Attachment A

State of South Dakota
Terms and Conditions

1. It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of this contract into which this attachment is incorporated.
2. All contractual agreements are subject to, governed by, and construed in accordance with the federal laws and the laws of the State of South Dakota, excluding rules as to choice and conflict of law. Any action, suit, or other proceeding under, pursuant to, or governed by this contract shall be brought and maintained in Federal court or the Circuit Court, Sixth Judicial Circuit, Hughes County, South Dakota.
3. The vendor/contractor agrees that the continuation of this contract is dependent on receipt of an appropriation from the South Dakota Legislature. In the event that the Legislature does not provide an appropriation of funds for any fiscal year, or if funds become unavailable because of federal funds reduction, then and in that event, this contract shall be null and void and shall expire at the end of the last fiscal year in which funding shall be available for this contract to the State and the State agency involved. The State agrees to provide Contractor with written notification of contract cancellation due to non-appropriations. Vendor/contractor agrees that a termination for lack of funds pursuant to this paragraph shall not result in a claim against the State, nor against any State agency, agent, officer, or employee.
4. Neither the State of South Dakota, nor any State agency, agent, officer, or employee shall hold harmless or indemnify any vendor/contractor for any loss or damage beyond the amounts provided for tort claims against the State by South Dakota law. Neither the State, nor any State agency, agent, officer, or employee shall assume liability to any third person by means of a contract or agreement. The State has not, and shall not, waive or give up any immunity or protection afforded to the State of South Dakota by the Eleventh Amendment to the Constitution of the United States, and no provision of this agreement shall be interpreted as, or be deemed as, a waiver of such Amendment, nor of any immunity afforded by it to the State of South Dakota.
5. Vendor/contractor agrees to comply with all federal and state laws, regulations, ordinances, guidelines, permits, and requirements applicable to providing goods or services pursuant to this agreement, and vendor/contractor will be solely responsible for obtaining current information about such requirements.
6. Notwithstanding any language to the contrary, no interpretation shall be allowed that would find the State of South Dakota or any State agency or Contractor has agreed to any binding arbitration, nor to the payment of damages or liquidated damages upon occurrence of a contingency. The State of South Dakota does not and shall not agree to pay any attorneys' fees or late charges in excess of those provided for in the South Dakota Prompt Payment Act, SDCL chapter 5-26.
7. This contract shall not require the State of South Dakota to purchase any insurance, nor shall the State of South Dakota be obligated to provide for any self-insurance beyond that required by South Dakota law relating to tort claims. Vendor/contractor shall be required to provide adequate insurance for: (1) Commercial General Liability; (2) Professional Liability; (3) Business Automobile Liability; and (4) Workers' Compensation, all as required by South Dakota Law, as otherwise set out in this Agreement, or adequate to cover all risks of performance under this agreement.

8. Vendor/contractor hereby agrees to defend and settle, indemnify and hold the State of South Dakota, and its agents, agencies, officers, and employees, harmless from and against third-party actions, suits, damages, liability, or other proceedings ("Claims") that may arise as the result of performing services or providing goods under this contract, as set forth in the Master Agreement and this Participating Addendum. Contractor's indemnification is for tangible property damage, bodily injury and death, to the extent caused by Contractor's negligence or willful misconduct, provided that the State of South Dakota promptly notifies Contractor of such Claims, cooperates with Contractor in the defense of the Claims, and grants Contractor sole defense of such Claims. In connection with such Claims, Contractor will pay all defense costs, settlement amounts, court awarded damages (including court costs and reasonable attorneys' fees), and third-party costs incurred by the State of South Dakota at the request of Contractor in connection with the defense of the Claims. This provision does not require vendor/contractor to be responsible for or defend against claims or damages arising solely from errors or omissions of the State, its agents, agencies, officers, or employees.
9. Vendor/contractor hereby agrees to defend the State of South Dakota and save the State of South Dakota, its agents, agencies, officers and employees, harmless from or settle any third party claims alleging infringement of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article, or appliance furnished or used in the performance of this agreement, or which the vendor/contractor is not the patentee, assignee, or licensee. Contractor will rely on State of South Dakota's prompt notification of the claim and cooperation with our defense. Contractor may modify the product or service so as to be non-infringing and materially equivalent, or we may procure a license. If these options are not available, we will refund to State of South Dakota the amount paid for the affected product in the first year or the depreciated value thereafter or, for support services, the balance of any pre-paid amount or, for professional services, the amount paid. Contractor is not responsible for claims resulting from any unauthorized use of the products or services.
10. Compliance with SDCL Ch 5-18A:

Contractor certifies and agrees that the following information is correct:

The bidder or offeror is not an organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates, of those entities or business associations, regardless of their principal place of business, which is ultimately owned or controlled, directly or indirectly, by a foreign parent entity from, or the government of, the People's Republic of China, the Republic of Cuba, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Russian Federation, or the Bolivarian Republic of Venezuela.

It is understood and agreed that, if this certification is false, such false certification will constitute grounds for the purchasing agency to reject the bid or response submitted by the bidder or offeror on this project and terminate any contract awarded based on the bid or response, and further would be cause to suspend and debar a business under SDCL § 5-18D-12.

The successful bidder or offeror further agrees to provide immediate written notice to the purchasing agency if during the term of the contract it no longer complies with this certification and agrees such noncompliance may be grounds for contract termination and would be cause to suspend and debar a business under SDCL § 5-18D-12.

11. Pursuant to Executive Order 2020-01, for contractors, vendors, suppliers, or subcontractors with five (5) or more employees who enter into a contract with the State of South Dakota that involves the expenditure of one hundred thousand dollars (\$100,000.00) or more, by signing this Agreement vendor/contractor certifies and agrees that it has not refused to transact business activities, has not terminated business activities, and has not taken other similar actions intended to limit its commercial relations, related to the subject matter of this Agreement, with a person or entity that is either the State of Israel, or a company doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel to do business, or doing business in the State of Israel, with the specific intent to accomplish a boycott or divestment of Israel in a discriminatory manner. It is understood and agreed that, if this certification is false, such false certification will constitute grounds for the State to terminate this Agreement. Vendor/contractor further agrees to provide immediate written notice to the State if during the term of this Agreement it no longer complies with this certification and agrees such noncompliance may be grounds for termination of this Agreement.
12. Vendor/contractor will not provide to the State any computer or telecommunication hardware or video surveillance hardware, or any components thereof, or any software that was manufactured, provided, or developed by a covered entity. As used in this paragraph, "covered entity" means the following entities and any subsidiary, affiliate, or successor entity and any entity that controls, is controlled by, or is under common control with such entity: Kaspersky Lab, Huawei Technologies Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, Dahua Technology Company, or any entity that has been identified as owned or controlled by, or otherwise connected to, People's Republic of China. Vendor/contractor will immediately notify the State if vendor/contractor becomes aware of credible information that any hardware, component, or software was manufactured, provided, or developed by a covered entity.

