Cooperative Vendor Checklist

Cooperative Contract Requirements

Vendors must meet the following requirements for consideration of a cooperative contract award.

1. Submission of an existing competitively awarded base contract from a governmental entity with a minimum of one year remaining, including renewals.
2. The base contract must be suitable for general use by CPA customers and not specific to a geographical location or limited use to a specific entity.
3. Submission of a Texas SmartBuy (TSB) catalog created in the TSB Catalog Template format.
4. Pricing must be verifiable online through the Vendor or base contracting entity's website.
6. The Statewide Procurement Division (SPD) will not accept FOB Origin for commodities contracts. Vendor must agree to FOB Destination and specify freight terms. Freight charge terms must mirror the base contract.
 - a) Freight included in Pricing
 - b) Freight prepaid and allowed (Separate line on Invoice)
7. Texas Secretary of State registration or registration in the applicant's home state.
8. Active Franchise Tax registration with the Texas Comptroller of Public Accounts.
9. CPA may use vendor performance reports to analyze whether a vendor is awarded a cooperative contract. CPA may conduct reference checks with other entities regarding past performance both prior to awarding a contract to vendor and during the entire term of the contract.
11. CPA requires all orders under cooperative contracts to be placed through the TSB system, unless CPA gives explicit permission for offline sales. If requesting offline sales, submit an explanation of the need for and benefit from offline sales.

Submission of this checklist and supporting documentation does not guarantee award of a contract.

The decision to award a contract is at the sole discretion of SPD.
