NASPO ValuePoint Master Agreement Terms and Conditions

1. Master Agreement Order of Precedence

a. Any Order placed under this Master Agreement shall consist of the following documents:

- (1) A Participating Entity’s Participating Addendum (“PA”);
- (2) NASPO ValuePoint Master Agreement Terms & Conditions;
- (3) A Purchase Order issued against the Master Agreement;
- (4) The Specifications or Statement of Work;
- (5) The Solicitation or, if separately executed after award, the Lead State’s bilateral agreement that integrates applicable provisions;
- (6) Contractor’s response to the Solicitation, as revised (if permitted) and accepted by the Lead State.

b. These documents shall be read to be consistent and complementary. Any conflict among these documents shall be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.

2. Definitions

Award means, in the context of this Request for Proposals and all its attendant documents, that point at which the final required signature on the contract(s) resulting from the procurement has been affixed to the contract(s) thus making it fully executed.

Contractor means the person or entity delivering Products or performing services under the terms and conditions set forth in this Master Agreement.

Lead State means the State centrally administering any resulting Master Agreement(s).

Master Agreement means the underlying agreement executed by and between the Lead State, acting in cooperation with NASPO ValuePoint, and the Contractor, as now or hereafter amended.

NASPO ValuePoint is a division of the National Association of State Procurement Officials (“NASPO”), a 501(c)(3) limited liability company. NASPO ValuePoint facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. NASPO ValuePoint is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports, as well as other contract administration functions as assigned by the Lead State.

Order or Purchase Order means any purchase order, sales order, contract or other document used by a Purchasing Entity to order the Products.

Participating Addendum means a bilateral agreement executed by a Contractor and a Participating Entity incorporating this Master Agreement and any additional Participating Entity-specific language or other requirements (e.g., ordering procedures specific to the Participating Entity, entity-specific terms and conditions, etc.).

Participating Entity means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states properly authorized to enter into a Participating Addendum, that has executed a Participating Addendum.

Participating State means a state, the District of Columbia, or one of the territories of the United States that is listed in the Request for Proposal as intending to participate. Upon execution of the Participating Addendum, a Participating State becomes a Participating Entity; however, a Participating State listed in the Request for Proposal is not required to participate.

Price Agreement means a definite quantity contract or indefinite quantity contract which requires the contractor to furnish items of tangible personal property, services or construction to a state agency or a local public body which issues a purchase order, if the purchase order is within the quantity limitations of the contract, if any.

Procuring Agency means all agencies, commissions, institutions, political subdivisions and local public bodies allowed by law to entertain procurements.

Project means a temporary process undertaken to solve a well-defined goal or objective with clearly defined start and end times, a set of clearly defined tasks, and a budget. The project terminates once the project scope is achieved, and project acceptance is given by the project executive sponsor.

Purchasing Entity means a state (as well as the District of Columbia and U.S territories), city, county, district, other political subdivision of a State, and a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

Staff means any individual who is a full-time, part-time, or an independently contracted employee with the Offerors' company.

State Agency means any department, commission, council, board, committee, institution, legislative body, agency, government corporation, educational institution or official of the executive, legislative or judicial branch of the government of this state. "State agency" includes the Purchasing Division of the General Services Department and the State Purchasing Agent but does not include local public bodies.

State Purchasing Agent means the Director of the State Purchasing Division of the General Services Department for the State of New Mexico.

Subcontractor means a business agreeing to perform part or all the obligations of the awarded Contractor. This does not include those persons provided to Purchasing Entities under the awarded contracts to fulfill On-Line Auction Services.

NASPO ValuePoint Program Provisions

I. Term of Master Agreement

- 1.1 The initial term** of the Contract will be two (2) years with the option, upon mutual written agreement, for four (4) additional renewal periods of two (2) years each. The State reserves the right to implement renewal periods of other duration if the State finds it advantageous to do so. In no way shall this agreement exceed ten (10) years. Upon mutual agreement, the contract may be extended or amended.
- 1.2 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 1.3 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-up competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-up master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions.

