The Division and the Contractor may terminate this Contract, in whole or in part, at any time, by mutual agreement in writing.

On termination of this Contract, all accounts and payments will be processed according to the financial arrangements set forth herein for approved and conforming Procurement Items ordered prior to date of termination. In no event shall the Eligible Users be liable to the Contractor for compensation for any Procurement Item neither requested nor accepted by an Eligible User. In no event shall the Division's exercise of its right to terminate this Contract for convenience relieve the Contractor of any liability to the Eligible Users for any damages or claims arising under this Contract.

15. **NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW:** Upon thirty (30) days written notice delivered to the Contractor, a purchase order that results from this Contract may be terminated in whole or in part at the sole discretion of an Eligible User, if an Eligible User reasonably determines that: (i) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract; or (ii) that a change in available funds affects an Eligible User's ability to pay under this Contract. A change of available funds as used in this paragraph includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor.

If a written notice is delivered under this section, an Eligible User will reimburse Contractor for the Procurement Item(s) properly ordered and/or properly performed until the effective date of said notice. If the repaired and/or replaced Procurement Item(s) prove to be inadequate, or fail its essential purpose, Contractor will refund the full amount of any payments that have been made. Nothing in this warranty will be construed to limit any rights or remedies an Eligible User may otherwise have under this Contract.

The CAL insurance policy must cover bodily injury and property damage liability and be applicable to all vehicles used in your performance of Services under this Agreement whether owned, non-owned, leased, or hired. The minimum liability limit must be \$1 million per occurrence, combined single limit. The CAL insurance policy is required if Contractor will use a vehicle in the performance of this Contract.
 - d. Other insurance policies required in the Solicitation.

Certificate of Insurance, showing up-to-date coverage, shall be on file with the State before the Contract may commence.

The State reserves the right to require higher or lower insurance limits where warranted. Failure to provide proof of insurance as required will be deemed a material breach of this Contract. Contractor's failure to maintain this insurance requirement for the term of this Contract will be grounds for immediate termination of this Contract.

19. **RESERVED.**

20. **PUBLIC INFORMATION:** Contractor agrees that this Contract, related purchase orders, related pricing documents, and invoices will be public documents and may be available for public and private distribution in accordance with the State of Utah's Government Records Access and Management Act (GRAMA). Except for sections identified in writing by Contractor and expressly approved by the Division, Contractor also agrees that the Contractor's Response will be a public document, and copies may be given to the public as permitted under GRAMA. The Division, the Eligible Users, and the State of Utah are not obligated to inform Contractor of any GRAMA requests for disclosure of this Contract, related purchase orders, related pricing documents, or invoices.

21. **DELIVERY:** All deliveries under this Contract will be F.O.B. destination with all transportation and handling charges paid for by Contractor. Responsibility and liability for loss or damage will remain with Contractor until final inspection and acceptance when responsibility will pass to an Eligible User, except as to latent defects or fraud. Contractor shall strictly adhere to the delivery and completion schedules specified in this Contract.

22. **ACCEPTANCE AND REJECTION:** An Eligible User shall have thirty (30) days after delivery of the Procurement Item(s) to perform an inspection of the Procurement Item(s) to determine whether the Procurement Item(s) conform to the standards specified in the Solicitation and this Contract prior to acceptance of the Procurement Item(s) by the Eligible User.

If Contractor delivers nonconforming Procurement Item(s), an Eligible User may, at its option and at Contractor's expense: (i) return the Procurement Item(s) for a full refund; (ii) require Contractor to promptly correct or replace the nonconforming Procurement Item(s); or (iii) obtain replacement Procurement Item(s) from another source, subject to Contractor being responsible for any cover costs. Contractor shall not redeliver corrected or rejected Procurement Item(s) without: first, disclosing the former rejection or requirement for correction; and second, obtaining written consent of the Eligible User to redeliver the corrected Procurement Item(s). Repair, replacement, and other correction and redelivery shall be subject to the terms of this Contract.