STATE AND LOCAL GOVERNMENT MASTER OPERATING LEASE AGREEMENT

This State and Local Government Master Operating Lease Agreement (together with Exhibits A and B attached hereto and hereby made a part hereof, (this "Master Agreement"), dated as of _____, is entered into by and between Hewlett-Packard Financial Services Company,¹ a Delaware corporation ("Lessor"), and _____, an agency, department or political subdivision of the State of _____ ("Lessee"). Capitalized terms used in this Master Agreement without definition have the meanings ascribed to them in Section 30.

1. PURPOSE OF MASTER AGREEMENT. The purpose of this Master Agreement is to set forth the general terms and conditions upon which Lessor shall lease to Lessee, and Lessee shall lease from Lessor, items of Hardware, Software or both (such Hardware and Software being collectively referred to as "Equipment").

2. COMMENCEMENT PROCEDURES. Subject to the other terms and conditions contained in this Master Agreement and the applicable Schedule, Lessee shall enter into individual Leases (hereinafter defined) with Lessor as follows:

(a) Execution of Schedule. Lessor and Lessee mutually agree to enter into a Lease by executing a Schedule in the form of Exhibit A with such changes as Lessor and Lessee shall have agreed to as conclusively evidenced by their execution thereof. Each such Schedule shall specifically identify (by serial number or other identifying characteristics) the items of Equipment to be leased under such Schedule (other than items of System Software, which shall be deemed to be items of Software leased under the Schedule pursuant to which the related items of Hardware are leased). Each Schedule, when executed by both Lessee and Lessor, together with this Master Agreement, shall constitute a separate and distinct lease ("Lease"), enforceable according to its terms. In the event of any conflict between the terms of this Master Agreement and such Schedule, the provisions of the Schedule shall govern.

(b) Acceptance; Initial Term of Leases. Lessee shall accept the Equipment subject to a Lease in accordance with Section 3. The Initial Term of each Lease shall begin on the Acceptance Date of the Equipment subject to such Lease and shall continue for the period described in the applicable Schedule unless a Nonappropriation shall have occurred.

(c) Adjustments to Schedule. Lessee acknowledges that the Total Cost of Equipment and the related Rent payments set forth in any Schedule may be estimates, and if the final invoice from the Seller attached to the related Acceptance Certificate(s) specifies a Total Cost that is less than the estimated Total Cost set forth in the Schedule, Lessee hereby authorizes Lessor to reduce the applicable Total Cost and Rent payment on the Schedule by up to ten percent (10%) to reflect such final invoice amount (the "Final Invoice Amount"). All references in this Master Agreement and any Schedule to Total Cost and Rent shall mean the amounts thereof specified in the applicable Schedule, as adjusted pursuant to this paragraph.

(d) Payment by Lessor. Within 30 days after Lessee's delivery to Lessor of a properly completed and executed Acceptance Certificate and all other documentation necessary to establish Lessee's acceptance of such Equipment under the related Lease and Lessor's acceptance of such Acceptance Certificate, Lessor shall pay for the Equipment. Lessor shall not accept the Acceptance Certificate until it has received from Lessee (1) evidence of insurance with respect to the Equipment in compliance with Section 13 hereof, (2) an opinion of Lessee's counsel, if required by Lessor, in form and substance reasonably satisfactory to Lessor and (3) any other documents or items reasonably required by Lessor. Notwithstanding the foregoing, Lessor shall not be obligated to pay for the Equipment if a Lessee Default has occurred or an event has occurred and is continuing that with the passage of time or provision of notice would constitute a Lessee Default.

¹ Authorized to do business in the name of Hewlett-Packard Financial Services Company, Inc. in the states of Alabama and New York.

3. ACCEPTANCE OF EQUIPMENT. (a) Inspection of Equipment. Lessee agrees to inspect all Equipment as soon as reasonably practicable after the delivery thereof to Lessee.

(b) Acceptance Certificate. Upon the satisfactory inspection of the Equipment by Lessee, or if acceptance requirements for such Equipment are specified in the applicable Purchase Documents, as soon as such requirements are met, Lessee shall unconditionally and irrevocably accept the Equipment by executing and delivering to Lessor a properly completed Acceptance Certificate in substantially the form of Exhibit B.

4. LESSEE'S END-OF-LEASE-TERM OPTIONS; AUTOMATIC EXTENSION. Lessee shall have the following options in respect of each Lease at the end of each of the Initial Term, any Renewal Term and any optional extension of the Initial Term or any Renewal Term:

a. Purchase Option. Lessee may elect, by delivering to Lessor an End-of-Term Notice at least 90 days prior to the expiration of the Initial Term, any Renewal Term or any optional extension of the Initial Term or any Renewal Term, to purchase any or all Units of Equipment then subject to such Lease (other than items of Software that may not be sold by Lessor under the terms of any applicable License Agreement) for an amount equal to the Fair Market Value of such Units of Equipment as of the end of the Then Applicable Term, provided no Lessee Default shall have occurred and be continuing. In the event of such an election, Lessee shall pay such amount to Lessor, in immediately available funds, on or before the last day of the Then Applicable Term. If Lessee shall have so elected to purchase any of the Units of Equipment, shall have so paid the applicable purchase price and shall have fulfilled the terms and conditions of this Master Agreement, then on the last day of the Then Applicable Term (1) the Lease with respect to such Units of Equipment shall terminate and, except as provided in Section 26, Lessee shall be relieved of all of its obligations in favor of Lessor with respect to such Units of Equipment, and (2) Lessor shall transfer all of its interest in such Units of Equipment to Lessee "AS IS, WHERE IS," without any warranty, express or implied, from Lessor, other than the absence of any liens or claims by or through Lessor. In the event Lessor and Lessee are unable to agree on the Fair Market Value of any Units of Equipment, Lessor shall, at Lessee's expense, select an independent appraiser to conclusively determine such amount.

b. Renewal Option. Lessee may elect, by delivering to Lessor an End-of-Term Notice at least 90 days prior to the expiration of the Initial Term, any Renewal Term, or any optional extension of the Initial Term or any Renewal Term, to renew the Lease with respect to any or all Units of Equipment then subject to such Lease (other than items of Software that may not be re-released by Lessor under the terms of any applicable License Agreement) for an amount equal to the Fair Rental Value of such Units of Equipment as of the end of the Then Applicable Term. In the event of such an election, Lessee shall enter into a mutually agreeable renewal agreement with Lessor ("Renewal Agreement") on or before the last day of the Then Applicable Term confirming the Units of Equipment as to which the Lease is to be renewed, the period for which the Lease is to be renewed (the "Renewal Term"), and the amount of Rent and the times at which such Rent is to be payable during the Renewal Term. In the event Lessor and Lessee are unable to agree on the Fair Rental Value of any Units of Equipment, Lessor shall, at Lessee's expense, select an independent appraiser to conclusively determine such amount.

c. Return. Lessee may elect, by delivering to Lessor an End-of-Term Notice at least 90 days prior to the expiration of the Initial Term, any Renewal Term or any optional extension of the Initial Term or any Renewal Term, to return any or all of the Units of Equipment then subject to such Lease in accordance with Section 10 of this Master Agreement.

d. Optional Extension. Lessee may elect, by omitting to deliver to Lessor an End-of-Term Notice at least 90 days prior to the expiration of the Initial Term or any Renewal Term, to extend the Initial Term or such Renewal Term, as the case may be. In that event, the Initial Term or such Renewal Term shall, without any additional notice or documentation, be automatically extended for successive calendar months with respect to all items of Equipment then subject to such Lease through the end of the calendar month falling at least 90 days after the date Lessee shall have delivered to Lessor an End-of-Term Notice with respect to such Lease. For each calendar month that the Then Applicable Term of such Lease is so extended, Lessee shall pay to Lessor Rent in an amount equal to the monthly Rent payment in effect immediately prior to such extension (or the appropriate pro rata portion of the Rent payment then in effect in the case of Rent payable other than on a monthly basis), and all other provisions of this Master Agreement and the applicable Schedule shall continue to apply.