II. Order of Precedence

- 2.1 Order.** Any Order placed under this Master Agreement will consist of the following documents:
 - 2.1.1** A Participating Entity's Participating Addendum ("PA");
 - 2.1.2** NASPO ValuePoint Master Agreement, including all attachments thereto;
 - 2.1.3** A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;

- 2.1.4 The Solicitation or, if separately executed after award, the Lead State's bilateral agreement that integrates applicable provisions;
- 2.1.5 Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.
- 2.2 **Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- 2.3 **Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

III. Participants and Scope

- 3.1 **Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 3.2 **Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section II. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (*e.g.*, purchase order or contract) used by the Purchasing Entity to place the Order.
- 3.3 **Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 3.4 **Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 3.5 **Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.

- 3.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 3.7 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.
- 3.8 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 3.9 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

IV. NASPO ValuePoint Provisions

- 4.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.
- 4.2 Administrative Fees**
- 4.2.1 NASPO ValuePoint Fee.** Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping) and other revenues including commission fees charged. The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.
- 4.2.2 State Imposed Fees.** Some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless

agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

4.3 NASPO ValuePoint Summary and Detailed Usage Reports

4.3.1 Summary Sales Data. The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://calculator.naspovaluepoint.org> or other method provided by NASPO ValuePoint. All sales of products or services under this Master Agreement must be reported as cumulative totals by state, including all revenues collected through commission fees charged. Contractor must submit a report for each quarter, including quarters during which a Contractor has no sales or other revenues, in which case this will be indicated in the Reporting Tool. Reports must be submitted no later than thirty (30) days following the end of the calendar quarter (as specified in the reporting tool).

4.3.2 Detailed Sales Data. Contractor shall also report detailed sales and commission revenue data by completing and submitting the reporting template attached to the RFP as Attachment K or as otherwise required by NASPO ValuePoint. Reports are due on a quarterly basis and must be received by NASPO ValuePoint no later than thirty (30) days after the end of the reporting period. Reports must be delivered to NASPO ValuePoint electronically through a designated portal or other method as determined by NASPO ValuePoint. Detailed sales data reports must include sales information for all sales/revenues under Participating Addenda executed under this Master Agreement.

4.3.3 Executive Summary. Contractor shall, upon request, provide NASPO ValuePoint with an executive summary that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with, and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

4.3.4 Use of Data. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports will have exclusive ownership of the media containing the reports. NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

4.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

4.4.1 Staff Education. Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum

process, and the manner in which eligible entities can participate in the Master Agreement.

- 4.4.2 **Onboarding Plan.** Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.
- 4.4.3 **Annual Contract Performance Review.** Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.
- 4.4.4 **Use of NASPO ValuePoint Logo.** The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.
- 4.4.5 **Most Favored Customer.** Contractor shall, within thirty (30) days of their effective date, to notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreements or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.
- 4.5 **Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.
- 4.6 **Canadian Participation.** Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.
- 4.7 **Additional Agreement with NASPO.** Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint

related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

V. Pricing & Payment

- 5.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.
- 5.1.1** All prices and rates must be guaranteed for the initial term of the Master Agreement.
- 5.1.2** Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal guarantee period and must be made at least 90 days prior to the effective date.
- 5.1.3** Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.
- 5.1.4** No retroactive adjustments to prices or rates will be allowed.
- 5.2 Payment.** Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

VI. Ordering

- 6.1 Order Numbers.** Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, invoices, and correspondence.
- 6.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated, or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.
- 6.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.
- 6.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.

- 6.5 Term of Purchase.** Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.
- 6.5.1** Orders must be placed pursuant to this Master Agreement prior to the termination date thereof but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement.
- 6.5.2** Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.
- 6.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- 6.5.4** Notwithstanding the expiration, cancellation, or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.
- 6.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.
- 6.6 Order Form Requirements.** All Orders pursuant to this Master Agreement, at a minimum, must include:
- 6.6.1** The services or supplies being delivered;
- 6.6.2** A billing address;
- 6.6.3** Purchasing Entity contact information;
- 6.6.4** Pricing consistent with this Master Agreement and applicable Participating Addendum and as may be adjusted by agreement of the Purchasing Entity and Contractor;
- 6.6.5** A not-to-exceed total for the Products or Services being ordered; and
- 6.6.6** The Master Agreement number or the applicable Participating Addendum number, provided the Participating Addendum references the Master Agreement number.
- 6.7 Communication.** All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.
- 6.8 Contract Provisions for Orders Utilizing Federal Funds.** Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is

placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

VII. Reserved

VIII. Inspection and Acceptance

- 8.1 Laws and Regulations.** Any and all Products offered and furnished must comply fully with all applicable Federal, State, and local laws and regulations.
- 8.2 Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section will apply. This section is not intended to limit rights and remedies under the applicable commercial code.
- 8.3 Inspection.** All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.
- 8.3.1** Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.
- 8.3.2** Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.
- 8.4 Failure to Conform.** If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of services performed.
- 8.5 Acceptance Testing.** Purchasing Entity may establish a process, in keeping with industry standards, to ascertain whether the Product meets the standard of performance or specifications prior to Acceptance by the Purchasing Entity.
- 8.5.1** The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day after the Product is delivered or, if installed by Contractor, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing.
- 8.5.2** If the Product does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met.

- 8.5.3** Upon rejection, the Contractor will have fifteen (15) calendar days to cure. If after the cure period, the Product still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.
- 8.5.4** No Product will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

IX. Warranty

- 9.1 Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section will apply.
- 9.2 Warranty.** The Contractor warrants for a period of one year from the date of Acceptance that: (a) the Product performs according to all specific claims that the Contractor made in its response to the solicitation, (b) the Product is suitable for the ordinary purposes for which such Product is used, (c) the Product is suitable for any special purposes identified in the solicitation or for which the Purchasing Entity has relied on the Contractor's skill or judgment, (d) the Product is designed and manufactured in a commercially reasonable manner, and (e) the Product is free of defects.
- 9.3 Breach of Warranty.** Upon breach of the warranty set forth above, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor.  - a. Contractor shall be fully responsible for the collection of monies and reimbursement to the Participating Entity.
 - b. Contractor shall collect and process all taxes due.
 - c. Contractor shall keep records of all financial matters pertaining to the sales in accordance with generally accepted accounting principles. The financial records must be made available to representatives of the Lead State or other Purchasing Entity or any other governmental agency with jurisdiction to audit. The records must be maintained for a period of six (6) years after the term of the Master Agreement.
2. Revenue Collection and Payments.
 - a. Contractor accepts payments from winning Bidders by credit card (Visa, MasterCard, Discover and American Express), PayPal and Wire Transfer. (All payments over \$4,999 must be made by Wire Transfer.) These methods of payment are consistent with the payment methods generally available to Internet shoppers and allow for all of the advantages users of these payment methods are accustomed to enjoying. The ability to pay via electronic funds rather than by purchasing a cashier's check or money order and then expediting delivery of these funds is considered to be an advantage by most Internet shoppers. GovDeals also accepts payment through use of P-cards.
 - b. The transaction cost for Contractor bidders who purchase from our Clients who use our Financial Settlement Service (FSS) is included in the proposed buyer's premium; therefore there will be no additional fee charged to the State of New Mexico and Participating Entities for collection of auction proceeds. For our Clients who utilize Contractor's Financial Settlement Services (Price Proposal, Exhibit A), Contractor agrees to remit auction proceeds weekly and to accept all liability for fraud and chargebacks that occur.

This means that Contractor is willing to guarantee that our Clients will never lose any money or assets using our Financial Settlement Services.

- c. Contractor is fully PCI compliant and does not store any financial data from buyers. Fees and Buyer's Premium amounts are discussed in depth in Contractor's Price Schedule.
- d. Each week, a payment totaling the sales (minus agreed-upon buyer's premium and sales taxes collected) of all assets paid for and picked up in the previous week will be remitted to the Client. If required by a Participating Entity's policy, Contractor will remit gross proceeds collected less applicable sales tax and then bill the Participating Entity for the buyer's premium.
- e. Clients have a choice of remittance by check or Automated Clearing House (ACH) direct deposit. Contractor does not withhold payment of its Clients' auction proceeds during the 30-day charge-back liability window; our charge-back liability is funded using a portion of the Buyers' Premium charged to buyers when they make electronic payments.

