will bill you \$0.0022 per cycle for each additional cycle over the specified cycle volume up to 12 million

cycles a year and \$0.005 per cycle for each additional cycle over the specified cycle volume greater than 12 million cycles (the additional cycles are called the "Overage"). We will not be obligated to provide any maintenance services before receiving full payment of any applicable invoice.

D2.4 Replacement Equipment. If you acquire an attachment, or add a unit, to the System, PBI will provide coverage for each attachment or unit which we determine qualifies for coverage under the SLA and will automatically enroll you for maintenance coverage on the new components at PBI's then current annual rates. If you choose not to continue coverage on the replacement component, attachment or unit, you may cancel the maintenance service for the item within thirty days of the date of your initial invoice for the item from PBI. If you cancel, any further maintenance services on the System, attachment or unit will be subject to PBI's current NASPO ValuePoint time and material rates.

D2.5 Service Changes. PBI may modify its maintenance service by giving written notice to you (a "**Service Change Notice**"), which will state whether the change is material. After receiving a Service Change Notice, if the change is material, you may terminate maintenance service by giving us a termination notice at the address indicated in Section D2.1 (b).

D2.6 Additional Service Terms.

(a) Maintenance service excludes the supply of postal and carrier rate changes and Consumable Supplies.

(b) Self-Service Maintenance. WE WILL NOT IN ANY EVENT BE LIABLE FOR ANY CLAIMS OF ANY KIND, ASSERTED BY YOU OR ANY THIRD PARTY, CAUSED BY THE REMOVAL, MODIFICATION, FAILURE TO MAINTAIN OR BY-PASSING OF BUILT-IN SAFETY FEATURES BY YOU.

(c) You can't elect to have maintenance service apply to some but not all of the components of the System. Maintenance service doesn't include services and repairs that are made necessary due to any DI2000 Excluded Circumstance.

D2.7 Support Services. If you request that we provide services such as installation, maintenance, training, consulting, systems integration and data conversion or other similar support services ("**Support Services**"), charges for such services are in addition to the price of the System, unless otherwise specified in the Order.

D3. WARRANTIES

D3.1 PBI System Warranty. The warranty on any System will run for a period of one (1) year from the date of Acceptance as defined in your State Participating Addendum.

D4. DELIVERY; INSTALLATION; RETURNS

D4.1 Delivery. You will pay all costs for transporting the System from PBI's facility to the location designated in the Order. We will make commercially reasonable efforts to deliver the System on the delivery date in the Order but cannot guarantee a specific date.

D4.2 Installation. You must provide a suitable power source, access, and space for installation according to PBI's specifications. You must give us advance notice of any site problems.

D4.3 Returns. Unless the System fails to conform to the express warranties in Section D3.1, the System will not be returned to us.