IF LESSEE SHALL HAVE DELIVERED TO LESSOR AN END-OF-TERM NOTICE BY THE DATE SET FORTH HEREIN WITH RESPECT TO A LEASE, BUT SHALL HAVE SUBSEQUENTLY FAILED TO COMPLY WITH ITS OBLIGATIONS ARISING FROM ITS ELECTIONS SPECIFIED THEREIN (E.G., LESSEE SHALL HAVE FAILED, ON OR BEFORE THE LAST DAY OF THE THEN APPLICABLE TERM (1) TO PAY LESSOR THE PURCHASE PRICE FOR EQUIPMENT TO BE PURCHASED IN ACCORDANCE WITH SECTION 4(A) ABOVE, (2) TO EXECUTE A RENEWAL AGREEMENT WITH RESPECT TO EQUIPMENT AS TO WHICH THE LEASE IS TO BE RENEWED IN ACCORDANCE WITH SECTION 4(B) ABOVE, OR (3) TO RETURN TO LESSOR EQUIPMENT TO BE RETURNED IN ACCORDANCE WITH SECTION 4(C) ABOVE), THEN THE THEN APPLICABLE TERM OF SUCH LEASE SHALL, WITHOUT ANY ADDITIONAL NOTICE OR DOCUMENTATION, BE AUTOMATICALLY EXTENDED FOR SUCCESSIVE CALENDAR MONTHS WITH RESPECT TO ALL ITEMS OF EQUIPMENT AS TO WHICH LESSEE SHALL HAVE SO FAILED TO COMPLY WITH ITS OBLIGATIONS THROUGH THE END OF THE CALENDAR MONTH IN WHICH LESSEE SHALL HAVE COMPLIED WITH SUCH OBLIGATIONS. FOR EACH CALENDAR MONTH THAT THE THEN APPLICABLE TERM OF ANY LEASE IS SO EXTENDED, LESSEE SHALL PAY TO LESSOR RENT IN AN AMOUNT EQUAL TO THE MONTHLY RENT PAYMENT IN

EFFECT IMMEDIATELY PRIOR TO SUCH EXTENSION (OR THE APPROPRIATE PRO RATA PORTION OF THE RENT PAYMENT THEN IN EFFECT IN THE CASE OF RENT PAYABLE OTHER THAN ON A MONTHLY BASIS), AND ALL OTHER PROVISIONS OF THIS MASTER AGREEMENT AND THE APPLICABLE SCHEDULE SHALL CONTINUE TO APPLY. NOTWITHSTANDING ANY OF THE PROVISIONS OF THIS SECTION 4 TO THE CONTRARY, IF ANY LESSEE DEFAULT SHALL HAVE OCCURRED AND BE CONTINUING AT ANY TIME DURING THE LAST 90 DAYS OF THE THEN APPLICABLE TERM OF ANY LEASE, LESSOR MAY CANCEL ANY RENEWAL TERM OR OPTIONAL OR OTHER AUTOMATIC EXTENSION OF THE THEN APPLICABLE TERM IMMEDIATELY UPON WRITTEN NOTICE TO LESSEE.

5. RENT; LATE CHARGES. As rent ("Rent") for the Equipment under any Lease, Lessee agrees to pay the amounts specified in the applicable Schedule on the due dates specified in the applicable Schedule. Lessee agrees to pay Lessor interest on any Rent payment or other amount due hereunder that is not paid within 10 days of its due date, at the rate of 1-1/2% per month (or such lesser rate as is the maximum rate allowable under applicable law). Lessee will make provision for such payments in budgets submitted to its governing body for the purpose of obtaining funding for the payments.

6. LEASES NON-CANCELABLE; NET LEASES; WAIVER OF DEFENSES TO PAYMENT. IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT EACH LEASE HEREUNDER SHALL BE NON-CANCELABLE (EXCEPT AS SET FORTH IN SECTION 7 HEREOF), AND THAT EACH LEASE HEREUNDER IS A NET LEASE (SO THAT AMONG OTHER THINGS LESSEE SHALL PAY IN ADDITION TO THE RENT, TAXES, INSURANCE AND MAINTENANCE CHARGES RELATED TO THE EQUIPMENT). LESSEE AGREES THAT IT HAS AN ABSOLUTE AND UNCONDITIONAL OBLIGATION TO PAY ALL RENT AND OTHER AMOUNTS WHEN DUE. LESSEE HEREBY WAIVES ANY RECOUPMENT, CROSS-CLAIM, COUNTERCLAIM OR ANY OTHER DEFENSE AT LAW OR IN EQUITY TO ANY RENT OR OTHER AMOUNT DUE WITH RESPECT TO ANY LEASE, WHETHER ANY SUCH DEFENSE ARISES OUT OF THIS MASTER AGREEMENT, ANY SCHEDULE, ANY CLAIM BY LESSEE AGAINST LESSOR, LESSOR'S ASSIGNEES OR SUPPLIER OR OTHERWISE. IF THE EQUIPMENT IS NOT PROPERLY INSTALLED, DOES NOT OPERATE OR INTEGRATE AS REPRESENTED OR WARRANTED BY SUPPLIER OR IS UNSATISFACTORY FOR ANY REASON WHATSOEVER, LESSEE WILL MAKE ANY CLAIM ON ACCOUNT OF THOSE ISSUES SOLELY AGAINST SUPPLIER AND WILL NEVERTHELESS PAY ALL SUMS DUE WITH RESPECT TO EACH LEASE.

7. NONAPPROPRIATION. Notwithstanding anything contained in this Master Agreement to the contrary, in the event that sufficient funds are not appropriated and budgeted by Lessee's governing body or are not otherwise available from other legally available sources in any fiscal period for the payment of Rent and other amounts due under any Lease, the Lease shall terminate on the last day of the fiscal period for which appropriations were received or other amounts are available to pay amounts due under the Lease without penalty or expense to Lessee of any kind whatsoever, except as to the portions of Rent payments or other amounts herein agreed upon for which funds shall have been appropriated or are otherwise available. Lessee will immediately notify the Lessor or its assignee of such occurrence. In the event of such termination, Lessee shall immediately cease all use of the Equipment, and shall, at its sole expense and risk, immediately de-install, disassemble, pack, crate, insure, and return the Equipment subject to such Lease to Lessor (all in accordance with Section 10 of this Master Agreement). Such Equipment shall be in the same condition as when received by Lessee (reasonable wear, tear and depreciation resulting from normal and proper use excepted), shall be in good operating order and maintenance as required by this Lease, shall be free and clear of any liens (except Lessor's lien) and shall comply with all applicable laws and regulations. Lessee agrees to execute and deliver to Lessor all documents reasonably requested by Lessor or evidence the transfer of legal and beneficial title to such Equipment to Lessor and to evidence the termination of Lessee's interest in such Equipment. Lessor will have all legal and equitable rights and remedies to take possession of the Equipment. At Lessor's request, Lessee shall promptly provide supplemental documentation as to such Non-Appropriation satisfactory to Lessor. Lessee's exercise of its rights pursuant to this Section 7 shall not affect the survival of any indemnity and other provisions (other than the obligation to lease the Equipment and pay amounts due under the Lease) which survive the termination of the Lease.

8. ASSIGNMENT OF PURCHASE DOCUMENTS. Lessee assigns to Lessor all of Lessee's right, title and interest in and to (a) the Equipment described in each Schedule, and (b) the Purchase Documents relating to such Equipment. Such assignment of the Purchase Documents is an assignment of rights only; nothing in this Master Agreement shall be deemed to have relieved Lessee of any obligation or liability under any of the Purchase Documents, except that, as between Lessee and Lessor, Lessor shall pay for the Equipment in accordance with Section 2(d) hereof. Lessee represents and warrants that it has reviewed and approved the Purchase Documents. In addition, if Lessor shall so request, Lessee shall deliver to Lessor a document acceptable to Lessor whereby Seller acknowledges and provides any required consent to such assignment. For the avoidance of doubt, Lessee covenants and agrees that it shall at all times during the Total Term of each Lease comply in all respects with the terms of any License Agreement relating to any Equipment leased thereunder. IT IS ALSO SPECIFICALLY UNDERSTOOD AND AGREED THAT NEITHER SUPPLIER NOR ANY SALESPERSON OF SUPPLIER IS AN AGENT OF LESSOR, NOR ARE THEY AUTHORIZED TO WAIVE OR ALTER ANY TERMS OF THIS MASTER AGREEMENT OR ANY SCHEDULE.

9. ASSIGNMENT OF SUPPLIER WARRANTIES. To the extent permitted, Lessor hereby assigns to Lessee, for the Total Term of any Lease, all Equipment warranties provided by any Supplier in the applicable Purchase Documents. Lessee shall have the right to take any action it deems appropriate to enforce such warranties provided such enforcement is pursued in Lessee's name

and at its expense. In the event Lessee is precluded from enforcing any such warranty in its name, Lessor shall, upon Lessee's request, take reasonable steps to enforce such warranty. In such circumstances, Lessee shall, promptly upon demand, reimburse Lessor for all expenses incurred by Lessor in enforcing the Supplier warranty. Any recovery resulting from any such enforcement efforts shall be divided among Lessor and Lessee as their interests may appear.

10. EQUIPMENT RETURN REQUIREMENTS. At any time Lessee is required to return Equipment to Lessor under the terms of this Master Agreement or any Schedule, Lessee shall (a) wipe clean or permanently delete all data contained on the Equipment, including without limitation, any data contained on internal or external drives, discs, or accompanying media, and (b) pack the Equipment to be returned to Lessor in accordance with the manufacturer's guidelines and deliver such Equipment to Lessor at any destination within the continental United States designated by Lessor. In the case of any item of Software or License Agreement subject to a Schedule, at the time of the occurrence of a Non-Appropriation or a Lessee Default, Lessee shall also be automatically deemed to have reassigned any License Agreement, and shall immediately de-install and deliver to Lessor all Software, together with the original certificate of authenticity issued by the licensor of such Software, if any. All dismantling, packaging, transportation, in-transit insurance and shipping charges shall be borne by Lessee. All Equipment shall be returned to Lessor in the same condition and working order as when delivered to Lessee, reasonable wear and tear excepted, and except in the case of PC Equipment and Software, shall qualify for maintenance service by the Supplier at its then standard rates for Equipment of that age, if available. Lessee shall be responsible for, and shall reimburse Lessor promptly on demand for the cost of returning the Equipment to good working condition or, in the case of Equipment other than PC Equipment and Software, qualifying the Equipment for the Supplier's maintenance service, if available.

11. EQUIPMENT USE, MAINTENANCE, AND ADDITIONS. Lessee is solely responsible for the selection, installation, operation and maintenance of the Equipment and all costs related thereto, including shipping charges. Lessee shall at all times operate and maintain the Equipment in good working order, repair, condition and appearance, and in accordance with the manufacturer's specifications and recommendations. On reasonable prior notice to Lessee, Lessor and Lessor's agents shall have the right, during Lessee's normal business hours and subject to Lessee's reasonable, standard security procedures, to enter the premises where the Equipment is located for the purpose of inspecting the Equipment and observing its use. If Lessor shall have provided to Lessee any tags or identifying labels, Lessee shall, at its expense, affix and maintain in a prominent position on each item of Equipment such tags or labels to indicate Lessor's ownership of the Equipment. Except in the case of PC Equipment and Software, Lessee shall, at its expense, enter into and maintain and enforce at all times during the Total Term of each Lease a maintenance agreement to service and maintain the related Equipment, upon terms and with a provider reasonably acceptable to Lessor. Lessee shall make no alterations or additions to the Equipment, except those that (a) will not void any warranty made by the Supplier of the Equipment, result in the creation of any security interest, lien or encumbrance on the Equipment or impair the value or use of the Equipment either at the time made or at the end of the Term of the applicable Lease, and are readily removable without damage to the Equipment ("Optional Additions"), or (b) are required by any applicable law, regulation or order. All additions to the Equipment or repairs made to the Equipment, except Optional Additions, become a part of the Equipment and Lessor's property at the time made; Optional Additions which have not been removed in the event of the return of the Equipment shall become Lessor's property upon such return.

12. EQUIPMENT OWNERSHIP; LIENS; LOCATION. As between Lessor and Lessee, Lessor is the sole owner of the Equipment and has sole title thereto, Lessee shall not make any representation to any third party inconsistent with Lessor's sole ownership of the Equipment. Lessee covenants with respect to each Lease that: (i) it will not pledge or encumber the Equipment or Lessor's interest in the Equipment in any manner whatsoever nor create or permit to exist any levy, lien or encumbrance thereof or thereon except those created by or through Lessor; (ii) the Equipment shall remain personal property whether or not affixed to realty and shall not become a fixture or be made to become a part of any real property on which it is placed without Lessor's prior written consent; and (iii) Lessee shall maintain the Equipment so that it does not become essential to and may be removed from any building in which it is placed without any damage to the building or the Equipment. Lessee may permit use of the Equipment by its affiliates or independent contractors at the Equipment Location provided it does not relinquish possession and control of the Equipment. Provided Lessee remains in possession and control of the Equipment, Lessee may relocate any Equipment from the Equipment Location specified in the applicable Schedule to another of its locations within the State of the Equipment Location upon prior written notice to Lessor specifying the new Equipment Location or to another of its locations within the United States after receiving the written consent of Lessor to such relocation. Lessee shall not locate or relocate any Equipment such that any third party comes into possession or control thereof without Lessor's prior written consent; provided, however, that Lessor shall not unreasonably withhold its consent to the location or relocation of Equipment to a third party co-location or hosting facility if such third party shall have executed and delivered to Lessor a waiver agreement in form and substance acceptable to Lessor pursuant to which, among other things, such third party shall have waived any rights to the Equipment and agreed to surrender the Equipment to Lessor in the event of a Lessee Default under this Master Agreement. Notwithstanding the foregoing, Lessor agrees that computer equipment usable outside of a fixed office environment, such as laptops, notebooks or similar PC Equipment (collectively, "Mobile PC Equipment") may be relocated on a non-permanent basis from the Equipment Location originally specified in the applicable Schedule without Lessor's prior written consent, provided that (i) such relocation is made by Lessee's primary employee in the custody and control of such Mobile PC Equipment; (ii) the primary employee remains in possession and control of the Mobile PC Equipment, and (iii) the primary employee's principal office is the Equipment Location. For purposes of this Master Agreement and any applicable Schedule, the term Equipment shall be deemed to include all Mobile PC Equipment.

13. RISK OF LOSS AND INSURANCE. Lessee assumes any and all risk of loss or damage to the Equipment from the time such Equipment is delivered to Lessee until such Equipment is returned to and is received by Lessor in accordance with

the terms and conditions of this Master Agreement. Lessee agrees to keep the Equipment insured at Lessee's expense against all risks of loss from any cause whatsoever, including without limitation, loss by fire (including extended coverage), theft and damage. Lessee agrees that such insurance shall name Lessor as a loss payee and cover not less than the replacement value of the Equipment. Lessee also agrees that it shall carry commercial general liability insurance in an amount not less than \$2,000,000 total liability per occurrence and cause Lessor and its affiliates and its and their successors and assigns, to be named additional insureds under such insurance. Each policy shall provide that the insurance cannot be canceled without at least 30 days' prior written notice to Lessor, and no policy shall contain a deductible in excess of \$25,000. Upon Lessor's prior written consent, in lieu of maintaining insurance obtained by third party insurance carriers, Lessee may self insure against such risks, provided that Lessor's interests are protected to the same extent as if the insurance had been obtained by third party insurance carriers and provided further that such self insurance program is consistent with prudent business practices with respect with such insurance risk. Lessee shall provide to Lessor (a) on or prior to the Acceptance Date for each Lease, and from time to time thereafter, certificates of insurance evidencing such insurance coverage throughout the Total Term of each Lease, and (b) upon Lessor's request, copies of the insurance policies. If Lessee fails to provide Lessor with such evidence, then Lessor will have the right, but not the obligation, to purchase such insurance protecting Lessor at Lessee's expense. Lessee's expense shall include the full premium paid for such insurance and any customary charges, costs or fees of Lessor. Lessee agrees to pay such amounts in substantially equal installments allocated to each Rent payment (plus interest on such amounts at the rate of 1-1/2% per month or such lesser rate as is the maximum rate allowable under applicable law).

14. CASUALTY LOSS. Lessee shall notify Lessor of any Casualty Loss or repairable damage to any Equipment as soon as reasonably practicable after the date of any such occurrence but in no event later than 30 days after such occurrence. In the event any Casualty Loss shall occur, on the next Rent payment date Lessee shall (a) at Lessee's option provided no Lessee Default has occurred nor an event that with the passage of time or provision of notice would constitute a Lessee Default has occurred and is continuing or (b) at Lessor's option if a Lessee Default has occurred or an event that with the passage of time or provision of notice would constitute a Lessee Default has occurred and is continuing (1) subject to Section 7 hereof, pay Lessor the Stipulated Loss Value of the Equipment suffering the Casualty Loss, or (2) substitute and replace each item of Equipment suffering the Casualty Loss with an item of Substitute Equipment. If Lessee shall pay the Stipulated Loss Value of the Equipment suffering a Casualty Loss, upon Lessor's receipt in full of such payment the applicable Lease shall terminate as it relates to such Equipment and, except as provided in Section 26, Lessee shall be relieved of all obligations under the applicable Lease as it relates to such Equipment. If Lessee shall replace Equipment suffering a Casualty Loss with items of Substitute Equipment (i) the applicable Lease shall continue in full force and effect without any abatement of Rent with such Substitute Equipment thereafter being deemed to be Equipment leased thereunder, and (ii) Lessee shall deliver to Lessor a bill of sale or other documentation, in either case in form and substance satisfactory to Lessor, in which Lessee shall represent and warrant that it has transferred to Lessor good and marketable title to all Substitute Equipment, free and clear of all liens, encumbrances and claims of others. Upon Lessor's receipt of such payment of Stipulated Loss Value in full, or such bill of sale or other documentation, as the case may be, Lessor shall transfer to Lessee all of Lessor's interest in the Equipment suffering the Casualty Loss "AS IS, WHERE IS," without any warranty, express or implied, from Lessor, other than the absence of any liens or claims by or through Lessor. In the event of any repairable damage to any Equipment, the Lease shall continue with respect to such Equipment without any abatement of Rent and Lessee shall, at its expense, from insurance proceeds or other funds legally available, promptly cause such Equipment to be repaired to the condition it is required to be maintained pursuant to Section 11.

15. TAXES. Lessor shall report and pay all Taxes now or hereafter imposed or assessed by any governmental body, agency or taxing authority upon the purchase, ownership, delivery, installation, leasing, rental, use or sale of the Equipment, the Rent or other charges payable hereunder, or otherwise upon or in connection with any Lease, whether assessed on Lessor or Lessee, other than any such Taxes required by law to be reported and paid by Lessee. Lessee shall promptly reimburse Lessor for all such Taxes paid by Lessor, together with any penalties or interest in connection therewith attributable to Lessee's acts or failure to act, excluding (a) Taxes on or measured by the overall gross or net income or items of tax preference of Lessor, (b) as to any Lease the related Equipment, Taxes attributable to the period after the return of such Equipment to Lessor, and (c) Taxes imposed as a result of a sale or other transfer by Lessor of any portions of its interest in any Lease or in any Equipment except for a sale or other transfer to Lessee or a sale or other transfer occurring after and during the continuance of any Lessee Default.

16. GENERAL INDEMNITY. Lessee, to the extent permitted by law, shall indemnify and hold harmless Lessor and assignees, from and against any and all Claims arising directly or indirectly out of or in connection with any matter involving this Master Agreement, the Equipment or any Lease, including but not limited to the selection, manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, maintenance, use (including any patent, trademark or copyright infringement), condition, return or operation of any Equipment or the enforcement of Lessor's rights under any Lease. Notwithstanding the foregoing, Lessee shall have no obligation to indemnify or defend against any Claim arising solely as a result of Lessor's gross negligence or willful misconduct.

17. COVENANT OF QUIET ENJOYMENT. So long as no Lessee Default exists, and no event shall have occurred and be continuing which, with the giving of notice or the passage of time or both, would constitute a Lessee Default, neither Lessor nor any party acting or claiming through Lessor, by assignment or otherwise, will disturb Lessee's quiet enjoyment of the Equipment during the Total Term of the related Lease.

18. DISCLAIMERS AND LESSEE WAIVERS. LESSEE LEASES THE EQUIPMENT FROM LESSOR "AS IS, WHERE IS". IT IS SPECIFICALLY UNDERSTOOD AND AGREED THAT (A) EXCEPT AS EXPRESSLY SET FORTH IN SECTION 17, LESSOR MAKES ABSOLUTELY NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, QUALITY, OPERATION, OR CONDITION OF ANY EQUIPMENT (OR ANY PART THEREOF), THE MERCHANTABILITY OR FITNESS OF EQUIPMENT FOR A PARTICULAR PURPOSE, OR ISSUES REGARDING PATENT INFRINGEMENT, TITLE AND THE LIKE; (B) LESSOR SHALL NOT BE DEEMED TO HAVE MADE, BE BOUND BY OR LIABLE FOR, ANY REPRESENTATION, WARRANTY OR PROMISE MADE BY THE SUPPLIER OF ANY EQUIPMENT (EVEN IF LESSOR IS AFFILIATED WITH SUCH SUPPLIER); (C) LESSOR SHALL NOT BE LIABLE FOR ANY FAILURE OF ANY EQUIPMENT OR ANY DELAY IN THE DELIVERY OR INSTALLATION THEREOF; (D) LESSEE HAS SELECTED ALL EQUIPMENT WITHOUT LESSOR'S ASSISTANCE; AND (E) LESSOR IS NOT A MANUFACTURER OF ANY EQUIPMENT. IT IS FURTHER AGREED THAT LESSOR SHALL HAVE NO LIABILITY TO LESSEE, LESSEE'S CUSTOMERS, OR ANY THIRD PARTIES FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS MASTER AGREEMENT OR ANY SCHEDULE OR CONCERNING ANY EQUIPMENT, OR FOR ANY DAMAGES BASED ON STRICT OR ABSOLUTE TORT LIABILITY OR LESSOR'S NEGLIGENCE; PROVIDED, HOWEVER, THAT NOTHING IN THIS MASTER AGREEMENT SHALL DEPRIVE LESSEE OF ANY RIGHTS IT MAY HAVE AGAINST ANY PERSON OTHER THAN LESSOR. LESSOR AND LESSEE AGREE THAT THE LEASES SHALL BE GOVERNED BY THE EXPRESS PROVISIONS OF THIS MASTER AGREEMENT AND THE OTHER FUNDAMENTAL AGREEMENTS AND NOT BY THE CONFLICTING PROVISIONS OF ANY OTHERWISE APPLICABLE LAW. ACCORDINGLY, TO THE EXTENT PERMITTED BY APPLICABLE LAW, LESSEE WAIVES ANY RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UCC (INCLUDING, BUT NOT LIMITED TO, LESSEE'S RIGHTS, CLAIMS AND DEFENSES UNDER UCC SECTIONS 2A-303 AND 2A-508 THROUGH 2A-522) AND THOSE RIGHTS NOW OR HEREAFTER CONFERRED BY STATUTE OR OTHERWISE, IN EITHER CASE THAT ARE INCONSISTENT WITH OR THAT WOULD LIMIT OR MODIFY LESSOR'S RIGHTS SET FORTH IN THIS MASTER AGREEMENT.

19. LESSEE WARRANTIES. Lessee represents, warrants and covenants to Lessor with respect to each Lease that: (a) Lessee is an agency or department of, or a political subdivision of the state in which it is located; (b) Lessee has the power and authority to enter into each of the Fundamental Agreements; (c) all Fundamental Agreements are legal, valid and binding obligations of Lessee, enforceable against Lessee in accordance with their terms and do not violate or create a default under any instrument or agreement binding on Lessee; (d) there are no pending or threatened actions or proceedings before any court or administrative agency that could reasonably be expected to have a material adverse effect on Lessee or any Fundamental Agreement, unless such actions have been disclosed to Lessor and consented to in writing by Lessor; (e) Lessee shall comply in all material respects with all laws and regulations the violation of which could have a material adverse effect upon the Equipment or Lessee's performance of its obligations under any Fundamental Agreement; (f) each Fundamental Agreement shall be effective against all creditors of Lessee under applicable law, including fraudulent conveyance and bulk transfer laws, and shall raise no presumption of fraud; (g) all financial statements, certificates or summaries relating to Lessee's financial condition, fiscal budget or the assessment and collection of taxes and other related information furnished by Lessee shall be prepared in accordance with generally accepted accounting principles in the United States in effect at that time and shall fairly present Lessee's financial position as of the dates given on such statements; (h) since the date of the most recent annual financial statement, there has been no material adverse change in the financial condition of, or the level of assessment or collection of taxes by, the Lessee; (i) the Equipment, subject to the Lease, is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of its authority and will be used during the Term of the Lease only by Lessee and only to perform such function; (j) Lessee intends to use the Equipment for the entire Term of the Lease and all Equipment will be used for business purposes only and not for personal, family or household purposes; (k) Lessee has complied fully with all applicable law governing open meetings, public bidding and appropriations required in connection with the Lease and the acquisition of the Equipment; (l) there has been no material change in the budget for Lessee's current Fiscal Period since its adoption; (m) Lessee's obligations to pay Rent and any other amounts due under the Lease constitute a current expense and not a debt of Lessee under applicable state law; (n) no provision of the Lease constitutes a pledge of the tax or general revenues of Lessee; (o) Lessee does not export, re-export, or transfer any Equipment, Software, system software or source code or any direct product thereof to a prohibited destination, or to nationals of proscribed countries wherever located, without prior authorization from the United States government and other applicable governments; (p) Lessee does not use any Equipment, Software or system software or technology, technical data, or technical assistance related thereto or the products thereof in the design, development, or production of nuclear, missile, chemical, or biological weapons or transfer the same to a prohibited destination, or to nationals of proscribed countries wherever located, without prior authorization from the United States and other applicable governments; and (q) Lessee is not an entity designated by the United States government or any other applicable government with which transacting business without the prior consent of such government is prohibited.

20. DEFAULT. Any of the following shall constitute a default by Lessee (a "Lessee Default") under this Master Agreement and all Leases: (a) Lessee fails to pay any Rent payment or any other amount payable to Lessor under this Master Agreement or any Schedule within 10 days after its due date; or (b) Lessee defaults on or breaches any of the other terms and conditions of any Material Agreement, and fails to cure such breach within 10 days after written notice thereof from Lessor; or (c) any representation or warranty made by Lessee in any Material Agreement proves to be incorrect in any material respect when made or reaffirmed; or (d) any change occurs in relation to Lessee's financial condition that, in Lessor's opinion, would have a material adverse effect on Lessee's ability to perform its obligations under this Master Agreement or under any Schedule; or (e) Lessee becomes insolvent or fails generally to pay its debts as they become due; or (f) a proceeding under any bankruptcy, reorganization, arrangement of debt, insolvency or receivership law is filed by or against Lessee (and if such proceeding is involuntary, it is not dismissed within 60 days after the filing thereof) or Lessee takes any action to

authorize any of the foregoing matters; or (g) any letter of credit or guaranty issued in support of a Lease is revoked, breached, canceled or terminated (unless consented to in advance by Lessor); or (h) any Equipment is levied against, seized or attached.

21. REMEDIES. If a Lessee Default occurs, Lessor may, in its sole discretion, exercise one or more of the following remedies: (a) declare all amounts due and to become due during Lessee's current fiscal year under any or all Leases to be immediately due and payable; or (b) terminate this Master Agreement or any Lease; or (c) take possession of, or render unusable, any Equipment wherever the Equipment may be located, without demand or notice and without any court order or other process of law in accordance with Lessee's reasonable security procedures, and no such action shall constitute a termination of any Lease; or (d) require Lessee to deliver the Equipment to a location specified by Lessor; or (e) declare the Stipulated Loss Value for any or all Equipment to be due and payable as liquidated damages for loss of a bargain and not as a penalty and in lieu of any further Rent payments under the applicable Lease or Leases; or (f) proceed by court action to enforce performance by Lessee of any Lease and/or to recover all damages and expenses incurred by Lessor by reason of any Lessee Default; or (g) terminate any other agreement that Lessor may have with Lessee; or (h) exercise any other right or remedy available to Lessor at law or in equity. Also, Lessee shall pay Lessor (i) all costs and expenses that Lessor may incur to maintain, safeguard or preserve the Equipment, and other expenses incurred by Lessor in enforcing any of the terms, conditions or provisions of this Master Agreement (including reasonable legal fees and collection agency costs) and (ii) all costs incurred by Lessor in exercising any of its remedies hereunder (including reasonable legal fees). Upon repossession or surrender of any Equipment, Lessor will lease, sell or otherwise dispose of the Equipment in a commercially reasonable manner, with or without notice and at public or private sale, and apply the net proceeds thereof to the amounts owed to Lessor under this Master Agreement; provided, however, that Lessee will remain liable to Lessor for any deficiency that remains after any sale or lease of such Equipment. Any proceeds of any sale or lease of such Equipment in excess of the amounts owed to Lessor under this Master Agreement will be retained by Lessor. Lessee agrees that with respect to any notice of a sale required by law to be given, 10 days' notice will constitute reasonable notice. With respect to any exercise by Lessor of its right to recover and/or dispose of any Equipment or other Collateral securing Lessee's obligations under any Schedule, Lessee acknowledges and agrees as follows: (i) Lessor shall have no obligation, subject to the requirements of commercial reasonableness, to clean-up or otherwise prepare the Equipment or any other Collateral for disposition, (ii) Lessor may comply with any applicable state or federal law requirements in connection with any disposition of the Equipment or other Collateral, and any actions taken in connection therewith shall not be deemed to have adversely affected the commercial reasonableness of any such disposition, and (iii) Lessor may convey the Equipment and any other Collateral on an "AS IS, WHERE IS" basis, and without limiting the generality of the foregoing, may specifically exclude or disclaim any and all warranties, including any warranty of title or the like with respect to the disposition of the Equipment or other Collateral, and no such conveyance or such exclusion or such disclaimer of any warranty shall be deemed to have adversely affected the commercial reasonableness of any such disposition. These remedies are cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

22. PERFORMANCE OF LESSEE'S OBLIGATIONS. If Lessee fails to perform any of its obligations hereunder, Lessor may perform any act or make any payment that Lessor deems reasonably necessary for the maintenance and preservation of the Equipment and Lessor's interests therein; provided, however, that the performance of any act or payment by Lessor shall not be deemed a waiver of, or release Lessee from, the obligation at issue. All sums so paid by Lessor, together with expenses (including legal fees and costs) incurred by Lessor in connection therewith, shall be paid to Lessor by Lessee immediately upon demand.

23. TRUE LEASE; SECURITY INTEREST; MAXIMUM RATE. Each Lease is intended to be a "Finance Lease" as defined in Article 2A of the UCC, and Lessee hereby authorizes Lessor to file a financing statement to give public notice of Lessor's ownership of the Equipment. The parties' intent that each Lease be a "Finance Lease" within the meaning of Article 2A and the UCC shall have no effect on the characterization of any Lease for accounting purposes, which characterization shall be made by each party independently on the basis of generally accepted accounting principles in the United States in effect at the time. Lessee, by its execution of each Schedule, acknowledges that Lessor has informed it that (a) the identity of Seller is set forth in the applicable Schedule, (b) Lessee is entitled under Article 2A of the UCC to the promises and warranties, including those of any third party, provided to Lessor in connection with, or as a part of, the applicable Purchase Documents, and (c) Lessee may communicate with Seller and receive an accurate and complete statement of the promises and warranties, including any disclaimers and limitations of them or of remedies. If (1) notwithstanding the express intention of Lessor and Lessee to enter into a true lease, any Lease is ever deemed by a court of competent jurisdiction to be a lease intended for security, or (2) Lessor and Lessee enter into a Lease with the intention that it be treated as a lease intended as security by so providing in the applicable Schedule, then to secure payment and performance of Lessee's obligations under this Master Agreement and all Leases, Lessee hereby grants Lessor a purchase money security interest in the related Equipment and in all attachments, accessories, additions, substitutions, products, replacements, rentals and proceeds (including, without limitation, insurance proceeds) thereto as well as a security interest in any other equipment financed pursuant to this Master Agreement or any other agreement between Lessor and Lessee (collectively, the "Collateral"). In any such event, notwithstanding any provisions contained in this Master Agreement or in any Schedule, neither Lessor nor any Assignee shall be entitled to receive, collect or apply as interest any amount in excess of the maximum rate or amount permitted by applicable law. In the event Lessor or any Assignee ever receives, collects or applies as interest any amount in excess of the maximum amount permitted by applicable law, such excess amount shall be applied to the unpaid principal balance and any remaining excess shall be refunded to Lessee. In determining whether the interest paid or payable under any specific contingency exceeds the maximum rate or amount permitted by applicable law, Lessor and Lessee shall, to the maximum extent permitted under applicable law, characterize any non-principal payment as an expense or fee rather than as interest, exclude voluntary prepayments and the effect thereof, and spread the total amount of interest over the entire term of this Master Agreement and all Leases.

24. ASSIGNMENT. Lessor shall have the unqualified right to sell, assign, grant a security interest in or otherwise convey any part of its interest in this Master Agreement, any Lease or any Equipment, in whole or in part, without prior notice to or the consent of Lessee. If any Lease is sold, assigned, or otherwise conveyed, Lessee agrees that Lessor's purchaser, assignee or transferee, as the case may be ("Assignee") shall (a) have the same rights, powers and privileges that Lessor has under the applicable Lease, (b) have the right to receive from Lessee all amounts due under the applicable Lease; and (c) not be required to perform any obligations of Lessor, other than those that are expressly assumed in writing by such Assignee. Lessee agrees to execute such acknowledgements to such assignment as may be reasonably requested by Lessor or the Assignee. Lessee further agrees that, in any action brought by such Assignee against Lessee to enforce Lessor's rights hereunder, Lessee will not assert against such Assignee any set-off, defense or counterclaim that Lessee may have against Lessor or any other person. Unless otherwise specified by Lessor and the Assignee, Lessee shall continue to pay all amounts due under the applicable Lease to Lessor; provided, however, that upon notification from Lessor and the Assignee, Lessee covenants to pay all amounts due under the applicable Lease to such Assignee when due and as directed in such notice. Lessee further agrees that any Assignee may further sell, assign, grant a security interest in or otherwise convey its rights and interests under the applicable Lease with the same force and effect as the assignment described herein. Lessee may not assign, transfer, sell, sublease, pledge or otherwise dispose of this Master Agreement, any Lease, any Equipment or any interest therein.

25. FURTHER ASSURANCES. Lessee agrees to promptly execute and deliver to Lessor such further documents and take such further action as Lessor may require in order to more effectively carry out the intent and purpose of this Master Agreement and any Schedule. Without limiting the generality of the foregoing, Lessee agrees (a) to furnish to Lessor from time to time, its certified financial statements, officer's certificates and appropriate resolutions, opinions of counsel and such other information and documents as Lessor may reasonably request, and (b) to execute and timely deliver to Lessor such documents that Lessor deems necessary to perfect or protect Lessor's security interest in the Collateral or to evidence Lessor's interest in the Equipment. It is also agreed that Lessor or Lessor's agent may file as a financing statement, any lease document (or copy thereof, where permitted by law) or other financing statement that Lessor deems appropriate to perfect or protect Lessor's security interest in the Collateral or to evidence Lessor's interest in the Equipment. Upon demand, Lessee will promptly reimburse Lessor for any filing or recordation fees or expenses (including legal fees and costs) incurred by Lessor in perfecting or protecting its interests in any Collateral. Lessee represents and warrants that Lessee's name as set forth in the signature block below is Lessee's full and accurate legal name and that the information set forth on the first page hereof regarding its organization number, tax identification number and location is true and correct as of the date hereof. Lessee further agrees to provide Lessor advance written notice of any change in the foregoing.

26. TERM OF MASTER AGREEMENT; SURVIVAL. This Master Agreement shall commence and be effective upon the execution hereof by both parties and shall continue in effect until terminated by either party by 30 days prior written notice to the other, provided that the effective date of the termination is after all obligations of Lessee arising hereunder and pursuant to any Schedule have been fully satisfied. Notwithstanding the foregoing, all representations, warranties and covenants made by Lessee hereunder shall survive the termination of this Master Agreement and shall remain in full force and effect. All of Lessor's rights, privileges and indemnities under this Master Agreement or any Lease, to the extent they are fairly attributable to events or conditions occurring or existing on or prior to the expiration or termination of such Lease, shall survive such expiration or termination and be enforceable by Lessor and Lessor's successors and assigns.

27. WAIVER OF JURY TRIAL. LESSEE AND LESSOR HEREBY EXPRESSLY WAIVE ANY RIGHT TO DEMAND A JURY TRIAL WITH RESPECT TO ANY ACTION OR PROCEEDING INSTITUTED BY LESSOR OR LESSEE IN CONNECTION WITH THIS MASTER AGREEMENT OR ANY FUNDAMENTAL AGREEMENT.

28. NOTICES. All notices, requests, demands, waivers and other communications required or permitted to be given under this Master Agreement or any other Fundamental Agreement shall be in writing and shall be deemed to have been received upon receipt if delivered personally or by a nationally recognized overnight courier service, or by confirmed facsimile transmission, or 3 days after deposit in the United States mail, certified, postage prepaid with return receipt requested, addressed as follows (or such other address or fax number as either party shall so notify the other):

(a) Governing Law. THIS MASTER AGREEMENT AND EACH LEASE SHALL BE GOVERNED BY THE INTERNAL LAWS (AS OPPOSED TO CONFLICTS OF LAW PROVISIONS) OF THE STATE OF EQUIPMENT LOCATION.

(b) Credit Review. Lessee consents to a reasonable credit review by Lessor for each Lease.

(c) Captions and References. The captions contained in this Master Agreement and any Schedule are for convenience only and shall not affect the interpretation of this Master Agreement or any Lease. All references in this Master Agreement to Sections and Exhibits refer to Sections hereof and Exhibits hereto unless otherwise indicated.

(d) Entire Agreement; Amendments. This Master Agreement and all other Fundamental Agreements executed by both Lessor and Lessee constitute the entire agreement between Lessor and Lessee relating to the leasing of the Equipment, and supersede all prior agreements relating thereto, whether written or oral, and may not be amended or modified except in a writing signed by the parties hereto.

(e) No Waiver. Any failure of Lessor to require strict performance by Lessee, or any written waiver by Lessor of any provision hereof, shall not constitute consent or waiver of any other breach of the same or any other provision hereof.

(f) Lessor Affiliates. Lessee understands and agrees that Hewlett-Packard Financial Services Company or any affiliate or subsidiary thereof may, as lessor, execute Schedules under this Master Agreement, in which event the terms and conditions of the applicable Schedule and this Master Agreement as it relates to the lessor under such Schedule shall be binding upon and shall inure to the benefit of such entity executing such Schedule as lessor, as well as any successors or assigns of such entity. Lessee agrees that Lessor may disclose any information provided by Lessee to Lessor or created by Lessor in the course of administering the Material Agreements to any parent or affiliate of Lessor.

(g) Invalidity. If any provision of this Master Agreement or any Schedule shall be prohibited by or invalid under law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Master Agreement or such Schedule.

(h) Counterparts. This Master Agreement may be executed in counterparts, which collectively shall constitute one document.

(i) Lessor Reliance. Lessor may act in reliance upon any instruction, instrument or signature reasonably believed by Lessor in good faith to be genuine. Lessor may assume that any employee of Lessee who executes any document or gives any written notice, request or instruction has the authority to do so.

(j) Electronic Signature. Lessor and Lessee agree that: (I) this Master Agreement and any other Material Agreement may be executed by electronic signature ("Electronic Document") initiated through any mutually agreed commercial electronic signature provider to Lessee's authorized signatory's password-protected access email address that Lessee has identified to Lessor; (ii) any electronic signatures appearing on any Electronic Document shall have the same force and effect, and be considered for all purposes, as an original ink signature; and (III) if the terms set forth in any Electronic Document evidence both a monetary obligation and a security interest in, or a lease of, specific goods and/or software license used in the goods, then Lessor may cause the Electronic Document to be marked as the sole original copy and such marked copy will constitute "electronic chattel paper" in the sole custody and control of Lessor.
