WHEREAS, Participating State is a member of the NASPO ValuePoint Purchasing Program; and

WHEREAS, Participating State desires to participate in Contractor's offering the goods and services under the Master Agreement subject to the terms and conditions of this Participating Addendum;

NOW, THEREFORE, in consideration of the foregoing recitals, the receipt and sufficiency of which are hereby conclusively acknowledged, the Parties hereby agree as follows:

1. Scope. This Participating Addendum governs Participating State's participation in the Master Agreement by and between Contractor and Lead State. This Participating Addendum shall cover all of the Products and Services offered by Contractor to Participating State under the Master Agreement. The Parties agree that the terms and conditions of the Master Agreement shall be subject to the terms and conditions of this Participating Addendum.

2. Incorporation of Master Agreement. The terms and conditions of the Master Agreement are attached hereto as Schedule 1 and incorporated herein by reference. All undefined capitalized terms used herein shall have the same meanings assigned to them in the Master Agreement. Certain other capitalized terms are defined elsewhere within the text of this Participating Addendum and, throughout this Participating Addendum, those terms shall have the meanings respectively ascribed to them. In the event of any conflict or inconsistency between the terms and conditions of this Participating Addendum and any terms and conditions set forth in the Master Agreement, the terms and conditions of this Participating Addendum shall prevail.

3. Participation; Authorized Purchasers. The Products and Services available for purchase under the Master Agreement by way of this Participating Addendum may be ordered and purchased by all departments, divisions, or other executive agencies eligible to use statewide contracts within the State of New Hampshire (each, an "Authorized Purchaser"). Contractor shall not accept, and Participating State shall not be obligated to pay for, Orders from any person or entity that is not authorized by Participating State to order or purchase any of the Products and Services offered by Contractor under this Participating Addendum and the Master Agreement. All determinations of eligibility to participate in the Master Agreement through this Participating Addendum are solely within the authority of Participating State's Procurement Officer identified in Section 14(b) below.

4. Effective Date of Participating Addendum. Notwithstanding any terms and conditions in the Master Agreement to the contrary, this Participating Addendum is subject to the approval of the Governor and Executive Council of the State of New Hampshire, and Participating State shall not be bound by the terms and conditions of this Participating Addendum or the Master Agreement until the date of such approval (the "Participating Addendum Effective Date").

5. Term. The term of this Participating Addendum shall begin on the Participating Addendum Effective Date and end on February 28, 2029, unless terminated earlier in accordance with the terms and conditions of the Master Agreement or this Participating Addendum. In the event that Lead State and Contractor agree to extend the term of the Master Agreement, then Participating State shall have the option to extend the term of this Participating Addendum for an additional term not to exceed the extended term of the Master Agreement.

6. Funds Available and Authorized; Non-Appropriation. Participating State's obligations under this Participating Addendum and the Master Agreement are subject to the availability of sufficient legislative appropriations allotments, or other expenditure authority and, if Participating State is expending federal funds, the availability of such federal funds. In the event of the reduction, elimination, or modification of the appropriation or availability of funding for this Participating Addendum, in whole or in part, Participating State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate this Participating Addendum immediately upon written notice to Contractor.

7. Orders. Any Order placed by Participating State for the Products and Services available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement, subject to the terms and conditions of this Participating Addendum, unless the parties to the order agree in writing that another contract or agreement applies to such order.

8. Non-Exclusivity. This Participating Addendum is not exclusive, and Participating State may acquire the Products and Services available under the Master Agreement and this Participating Addendum from other third parties.

9. Independent Contractor. Contractor shall act at all times as an independent contractor, and not as an agent or employee of the Participating State, in the performance of its obligations under this Participating Addendum and the Master Agreement. Contractor shall not have any authority to legally bind Participating State. Neither Party shall make any statements, representations, or commitments of any kind or to take any action binding on the other except as expressly provided for herein or authorized in writing by the Party to be bound.

10. Invoice Requirements.

c. Participating State may request Contractor for additional documentation to support payment of any invoice. Contractor shall respond to any such reasonable requests within ten (10) calendar days of receipt. Participating State's payment obligations are conditioned upon receipt of an invoice that complies with this Section 10.

d. Participating State's payment will not be due until thirty (30) calendar days after the receipt of an invoice that complies with this Section 10.

11. Audits. In the event Participating Entity audits Contractor per its rights set out in Section 14.1 of the Master Agreement then the following shall apply:

- a. In calculating any underpayment or overpayment, Participating Entity shall be required to offset any undercharges against overcharges.
- b. In the event that Participating Entity wishes to engage a third party auditor to perform any audits under this Participating Addendum or related to an RFP, such third party auditor must execute a confidentiality agreement with Contractor in a form acceptable to Contractor. Contractor reserves the right to reject any third party auditor that Contractor reasonably believes will use its

confidential and proprietary pricing and methods in any manner for the benefit of the third party auditor, such as benchmarking, and/or the benefit of Contractor's competitors.

12. Warranty. Notwithstanding the warranty requirements set out in Section 10.2 of the Master Agreement, the following shall apply to each Product purchased by the Participating Entity under this Participating Addendum:

a. Products supplied by Contractor that are obtained by Contractor from an original manufacturer or third party supplier are not warranted by Contractor, but Contractor agrees to assign to Participating Entity any warranty rights in such Product that Contractor may have from the original manufacturer or third party supplier, to the extent such assignment is allowed by such original manufacturer or third party supplier. In no event shall Contractor have any obligation to make repairs, replacements or corrections required, in whole or in part, as the result of (i) normal wear and tear, (ii) accident, disaster or event of force majeure, (iii) misuse, fault or negligence of or by Participating Entity, (iv) use of the Products in a manner for which they were not designed, (v) causes external to the Products such as, but not limited to, power failure or electrical power surges, (vi) improper storage and handling of the Products or (vii) use of the Products in combination with equipment or software not supplied by Contractor.

13. Termination; Default and Remedies.

a. Termination for Convenience. Participating State may terminate this Participating Addendum, including any unfulfilled Orders made hereunder, in whole or in part, at any time without cause by providing Contractor with thirty (30) calendar days' advance written notice.

b. Termination for Cause. In the event that Contractor fails to perform under this Participating Addendum, including any Orders made hereunder, or fails to comply with any of the terms or conditions of this Participating Addendum, and fails within sixty (60) days of written notice specifying the nature of the breach, to cure such breach, then the Participating State may, in its sole and absolute discretion, immediately terminate all or any part of this Participating Addendum, including any unfulfilled Orders made hereunder.

c. Other Remedies Preserved. Termination is not Participating State's exclusive remedy but will be in addition to any other rights and remedies available in law or in equity under this Participating Addendum and the Master Agreement. The exercise of any remedies hereunder will not constitute a termination of this Participating Addendum unless Participating State notifies Contractor in writing prior to the exercise of such remedy. Contractor shall also be liable for all costs and expenses, including attorney's fees and court costs, incurred by Participating State in enforcing the terms and conditions of this Participating Addendum.

d. No Liability Upon Termination. If this Participating Addendum is terminated for any reason, Participating State shall not be liable to Contractor for any damages arising from or related to the termination. In the event that Participating State terminates this Participating Addendum, Participating State shall not be liable to Contractor for any reason, except for the payment of the Products and Services ordered hereunder that are performed or delivered and accepted, as the case may be, in accordance with all terms and conditions of this Participating Addendum.

14. Access to Records. Contractor will maintain all fiscal records relating to this Participating Addendum in accordance with generally accepted accounting principles and will maintain all other records relating to this Participating Addendum in such a manner as to clearly document Contractor's performance hereunder. Participating State shall have access to such fiscal books and records of Contractor which relate to

this Participating Addendum to perform examination and audits. Contractor will retain and keep accessible all such fiscal books and records writings for a minimum of six (6) years, or such longer period as may be required by applicable law following final payment and termination of this Participating Addendum, or until the conclusion of any audit, controversy, or litigation arising out of or related to this Participating Addendum, whichever date is later.

15. Public Information.

a. Application of Right-to-Know Law. Participating State's obligations of confidentiality, if any, under the Master Agreement and this Participating Addendum are subject to disclosure pursuant to the New Hampshire Right-to-Know Law codified at RSA 91-A. Notwithstanding the terms and conditions set forth in Section 15(b) below, Participating State shall have the sole and final authority as to whether the disclosure of any information relating to the transactions contemplated in this Participating Addendum or the Master Agreement is required under RSA 91-A.

b. Contractor's Designation of Trade Secrets and Confidential Information. If Contractor considers any portion of the materials disclosed to Participating State to be confidential or protected as a trade secret, Contractor must clearly designate that portion of the material as "CONFIDENTIAL," "TRADE SECRET," or any other language of similar import when submitted to Participating State. In the event that Participating State receives any request made pursuant to RSA 91-A that seeks the disclosure of materials designated by Contractor as being confidential or protected as a trade secret, and Participating State determines that the provisions of 91-A require the disclosure of the materials so designated, Participating State will notify Contractor of the following:

- i. The scope of the information sought through the request;
- ii. A description of the materials that Participating State will disclose in response to the request;
- iii. A description of the materials, if any, that are exempt from disclosure under the Right-to-Know Law pursuant to RSA 91-A:5 or any other applicable exception or exemption to the Right-to-Know Law; and
- iv. The date upon which Participating State will disclose the materials to the RSA 91-A requestor.

If Participating State concludes that the disclosure of materials designated by Contractor as being confidential or protected as a trade secret is required under RSA 91-A, Contractor shall be responsible for taking whatever appropriate legal action it deems necessary to prevent such disclosure to the RSA 91-A requestor. Notwithstanding the preceding sentence, any and all claims against Participating State pursuant to RSA 91-A are subject to the terms and conditions set forth in Sections 20 through 22 of this Participating Addendum to the fullest extent permitted by law.