23. **INVOICING:** Contractor will submit invoices within thirty (30) days after the delivery date of the Procurement Item(s) to the Eligible User. The acceptance by Contractor of final payment, without a written protest filed with the Eligible User within ten (10) business days of receipt of final payment, shall release the Eligible User from all claims and all liability to the Contractor. An Eligible User's payment for the Procurement Item(s) and/or Services shall not be deemed an acceptance of the Procurement Item(s) and is without prejudice to any and all claims that the Eligible User may have against Contractor. Contractor shall not charge Eligible Users electronic payment fees of any kind.
25. **INDEMNIFICATION RELATING TO INTELLECTUAL PROPERTY:** Contractor will indemnify and hold the Division, the Eligible Users, and the State of Utah harmless from and against any and all damages, expenses (including reasonable attorneys' fees), claims, judgments, liabilities, and costs in any action or claim brought against the Division, the Eligible User, or the State of Utah for infringement of a third party's copyright, trademark, trade secret, or other proprietary right. The parties agree that if there are any limitations of Contractor's liability, such limitations of liability will not apply to this section.
26. **OWNERSHIP IN INTELLECTUAL PROPERTY:** The Division, the Eligible User, and Contractor each recognizes that each has no right, title, or interest, proprietary or otherwise, in the intellectual property owned or licensed by the other, unless otherwise agreed upon by the parties in writing. All Procurement Item(s), documents, records, programs, data, articles, memoranda, and other materials not developed or licensed by Contractor prior to the execution of this Contract, but specifically manufactured under this Contract shall be considered work made for hire, and Contractor shall transfer any ownership claim to the Eligible User.
27. **OWNERSHIP IN CUSTOM DELIVERABLES:** In the event that Contractor provides Custom Deliverables to the Eligible User, pursuant to this Contract, Contractor grants the ownership in Custom Deliverables, which have been developed and delivered by Contractor exclusively for the Eligible User and are specifically within the framework of fulfilling Contractor's contractual obligations under this contract. Custom Deliverables shall be deemed work made for hire, such that all intellectual property rights, title and interest in the Custom Deliverables shall pass to the Eligible User, to the extent that the Custom Deliverables are not recognized as work made for hire, Contractor hereby assigns to the Eligible User any and all copyrights in and to the Custom Deliverables, subject to the following:
 1. Contractor has received payment for the Custom Deliverables,
 2. Each party will retain all rights to patents, utility models, mask works, copyrights, trademarks, trade secrets, and any other form of protection afforded by law to inventions, models, designs, technical information, and applications ("Intellectual Property Rights") that it owned or controlled prior to the effective date of this contract or that it develops or acquires from activities independent of the services performed under this contract ("Background IP"), and
 3. Contractor will retain all right, title, and interest in and to all Intellectual Property Rights in or related to the services, or tangible components thereof, including but not limited to (a) all know-how, intellectual property, methodologies, processes, technologies, algorithms, software, or development tools used in performing the Services (collectively, the "Utilities"), and (b) such ideas, concepts, know-how, processes and reusable reports, designs, charts, plans, specifications, documentation, forms, templates, or output which are supplied or otherwise used by or on behalf of Contractor in the course of performing the Services or creating the Custom Deliverables, other than portions that specifically incorporate proprietary or Confidential Information or Custom Deliverables of the Eligible User (collectively, the "Residual IP"), even if embedded in the Custom Deliverables.
 4. Custom Deliverables, not including Contractor's Intellectual Property Rights, Background IP, and Residual IP, may not be marketed or distributed without written approval by the Eligible User.

Contractor agrees to grant to the Eligible User a perpetual, irrevocable, royalty-free license to use Contractor's Background IP, Utilities, and Residual IP, as defined above, solely for the Eligible User and the State of Utah to use the Custom Deliverables. The Eligible User reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for the Eligible User's and the State of Utah's internal purposes, such Custom Deliverables. For the Goods delivered that consist of Contractor's scripts and code and are not considered Custom Deliverables or Work Product, for any reason whatsoever, Contractor grants the Eligible User a non-exclusive, non-transferable, irrevocable, perpetual right to use, copy, and create derivative works from such, without the right to sublicense, for the Eligible User's and the State of Utah's internal business operation under this Contract. The Eligible User and the State of Utah may not participate in the transfer or sale of, create derivative works from, or in any way exploit Contractor's Intellectual Property Rights, in whole or in part.
28. **ASSIGNMENT:** Contractor may not assign, sell, transfer, subcontract or sublet rights, or delegate any right or obligation under this Contract, in whole or in part, without the prior written approval of the Division.
29. **REMEDIES:** Any of the following events will constitute cause for an Eligible User to declare Contractor in default of this Contract: (i) Contractor's non-performance of its contractual requirements and obligations under this Contract; or (ii) Contractor's material breach of any term or condition of this Contract. An Eligible User may issue a written notice of default providing a ten (10) day period in which Contractor will have an opportunity to cure. Time allowed for cure will not diminish or eliminate Contractor's liability for damages. If the default remains after Contractor has been provided the opportunity to cure, an Eligible User may do one or more of the following: (i) exercise any remedy provided by law or equity; (ii) terminate this Contract; (iii) impose liquidated damages, if liquidated damages are listed in this Contract; (iv) debar/suspend Contractor from receiving future contracts from the Division; or (v) demand a full refund of any payment that the Eligible User has made to Contractor under this Contract for Procurement Item(s) that do not conform to this Contract.