ATTACHMENT C - PRICE SCHEDULE

A. Tier 1 – Use of Website Only.

1. Contractor / GovDeals offers a success-based fee structure that is charged only on successfully completed auctions. There will be no additional fees or charges for our standard services. There will be no fee if an auction does not result in a completed sale, and there will be no charges to the State or Participating Entity for any marketing efforts, training, software upgrades, or consultation and client support provided on-site or remotely.
2. Tier One enables the Participating Entity to collect its own payments and be invoiced by GovDeals (Non-FSS). If the Entity prefers to utilize GovDeals' system and service with our payment collection and remittance service, Financial Settlement Services (FSS) included, the Entity should utilize our Tier Two services.
3. GovDeals is strongly encouraging use of our Tier Two service for the following reasons:
 - The majority of states now require applicable tax collection on internet purchases, to include the purchase of government-owned surplus assets. Some states extend tax collection to vehicles.
 - This expansion of tax collection creates an added level of responsibility and additional liability for state surplus operations.
 - Tier Two service transfers this responsibility and liability to GovDeals – we become the Marketplace Facilitator for your surplus operation.
 - As your Marketplace Facilitator, GovDeals assumes responsibility and liability for:
 - ✓ Monitoring tax rates and tax law changes to ensure that the proper sales tax is applied to each auction based on the type of asset being sold and its location.
 - ✓ Maintenance and application of tax exemption status – we collect buyers' tax- exempt documents, apply these accordingly, and ensure these remain current.
 - ✓ Remittance of taxes to the proper taxing authorities.
4. Entities already using GovDeals may continue at their current fee structure or adopt the updated pricing and program benefits outlined below. The pricing provided below is GovDeals' ceiling pricing. GovDeals reserves the right to negotiate lower pricing and/or payment terms on a case- by-case basis based on asset type, asset value, or sales volume.

5. Pricing: US- 0% Seller Fee with 12.5% Buyer's Premium

6. Elevated Services Pricing: Offered on a case-by-case basis. GovDeals recognizes that government agencies have different needs. In this spirit, we offer ceiling pricing of an additional 20% fee to accommodate special circumstances warranting that GovDeals provides various additional services.

a. These services may include, in addition to the services offered herein, taking photographs/videos of assets for promotion and sale purposes; uploading descriptive content and media to create auction listings; tasks such as transportation and storage of assets (limited to areas where such service is offered), etc.

b. Note: When a client requests additional services, GovDeals will review the client's specific needs, projected sales volume, and other relevant

details of the prospective account to determine service availability and pricing on a per-case basis.

7. Real Estate related Services Pricing: Real estate category fees are based on the specific type and the potential value of each parcel or the potential aggregated value of the opportunity.

GovDeals' fee for the auction of real estate assets is lower than the 12.5% ceiling fee proposed.

8. Rebate: Entities may be eligible for GovDeals' Volume Discount Program (VDP). This program pays a rebate on completed sales. The volume discount payments are applied to each transaction, or if requested, may be remitted annually. If reduced upfront pricing is offered to a specific client for all assets and/or for higher-valued assets such as aviation assets or asset categories such as real estate, a rebate will not be paid on these sales since their fee has already been discounted.

9. TIER ONE: Use of an Offeror's website as a marketing and/or publicizing tool by a Purchasing Entity:

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a \$1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: GSD.SPDinfo@state.nm.us

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at GSD.SPDinfo@state.nm.us and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a \$1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to GSD.SPDinfo@state.nm.us and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:

<https://support.docusign.com/guides/signer-guide-signing-system-requirements>

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to “I agree to use electronic records and signatures,” before you click “CONTINUE” within the DocuSign system.

By selecting the check-box next to “I agree to use electronic records and signatures,” you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

Vendor Agreement

Wisconsin's Cooperative Purchasing Service

Wisconsin statutes (s. 16.73, Wis. Stats.) establish authority to allow Wisconsin municipalities to purchase from state contracts. Participating in the service gives vendors opportunities for additional sales without additional bidding. Municipalities use the service to expedite purchases. A "municipality" is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having the authority to award public contracts (s. 16.70(8), Wis. Stats.). Federally recognized Indian tribes and bands in this state may participate in cooperative purchasing with the state or any municipality under ss. 66.0301(1) and (2), Wis.Stats.

Interested municipalities:

- will contact the contractor directly to place orders referencing the state agency contract number; and
- are responsible for receipt, acceptance, inspection of commodities directly from the contractor, and making payment directly to the contractor.