30. **FORCE MAJEURE:** Neither an Eligible User nor Contractor will be held responsible for delay or default caused by fire, riot, act of God, and/or war which is beyond that party's reasonable control. An Eligible User may terminate a purchase order resulting from this Contract after determining such delay will prevent Contractor's successful performance of this Contract.
31. **CONFIDENTIALITY:** If Confidential Information is disclosed to Contractor, Contractor shall: (i) advise its agents, officers, employees, partners, and Subcontractors of the obligations set forth in this Contract; (ii) keep all Confidential Information strictly confidential; and (iii) not disclose any Confidential Information received by it to any third parties. Contractor will promptly notify an Eligible User of any potential or actual misuse or misappropriation of Confidential Information.

Contractor shall be responsible for any breach of this duty of confidentiality, including any required remedies and/or notifications under applicable law. Contractor shall indemnify, hold harmless, and defend the Eligible User, including anyone for whom the Eligible User is liable, from claims related to a breach of this duty of confidentiality, including any notification requirements, by Contractor or anyone for whom the Contractor is liable.

Upon termination or expiration of this Contract, Contractor will return all copies of Confidential Information to the Eligible User or certify, in writing, that the Confidential Information has been destroyed. This duty of confidentiality shall be ongoing and survive the termination or expiration of this Contract.

32. **LARGE VOLUME DISCOUNT PRICING:** Eligible Users may seek to obtain additional volume discount pricing for large orders provided Contractor is willing to offer additional discounts for large volume orders. No amendment to this Contract is necessary for Contractor to offer discount pricing to an Eligible User for large volume purchases.
33. **ELIGIBLE USER PARTICIPATION:** Participation under this Contract by Eligible Users is voluntarily determined by each Eligible User. Contractor agrees to supply each Eligible User with Procurement Items based upon the same terms, conditions, and prices of this Contract.
34. **INDIVIDUAL CUSTOMERS:** Each Eligible User that purchases Procurement Items from this Contract will be treated as individual customers. Each Eligible User will be responsible to follow the terms and conditions of this Contract. Contractor agrees that each Eligible User will be responsible for their own charges, fees, and liabilities. Contractor shall apply the charges to each Eligible User individually. The Division is not responsible for any unpaid invoice.

2. Term of Master Agreement

2.1 Initial Term. See Master Agreement Section 1.

3. Order of Precedence

3.1 Order. See Section 1 of the Master Agreement.

4. Participants and Scope

4.1 Requirement for a Participating Addendum. Contractor may not deliver Goods and/or Services under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.

4.2 Applicability of Master Agreement. NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section 3. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (*e.g.*, purchase order) used by the Purchasing Entity to place the Order.

4.3 Authorized Use. Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

4.4 Obligated Entities. Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a

Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.

- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to _____ to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Goods and/or Services purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Goods and/or Services; sales of Goods and/or Services to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.
- 5.5 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than the end of the Initial Term after execution of the Master Agreement. the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.

6. Pricing, Payment & Leasing

6.1 Pricing. The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.

6.1.1 All prices and rates must be guaranteed for the Initial Term of the Master Agreement.

6.1.2 Following the Initial Term of the Master Agreement, any request for a price or rate adjustment must be made at least 60 days prior to the effective date.

6.1.4 No retroactive adjustments to prices or rates will be allowed.

6.2 Payment. Unless otherwise agreed upon in a Participating Addendum or Order, payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

6.3 Leasing or Alternative Financing Methods. The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Goods under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

7. Ordering

7.1 Order Numbers. Master Agreement and Purchase Order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.

7.2 Quotes. Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be

RFP S-10700-00001200 and Master Agreement #PO-10700-00015853– Parks & Recreation and Playground Equipment, Installations and Related Goods & Services

used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of Goods contemplated by this Master Agreement.
- 7.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.
- 7.5 Term of Purchase.** Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.
 - 7.5.1** Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement.
 - 7.5.2** Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.
 - 7.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
 - 7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.
 - 7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.
 - 7.5.6** If an ordered item is out of stock, Contractor shall notify the Participating Entity for prior approval before substituting the out-of-stock item. The practice of Forced Substitution will not be accepted.

7.8 Contract Provisions for Orders Utilizing Federal Funds. Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery, as set forth in Exhibit No. 4 and as may be applicable to the specific Contract. Additional federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

8. Shipping and Delivery

8.1 Shipping Terms. All deliveries will be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor.

8.1.1 Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.

8.2 Minimum Shipping. The minimum shipment amount, if any, must be contained in the Master Agreement. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered will be shipped without charge.

- 8.4 Packaging.** All Goods must be delivered in the manufacturer's standard package. Costs must include all packing and/or crating charges. Cases must be of durable construction, in good condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton must be marked with the commodity, brand, quantity, item code number and the Purchasing Entity's Purchase Order number.

9. Inspection and Acceptance

- 9.1 Laws and Regulations.** Any and all Goods and/or Services offered and furnished must comply fully with all applicable Federal, State, and local laws and regulations, as may be adopted or modified from time to time.
- 9.2 Applicability.** Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section 9 will apply. This section is not intended to limit rights and remedies under the applicable commercial code.

Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.
- 9.3.1** Goods that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the Contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when Goods are put to use.
- 9.3.2** Acceptance of such Goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Goods rejected and returned, or for which Acceptance is revoked.

this Master Agreement or in any Contract, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to requirements in this Master Agreement or in any Contract and reduce the Contract price to reflect the reduced value of Services performed.

9.5 Acceptance Testing. Purchasing Entity may establish a process, in keeping with industry standards, to ascertaining whether the Goods and/or Services meet the specifications prior to Acceptance by the Purchasing Entity.

9.5.1 The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day the Services are performed and the day after the Good is delivered or, if installed by Contractor, the day after the Good is installed and Contractor certifies that the Good is ready for Acceptance Testing.

9.5.2 If the Good and/or Service does not meet the specifications, Purchasing Entity may, at its discretion, reject the Good and/or Service or continue Acceptance Testing on a day-to-day basis until the specifications are met.

9.5.3 Upon rejection, the Contractor will have fifteen (15) calendar days to cure. If after the cure period, the Good and/or Service still has not met the specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Good or reperformance of the Service from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.

9.5.4 Contractor shall pay all costs related to the preparation and shipping of Goods returned pursuant to the section.

9.5.5 No Good and/or Service will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

10. Warranty

and manufactured in a commercially reasonable manner, (e) the Good is free of defects, and (f) the Services will meet or exceed all requirements.

10.3 Breach of Warranty. Upon breach of the warranty set forth above, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Good whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Good proves to be inadequate, or fails of its essential purpose, the Contractor will refund the full amount of any payments that have been made.

10.4 Rights Reserved. The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

10.5 Warranty Period Start Date. The warranty period will begin upon Acceptance, as set forth in Section 9.

11. Title to Goods

11.1 Conveyance of Title. Upon Acceptance by the Purchasing Entity, Contractor shall convey to Purchasing Entity title to the Good free and clear of all liens, encumbrances, or other security interests.

11.2 Embedded Software. Transfer of title to the Good must include an irrevocable and perpetual license to use any Embedded Software in the Good. If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Good title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

11.3 License of Pre-Existing Intellectual Property. Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Good, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Good and/or Service or its use infringes Intellectual Property rights of another person or entity ("Intellectual Property Claim").

12.2.1 The Contractor's obligations under this section will not extend to any combination of the Good with any other product, system or method, unless the Good, system or method is:

12.2.1.1 provided by the Contractor or the Contractor's subsidiaries or affiliates;

12.2.1.2 specified by the Contractor to work with the Good;

12.2.1.3 reasonably required to use the Good in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or

12.2.1.4 reasonably expected to be used in combination with the Good.

12.2.2 The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible.

12.2.3 The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of the Intellectual Property Claim and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by

Copies of renewal certificates of all required insurance will be furnished within thirty (30) days after any renewal date to the applicable state Participating Entity. Failure to provide evidence of coverage may, at the sole option of the Lead State, or any Participating Entity, result in this Master Agreement's termination or the termination of any Participating Addendum.

13.8 Disclaimer. Insurance coverage and limits will not limit Contractor's liability and obligations under this Master Agreement, any Participating Addendum, or any Purchase Order.

14. General Provisions

14.1 Records Administration and Audit

Provisions Required by Federal Law

As may be applicable to a specific Contract, Contractor shall comply with all federal law, regulations and executive orders, as indicated, and shall cause all subcontractors to comply with all federal law, regulations and executive orders including the following. For purposes of this Master Agreement, all references to federal laws are references to federal laws as they may be amended from time to time.

1. Equal Employment Opportunity. If this Master Agreement, including amendments, is for more than \$10,000, then Contractor shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR Part 60). The Executive Order prohibits contractors and federally-assisted construction contractors and subcontractors who do over \$10,000 in Government business in one year from discriminating in employment decisions on the basis of race, color, religion, sex, or national origin. The Executive Order also requires contractors to take affirmative action to ensure that equal opportunity is provided in all aspects of their employment.

During the performance of the Master Agreement, Contractor agrees as follows:

- 1.1** Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- 1.2** Contractor will, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.
- 1.3** Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with Contractor's legal duty to furnish information.
- 1.4** Contractor will send to each labor union or representative of workers with which Contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 1.5** Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

1.7 In the event of Contractor's noncompliance with the nondiscrimination clauses of this Master Agreement or with any of the said rules, regulations, or orders, this Master Agreement may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

1.8 Contractor will include the portion of the sentence immediately preceding subsection 1.1 and the provisions of subsection 1.1 through subsection 1.8 in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency Contractor may request the United States to enter into such litigation to protect the interests of the United States.