The State of Wisconsin is not a party to these purchases or any dispute arising from these purchases and is not liable for delivery or payment of any of these purchases.

The State of Wisconsin will determine the contractor's participation by checking a box below.

☒ **MANDATORY:** Bidders/Proposers must agree to furnish the commodities or services of this bid/proposal to Wisconsin municipalities. Vendors should note any special conditions below.

☐ **OPTIONAL:** Bidders/Proposers may or may not agree to furnish the commodities or services of this bid/proposal to Wisconsin municipalities. A vendor's decision on participating in this service has no effect on awarding this contract.

A vendor in the service may specify minimum order sizes by volume or dollar amount, additional charges beyond normal delivery areas, or other minimal changes for municipalities.

Vendor: please check one of the following boxes in response.

- ☐ I Agree to furnish the commodities or services of this bid/proposal to Wisconsin municipalities with any special conditions noted below.
- ☐ I Do Not Agree to furnish the commodities or services to Wisconsin municipalities.

ATTACHMENT C - PRICE SCHEDULE

A. Tier 1 – Use of Website Only.

1. Contractor / GovDeals offers a success-based fee structure that is charged only on successfully completed auctions. There will be no additional fees or charges for our standard services. There will be no fee if an auction does not result in a completed sale, and there will be no charges to the State or Participating Entity for any marketing efforts, training, software upgrades, or consultation and client support provided on-site or remotely.
2. Tier One enables the Participating Entity to collect its own payments and be invoiced by GovDeals (Non-FSS). If the Entity prefers to utilize GovDeals' system and service with our payment collection and remittance service, Financial Settlement Services (FSS) included, the Entity should utilize our Tier Two services.
3. GovDeals is strongly encouraging use of our Tier Two service for the following reasons:
 - The majority of states now require applicable tax collection on internet purchases, to include the purchase of government-owned surplus assets. Some states extend tax collection to vehicles.
 - This expansion of tax collection creates an added level of responsibility and additional liability for state surplus operations.
 - Tier Two service transfers this responsibility and liability to GovDeals – we become the Marketplace Facilitator for your surplus operation.
 - As your Marketplace Facilitator, GovDeals assumes responsibility and liability for:
 - ✓ Monitoring tax rates and tax law changes to ensure that the proper sales tax is applied to each auction based on the type of asset being sold and its location.
 - ✓ Maintenance and application of tax exemption status – we collect buyers' tax- exempt documents, apply these accordingly, and ensure these remain current.
 - ✓ Remittance of taxes to the proper taxing authorities.
4. Entities already using GovDeals may continue at their current fee structure or adopt the updated pricing and program benefits outlined below. The pricing provided below is GovDeals' ceiling pricing. GovDeals reserves the right to negotiate lower pricing and/or payment terms on a case- by-case basis based on asset type, asset value, or sales volume.

5. Pricing: US- 0% Seller Fee with 12.5% Buyer's Premium

6. Elevated Services Pricing: Offered on a case-by-case basis. GovDeals recognizes that government agencies have different needs. In this spirit, we offer ceiling pricing of an additional 20% fee to accommodate special circumstances warranting that GovDeals provides various additional services.

a. These services may include, in addition to the services offered herein, taking photographs/videos of assets for promotion and sale purposes; uploading descriptive content and media to create auction listings; tasks such as transportation and storage of assets (limited to areas where such service is offered), etc.

b. Note: When a client requests additional services, GovDeals will review the client's specific needs, projected sales volume, and other relevant

details of the prospective account to determine service availability and pricing on a per-case basis.

7. Real Estate related Services Pricing: Real estate category fees are based on the specific type and the potential value of each parcel or the potential aggregated value of the opportunity.

GovDeals' fee for the auction of real estate assets is lower than the 12.5% ceiling fee proposed.

8. Rebate: Entities may be eligible for GovDeals' Volume Discount Program (VDP). This program pays a rebate on completed sales. The volume discount payments are applied to each transaction, or if requested, may be remitted annually. If reduced upfront pricing is offered to a specific client for all assets and/or for higher-valued assets such as aviation assets or asset categories such as real estate, a rebate will not be paid on these sales since their fee has already been discounted.

9. TIER ONE: Use of an Offeror's website as a marketing and/or publicizing tool by a Purchasing Entity:
