NOW, THEREFORE, in consideration of the foregoing recitals, the receipt and sufficiency of which are hereby conclusively acknowledged, the Parties hereby agree as follows:

1. Scope. This Participating Addendum governs Participating State's participation in the Master Agreement by and between Contractor and Lead State. Except as otherwise stated herein, this Participating Addendum shall cover all of the Products, Services, and pricing, offered by Contractor to Participating State under the Master Agreement and the rights and obligations set forth therein as applied to the Contractor and Participating State. For the avoidance of doubt, the Master Agreement contains Minnesota statutory requirements applicable only to the Lead State. Such provisions are not applicable to any Participating Entity other than the Lead State.

2. Incorporation of Master Agreement. The terms and conditions of the Master Agreement are attached hereto as Schedule 1 and incorporated herein by reference. All undefined capitalized terms used herein shall have the same meanings assigned to them in the Master Agreement. A Participating Entity is financially obligated only for Orders made by the Participating Entity as a Purchasing Entity and not for Orders placed by any other Purchasing Entity.

4. Effective Date of Participating Addendum. Notwithstanding any terms and conditions in the Master Agreement to the contrary, this Participating Addendum is subject to the approval of the Governor and Executive Council of the State of New Hampshire, and Participating State shall not be bound by the terms and conditions of this Participating Addendum or the Master Agreement until the date of such approval (the "Participating Addendum Effective Date"). By Participating State signing this Participating Addendum, Participating State acknowledges that it has obtained approvals by appropriate officials in accordance with applicable New Hampshire laws and regulations.

5. Term. The term of this Participating Addendum shall begin on the Participating Addendum Effective Date and end on June 30, 2025, unless terminated earlier in accordance with the terms and conditions of the Master Agreement or this Participating Addendum. In the event that Lead State and Contractor agree to extend the term of the Master

Agreement, then Participating State shall have the option to extend the term of this Participating Addendum for an additional term not to exceed the extended term of the Master Agreement.

6. Funds Available and Authorized; Non-Appropriation. Participating State's obligations under this Participating Addendum and the Master Agreement are subject to the availability of sufficient legislative appropriations allotments, or other expenditure authority and, if Participating State is expending federal funds, the availability of such federal funds. c. Participating State's payment will not be due until thirty (30) calendar days after the invoice date. If the Parties mutually agree that there is a bona fide dispute regarding inaccurate quantity or the calculation of the total price of the Products and Services for which payment is sought, payment under dispute will not be due until the dispute is resolved by the Parties in good faith.

9. No Liability Upon Termination. In the event that Participating State terminates this Participating Addendum, Participating State shall not be liable to Contractor for any reason, except for: 1) the payment of the Products and Services ordered hereunder that are performed or delivered, and 2) surviving obligations listed under Section 9 of Master Agreement.

3. **Term of the Master Agreement.**

a. The initial term of this Master Agreement is for 2 years from the date of effective date of the Master Agreement. This Master Agreement may be extended beyond the initial term for 36 additional months at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance.

b. The Master Agreement may be extended for a reasonable period of time if in the judgment of the Lead State a follow-on, competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection shall not be deemed to limit the authority of a Lead State under its state law otherwise to negotiate contract extensions.

Unless otherwise stated in the Participating Addendum, the term of any Participating Addendum shall be concurrent with the Master Agreement.

4. **Amendments.**

The terms of this Master Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without a written amendment to the Master Agreement executed by the Contractor and Lead State.

5. **Participants and Scope.**

Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

d. Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. A Participating Entity is financially obligated only for Orders made by the Participating Entity as a Purchasing Entity and not for Orders placed by any other Purchasing Entity. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation.

e. NASPO and NASPO ValuePoint are not parties to the Master Agreement.

f. Any such language shall be void and of no effect.

g. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent to participation by the Chief Procurement Official of the state where the Participating Entity is located and the Contractor. Participating Entity shall coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

h. Resale. Resale of any products purchased under this Master Agreement is prohibited unless authorized in writing by Contractor's Authorized Representative.

6. Individual Customers.

Except to the extent modified by a Participating Addendum, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement, including but not limited to, any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

7. Independent Contractor.

The Contractor is an independent contractor. Contractor shall have no authorization, express or implied, to bind the Lead State, Participating States, other Participating Entities, or Purchasing Entities to any agreements, settlements, liability or understanding whatsoever, and agrees not to hold itself out as an agent except as expressly set forth herein or as expressly agreed in any Participating Addendum.

8. Contracting Personnel.

Contractor must provide adequate contracting personnel to assist states with the completing and processing Participating Addenda. It is preferred that each Contractor be able to provide each Participating Entity with a primary contact person for that Participating Entity.

9. Changes in Contractor Representation.

The Contractor must notify the Lead State of changes in the Contractor's key administrative personnel managing the Master Agreement in writing. The Contractor agrees to provide replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed and evaluated in the Contractor's proposal, as determined by the Contractor.

10. Contractor Verification.

The Contractor is responsible for delivering products or performing services under the terms and conditions set forth in the Master Agreement. The Contractor must ensure Apple Authorized Service Providers utilized in the performance of this contract adhere to applicable terms and conditions. A Participating Entity in its Participating Addendum may limit the usage of Apple Authorized Service Provider(s) in their jurisdiction and which Apple Authorized Service Provider(s) are used in their jurisdiction.

11. Contractor Performance Meeting.

An annual performance meeting may be held each year with the NASPO ValuePoint Sourcing Team. Historically performance meetings have been held in Minnesota, but the Lead State may hold the meetings in person or virtually at the Lead State's discretion.

All contractors that are invited to participate must send their Primary Account Representative, unless an exception is granted in writing by the Lead State. It is possible that not all contractors will be invited to participate in a performance meeting.

12. Laws and Regulations.

Any and all Products offered and furnished shall comply fully with all applicable Federal and State laws.

13. Price and Rate Guarantee Period.

Contractor's pricing for any order shall not exceed the then current Apple Education Price List. All minimum discounts off Contractor's identified baseline price list must be guaranteed for the initial term of the Master Agreement. Following the initial Master Agreement period, any adjustment to the minimum discount must be made through an amendment to the Master Agreement.

14. Premium Savings Package Program.

The Lead State reserves the right to create a Premium Savings Package Program (PSP) as outlined in the Definitions, Paragraph 2.ee of Exhibit A. Participation by Contractor is voluntary. The details and commitments of the PSP will be detailed as a part of any request for Contractor to participate.

15. Services.

Services are at the option of the Participating Entity. Services listed in the Apple Education Price List are subject to the terms of the Participating Addendum and shall be further described in a statement of work. Services not listed in the Apple Education Price List are outside of the scope of this Master Agreement.

a. Any Order placed by and shipped to a Participating Entity or Purchasing Entity for a Product and/or Service available from Contractor under the Master Agreement and applicable Participating Addendum shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement and applicable Participating Addendum.

b. Purchasing Entity may order Products from Contractor by either: (i) ordering electronically through the online portal managed by Contractor, (ii) submitting a purchase order to Contractor, as permitted by Contractor, or (iii) by any other means communicated by Contractor. Purchasing Entity is solely responsible for all purchase decisions, including but not limited to, ensuring the compatibility and appropriateness of all Products. All purchases of Products under this Master Agreement shall be made solely for Purchasing Entity's end use and not for resale. In the event purchasing entity submits orders via an online portal managed by Contractor, Purchasing Entity may also be subject to Contractor's sales policies and the Terms of Use and Privacy Policy located on such online portal. Contractor agrees that the Sales and Return Policies posted on the Apple Store for Education applies to all Purchasing Entities under this Master Agreement.

c. Contractor may change Product offerings and pricing at any time and without notice, provided that any such update is done consistent with the requirements of this Agreement. Prices include standard freight and insurance using a Contractor-selected carrier. Contractor does not guarantee that Products will be available at all times during the Term. Contractor reserves the right to accept or decline any order, in whole or in part. Contractor may cancel any accepted order prior to shipment, if in its sole discretion, Contractor determines that it has insufficient inventory to fulfill such order. Contractor may make partial shipments of Purchasing Entity's orders and will not be liable for any failure to ship complete orders provided Contractor gave reasonable notice to the Purchasing Entity. Purchasing Entity will be invoiced separately for each partial shipment and will pay each invoice when due, without regard to subsequent deliveries. Contractor will allocate its available inventory and make deliveries (including partial shipments) in its sole discretion and without liability to Purchasing Entity.

17. Trade-In.

Trade-Ins are allowed only if authorized by the Participating Entity in a Participating Addendum. If allowed, trade-ins are at the option of the Purchasing Entity and Contractor.

18. Shipping and Delivery.

a. The prices are the delivered price to any Purchasing Entity. All deliveries shall be FOB Destination. Delivery shall be freight prepaid and allowed (with freight included in the price) to the address, receiving dock or warehouse as specified in the Purchasing Entity's purchase order, unless Purchasing Entity requests to use a carrier that is not a Contractor-designated shipping provider. In those situations in which the "deliver-to" address has no receiving dock or agents, the Contractor must deliver to the person specified on the PO without additional cost. When using a Contractor-designated freight or shipping provider, Contractor will issue credits or replace Products returned due to damage in transit or that are lost in transit.

b. Specific delivery instructions, including FOB Inside Delivery, will be noted on the order form or Purchase Order and are only valid if accepted by Contractor. Contractor will notify the Purchasing Entity in advance of any additional charges for specific delivery instructions, including if Purchasing Entity's selection of a non-Contractor-designated freight provider will result in Contractor including additional charges on its invoice.

c. Costs shall include all packing and crating charges. Each shipment shall be marked and properly identify Purchasing Entity's provided shipping information.

19. Inspection and Acceptance.

a. Products shall be deemed accepted upon delivery, provided they conform to the Products ordered in the applicable purchase order or meet the specifications published on www.apple.com, as applicable. If Products do not meet the functionality specified on www.apple.com, Purchasing Entity may exercise its rights under Exhibit A, Section 21 (Warranty), as applicable. Products that do not conform to the Products ordered in the applicable purchase order may be returned at Contractor's expense.

b. Equipment Loan. Upon request, Contractor may provide certain Apple-branded hardware to a Purchasing Entity for evaluation purposes subject to the terms and conditions of an Apple Equipment Loan Agreement. Contractor shall make the terms and conditions of an Apple Equipment Loan Agreement available to Purchasing Entities for review prior to issuance of an Order.

c. The warranty period shall begin upon shipment.

20. Title of Product.

a. **Ownership.** Any ideas, concepts, inventions, know-how, data-processing techniques, software or documentation developed by Contractor personnel (alone or jointly with Purchasing Entity) in connection with Services provided to Purchasing Entity ("Contractor Information") will be the exclusive property of Contractor, except to the extent that such items are a derivative of Purchasing Entity's property. Contractor grants Purchasing Entity a non-exclusive, royalty-free, non-transferable (without right to sublicense) license to use the software or other proprietary rights in Services developed under the Agreement. Contractor may provide Purchasing Entity with specific, customized or unique suggestions or information as part of the Services developed by Contractor, which suggestions or information do not have application to other Purchasing Entities ("Purchasing Entity-Owned Information"). Contractor will identify all Purchasing Entity-Owned Information and furnish that information to Purchasing Entity subject to the qualifications set forth in this Agreement, and Purchasing Entity will own all of Contractor's right(s), title and interest in the Purchasing Entity-Owned Information. Purchasing Entity hereby grants Apple a non-exclusive, perpetual, irrevocable, royalty-free, fully paid-up, transferable and sublicensable license to use, practice and exploit all Purchasing Entity-Owned Information in connection with any Products.

b. Any and all licensing, maintenance, or order specific agreements referenced within the terms and conditions of this Master Agreement are agreed to only to the extent that the terms do not conflict with the Purchasing Entity's applicable laws.

c. **Use of Name.** Neither party shall use the other's name, logo, trademarks or service marks in any advertising, communications or publications without the other party's prior written consent except for the use of Apple's name for purposes of this Master Agreement.

d. **Software.** Products often contain not only hardware but also software, including but not limited to, operating systems and applications. Such software may be included in ROMs or other semiconductor chips embedded in hardware, or it may be contained separately on disks or on other media. Such software is proprietary, copyrighted, and may also contain valuable trade secrets and is protected by patents. Purchasing Entity, as an end user, is licensed to use any software contained in such Products, subject to the terms of the software license(s) accompanying the Products, if any, and the applicable patent, trademark, copyright, and other intellectual property, federal and state laws of the United States.

e. **Restrictions.** Unless Purchasing Entity has obtained Contractor's prior written consent, Purchasing Entity, in addition to any obligations or restrictions set forth in any software license which may accompany a Product, shall not copy the software if the software is not in the public domain. Purchasing Entity shall not disassemble, decompile, reverse engineer, copy, modify, create derivative works thereof or otherwise change any of the software or its form.

f. Notwithstanding anything to the contrary, in the event of a conflict or inconsistency between the terms of this Master Agreement and any software license, the terms of the software license shall control solely as to the software covered by that license to the extent any terms of the software license are not in conflict with Purchasing Entity's applicable governing law.

21. Warranty.

The sole warranty for a Contractor Product purchased hereunder shall be the Limited Warranty. Except for the Limited Warranty, all Contractor Products are sold ""as is"" and without additional warranty or support from Contractor. All Products, other than Contractor Products, are sold ""as is"" and without warranty or support from Contractor, but may be accompanied by a manufacturer's warranty, as more particularly provided in the warranty documentation that accompanies such Products. Upon Purchasing Entity's request, Contractor will provide a copy of the manufacturer's warranty accompanying Products offered by Contractor under this Master Agreement or Participating Addendum.

Nothing in this Master Agreement or Participating Addendum shall be construed as obligating Contractor to provide any warranty-related fulfillment or support for any Products, other than Contractor Products.

EXCEPT FOR THE LIMITED WARRANTY, APPLE MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS OR SERVICES, AND TO THE MAXIMUM EXTENT PROVIDED BY LAW, APPLE HEREBY DISCLAIMS SUCH WARRANTIES, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Contractor Products are not intended or suitable for use in situations or environments where the failure or time delays of, or errors or inaccuracies in, the content, data or information provided by Contractor Products could lead to death, personal injury, or severe physical or environmental damage, including without limitation the operation of nuclear facilities, aircraft navigation or communications systems, air traffic control, life support or weapons systems.

22. System Failure or Damage.

Intentionally deleted.

23. Payment.

Payment is due no later than 30 days from the invoice date. After 45 days from the delivery date the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum, Order, or otherwise prescribed by applicable law.

Payments will be remitted by mail or electronically. Payments may be made via a State or political subdivision "Purchasing Card" presented at time of order, with no additional charge.

Contract prices are exclusive of taxes, duties, and fees. All applicable local sales or use taxes, duties and other imposts, if any, due on account of purchases hereunder shall be paid by Purchasing Entities. Proof of tax-exempt status must be on file at Apple's Support Center for any order to be treated as a tax-exempt transaction.

24. Leasing or Alternative Financing Methods.

Participating Entities or Purchasing Entities that have the authority may finance their purchases through a lease agreement with Contractor. If financing is through a lease agreement, that agreement is separate from this Master Agreement or any Participating Addendum and is between Contractor and the Participating Entity or Purchasing Entity.

25. Contract Provisions for Orders Utilizing Federal Funds.

Intentionally Deleted.

26. Self Audit.

The Contractor must conduct, at a minimum, a quarterly self-audit, unless approved by the Lead State. The audit will sample a minimum of one tenth of one percent (.001) of orders with a maximum of 100 audits per quarter conducted. For example: Up to 1,000 sales = 1 audit; 10,000 sales = 10 audits; Up to 100,000 sales = 100 audits. This will be a random sample of orders and invoices and must include documentation of pricing. Summary findings must be reported to Lead State with actions to correct documented findings.

27. Assignment/Subcontracts.

- a. Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, without the prior written approval of Lead State.

b. The Lead State, or Participating Entity, shall not assign, delegate or otherwise transfer all or any part of this Master Agreement without prior written approval from Contractor. Nothing in this section precludes NASPO or NASPO ValuePoint from carrying out contract administration duties as directed by the Lead State.

28. Insurance.

a. Contractor shall have the option to self-insure.

b. Contractor shall, during the term of this Master Agreement, maintain in full force and effect, the insurance described in this section. Contractor shall acquire such insurance from an insurance carrier or carriers licensed to conduct business in the Lead State and in each Participating Entity's state and having a rating of A-, Class VII or better, in the most recently published edition of A.M. Best's Insurance Reports. Failure to buy and maintain the required insurance may result in this Master Agreement's termination or, at a Participating Entity's option, result in termination of its Participating Addendum.

c. Coverage shall be written on an occurrence basis. The minimum acceptable limits shall be as indicated below:

1. Commercial General Liability covering premises operations, independent contractors, products and completed operations, blanket contractual liability, personal injury (including death), advertising liability, and property damage, with a limit of not less than \$1 million per occurrence/\$2 million general aggregate;

2. Contractor must comply with any applicable State Workers Compensation or Employers Liability Insurance requirements.

d. Contractor shall pay premiums on all insurance policies. Contractor shall provide notice to a Participating Entity within five (5) business days after Contractor is first aware of expiration, cancellation or nonrenewal of such policy or is first aware that cancellation is threatened or expiration, nonrenewal or expiration otherwise may occur.

e. Prior to commencement of performance, Contractor shall provide to the Participating Entity a certificate of insurance showing the Contractor's general liability insurance policy or other documentary evidence acceptable to the Lead State that (1) names the Participating Entity as an additional insured, (2) provides that written notice of cancellation shall be delivered in accordance with the policy provisions, and (3) provides that the Contractor's liability insurance policy shall be primary, with any liability insurance of any Participating Entity as secondary and noncontributory. Unless otherwise agreed in any Participating Addendum, other state Participating Entities' rights and Contractor's obligations are the same as those specified in the first sentence of this subsection except the endorsement is provided to the applicable state.

f. During the term of this Master Agreement, the Lead State and Participating Entities may request Contractor provide evidence of coverage (which may be a certificate of insurance) that meets the requirements of this Section. Failure to provide evidence of coverage may, at the sole option of the Lead State, or any Participating Entity, result in this Master Agreement's termination or the termination of any Participating Addendum.

g. Coverage and limits shall not limit Contractor's liability and obligations under this Master Agreement, any Participating Addendum, or any Purchase Order.

29. Administrative Fees.

a. The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee shall be submitted quarterly and is based on all net invoiced sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint

Administrative Fee is not negotiable. If a lower administrative fee percentage is agreed to in any other master agreement resulting from the State of Minnesota and NASPO ValuePoint Cooperative Procurement Program solicitation for Computer Equipment (Solicitation 29720), (i) Lead State will immediately notify Contractor of the lower administrative fee, and (ii) the administrative fee in this Master Agreement shall be adjusted for the subsequent calendar quarters to match the lower administrative fee. The administrative fee percentage and amounts due for the then-current calendar quarter and all previous quarters shall not be affected.

b. Reserved.

c. Additionally, some states may require an additional fee be paid directly to the state only on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Participating Entity may allow the Contractor to adjust the Master Agreement pricing to account for these additional fees for purchases made by Purchasing Entities within the jurisdiction of the Participating Entity.

30. NASPO ValuePoint Reports

a. Sales Data Reporting. In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall be required to comply with updated reporting requirements unless Contractor notifies the NASPO ValuePoint contact identified in NASPO ValuePoint's notice in writing within 30 calendar days of receiving such notice that Contractor is unable to comply. Contractor's notice shall include an explanation of why Contractor is unable to comply. Upon receipt by NASPO ValuePoint of Contractor's notice, NASPO ValuePoint and Contractor shall work in good faith to identify mutually acceptable alternative reporting requirements, during which time Contractor shall continue to submit reports in compliance with then-current reporting requirements. If, after 30 days from receipt of Contractor's written notice, NASPO ValuePoint and Contractor are unable to identify mutually acceptable reporting requirements, then Contractor shall comply with the updated reporting requirements identified by NASPO ValuePoint to the extent Contractor is able to. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided by NASPO ValuePoint. - e. Contractor acknowledges that the NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a logo use agreement is executed with NASPO ValuePoint.
- f. The Lead State expects to evaluate the utilization of the Master Agreement at the annual performance review. Lead State may, in its discretion, cancel the Master Agreement pursuant to Exhibit A, Section 42, or not exercise an option to renew, when Contractor utilization does not warrant further administration of the Master Agreement. The Lead State may exercise its right to not renew the Master Agreement if contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than two years after award of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement pursuant to Exhibit A, Section 42 or to terminate for default pursuant to Exhibit A, Section 44.
- g. Contractor agrees to notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in any Cooperative Purchasing Agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions. For the purposes of this paragraph, Cooperative Purchasing Agreement shall mean a cooperative purchasing program facilitating public procurement solicitations and agreements using a lead agency model. This does not include contracts with any federal agency or any federal contract.

32. Right to Publish.

Throughout the duration of this Master Agreement, neither party shall release information that pertains to the Master Agreement without prior written consent. This limitation does not preclude either party or NASPO's publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan, or release of information that is public or otherwise provided by a Participating Entity or Purchasing Entity.

33. Records Administration and Audit.

- a. The disclosure of records in Participating States relating to Participating addenda and orders placed against the Master Agreement shall be governed by the laws of the Participating State and entity who placed the order.
- b. The Contractor shall maintain relevant books, records, and documents directly related to purchases made by Purchasing Entities under to this Master Agreement and orders placed by Purchasing Entities under it to the extent and in such detail as shall adequately reflect performance and administration of payments and fees. Contractor shall permit the Lead State, a Participating Entity, a Purchasing Entity, the federal government (including its grant awarding entities and the U.S. Comptroller General) to the extent it's required by applicable federal law or rule, or is required in the grant for federal money used for purchases made under this Master Agreement, and any other duly authorized agent of a governmental agency, to audit, inspect, and examine, relevant documents, books and records directly related to purchases made by a Purchasing Entity under this Master Agreement for the purpose of making audits and examinations. Contractor shall maintain such books, records, and documents for a period of five (5) years from the date of invoice of the transaction to which such books, records and documents relate.

Any inspector or auditor acting on behalf of the Lead State shall comply with the confidentiality terms of this Master Agreement.

- c. Without limiting any other remedy available to any governmental entity, the Contractor shall reimburse the applicable Lead State, Participating Entity, or Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or orders or underpayment of fees found as a result of the examination of the Contractor's records.
- d. The rights and obligations herein exist in addition to any quality assurance obligation in the Master Agreement requiring the Contractor to self-audit contract obligations and that permits the Lead State to review compliance with those obligations.

34. Indemnification

Provided that Purchasing Entity promptly notifies Contractor in writing, gives Contractor sole control over the defense (as permitted by Purchasing Entity's applicable law), gives Contractor authority over all related settlement negotiations (consistent with Purchasing Entity's applicable law), and does not compromise or settle any claims, then subject to the terms of this paragraph and the exceptions and limitations set forth below, including but not limited to Exhibit A, Section 35, Contractor will defend any proceeding or action brought by a third party against Purchasing Entity to the extent based on a claim that: (i) an Apple Product that Purchasing Entity has paid to acquire from Contractor infringes a U.S. patent, copyright, trademark or misappropriates a U.S. trade secret; or (ii) personal injury or tangible property damage suffered by such third party was caused by Contractor's gross negligence or willful misconduct during the performance of Services.

Notwithstanding the foregoing, Contractor shall not be liable or responsible for, or obligated to defend any claims or damages arising out of or related to: (a) modification of any Contractor Product; (b) combination, operation or use of the Contractor Product with any other equipment, data, documentation, items or products; (c) use of Contractor Product in a manner or for a purpose, or in a location, for which it was not intended; (d) import or export of any Contractor Product in violation of applicable export control requirements, regulations or laws; (e) use or exportation of any Product(s) into any countries identified on any U.S. Government embargoed countries list; (f) use of any Contractor Product in a manner or for a purpose not authorized under the applicable license terms; (g) any other products; or (h) Purchasing Entity, its employees, agents, affiliates, subsidiaries or subcontractor's negligent acts or omissions.

Purchasing Entity shall promptly notify Contractor, in writing, of any claim, demand, proceeding or suit of which Purchasing Entity becomes aware which may give rise to a right of defense under this Exhibit A, Section 34. Notice of any Claim that is a legal proceeding, by suit or otherwise, must be provided to Contractor within 30 days of Purchasing

Entity's first learning of such proceeding. Notice must be in writing and include an offer to tender the defense of the Claim to Contractor. Contractor, if it accepts such tender, may take over sole control of the defense of the Claim.

That control includes the right to take any and all actions deemed appropriate by Contractor in its sole discretion to resolve the Claim by settlement or compromise. Upon Contractor's acceptance of tender, Purchasing Entity will cooperate with Contractor with respect to such defense and settlement. If a Claim is settled and to the extent permitted by law, neither party will publicize the settlement and will make every effort to ensure the settlement agreement contains a non-disclosure provision.

In the event of a Claim, Contractor may at its sole option (but shall not be obligated to): (i) procure for Purchasing Entity the right to continue use of the applicable Contractor Product(s); (ii) replace the applicable Contractor Product(s); (iii) modify the applicable Contractor Product(s); or (iv) refund the amount paid by Purchasing Entity to Contractor for the applicable Contractor Product, less depreciation. 35. Limitations of Liability

Contractor's, its principals' subcontractors', members', agents' and employees (collectively "Contractor Parties") maximum aggregate liability for all direct damages resulting from, arising out of or relating to this Agreement and all Participating Addenda, the Products used by the State or any Purchasing Entity or Participating Entity and the Services performed under this Master Agreement and pursuant to any Participating Addendum however caused and whether arising under contract, warranty, tort (including negligence), strict liability, statute or any other theory of liability shall not exceed \$7,500,000 in the aggregate.

IN NO EVENT, WHETHER AS A RESULT OR BREACH OF CONTRACT, TORT, STRICT LIABILITY, STATUTE OR OTHERWISE, SHALL CONTRACTOR OR ANY OF THE CONTRACTOR PARTIES BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES (INCLUDING, WITHOUT LIMITATION, CLAIMS FOR LOST BUSINESS PROFITS OR REVENUE, LOSS OF DATA, INTERRUPTION IN USE, UNAVAILABILITY OF DATA, OR THE COST OF THE PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES) OR FOR PUNITIVE OR EXEMPLARY DAMAGES HOWEVER CAUSED AND WHETHER ARISING UNDER CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, STATUTE OR ANY OTHER THEORY OF LIABILITY.

THE REMEDIES SET FORTH IN THIS AGREEMENT SHALL BE THE STATES' AND EACH AND EVERY PURCHASING ENTITY'S AND PARTICIPATING ENTITY'S SOLE AND EXCLUSIVE REMEDIES FOR ANY CLAIMS AGAINST CONTRACTOR OR ANY OF THE CONTRACTOR'S VENDORS UNDER OR RELATED TO THIS AGREEMENT AND ALL PARTICIPATING ADDENDA.

THE PARTIES AGREE THAT THE FOREGOING SECTIONS REGARDING WARRANTY, INDEMNITY AND LIMITATIONS OF LIABILITY REPRESENT THE BASIS OF THE BARGAIN AND A FAIR ALLOCATION OF RISK BETWEEN THE PARTIES WITHOUT WHICH THEY WOULD NOT HAVE ENTERED INTO THIS MASTER AGREEMENT.

36. License of Pre-Existing Intellectual Property.

Reserved.

37. Assignment of Antitrust Rights.

Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

38. Debarment.

The Contractor certifies to the best of its knowledge and belief as of the Effective Date of this Master Agreement, that neither it nor its directors or executive officers are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

39. Governing Law and Venue.

- a. The construction and effect of the Master Agreement after award shall be governed by the law of the state serving as Lead State. The construction and effect of any Participating Addendum shall be governed by and construed in accordance with the laws of the Participating Entity's state. The construction and effect of any Order shall be governed by and construed in accordance with the laws of the Purchasing Entity's state.
- b. Venue for any claim, dispute or action concerning the terms of the Master Agreement shall be in the state serving as Lead State. Venue for any claim, dispute, or action concerning any Order placed against a Participating Addendum or the effect of a Participating Addendum shall be in the Purchasing Entity's State.
- c. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead State for claims relating to contract performance or administration if the Lead State is a party; a Participating State if a named party; the state where the Participating Entity or Purchasing Entity is located if either is a named party.

40. Confidentiality, Non-Disclosure, and Injunctive Relief.

During the term of this Master Agreement, the applicable Participating Addendum, or the applicable Order, and for five (5) years thereafter, a receiving party shall not use a disclosing party's Confidential Information except as required to achieve the objectives of this Master Agreement, a Participating Addendum, or Order, and shall disclose such Confidential Information only to employees or contractors who have a need to know, except where the disclosing party has consented in writing prior to disclosure. Confidential Information may be disclosed by the receiving party to the extent required by law or court order, provided that the receiving party first makes reasonable efforts to give the disclosing party notice of such requirement prior to such disclosure.

41. Public Information.

This Master Agreement and all related documents are subject to disclosure pursuant to the Purchasing Entity's public information laws.

42. Cancellation.

- a. Termination for Convenience.
 1. Unless otherwise stated in the terms and conditions, the Master Agreement may be canceled by either party upon 60 days' notice, in writing, prior to the effective date of the cancellation. Further, Contractor and any Participating Entity may cancel the applicable Participating Addendum upon 30 days' written notice, unless otherwise limited or stated in the special terms and conditions of this solicitation or in the applicable Participating Addendum.
 2. Any cancellation under this provision shall not affect the rights and obligations attending accepted orders at the time of cancellation, including rights of payment for goods/services delivered, any rights of a Purchasing Entity to indemnification by the Contractor, and rights attending any warranty or default in performance in association with any order, and requirements for records administration and audit. Cancellation of the Master

Agreement due to Contractor default may be immediate if defaults cannot be reasonably cured as allowed per Default and Remedies term.

b. Termination for Cause.

1. Either party to a Participating Addendum or Order may immediately terminate the Participating Addendum or Order if: (a) the other party commits a criminal offense or engages in fraud or any unlawful business practice; (b) there is a material change in or transfer of the other party's management, ownership, control or business operations, or a party becomes affiliated, by virtue of a material change in management, ownership, or control, with any person or entity, and such affiliation results in imminent harm, or imminent material harm, to the other party's reputation or business operations; or (c) either party's actions expose the other party to any liability or obligation not otherwise contemplated by the contract, or cause the other party to violate the law.

2. Effect of Notice of Contractor's Termination for Cause under Exhibit A, Section 42.b.1. If Contractor terminates a Participating Addendum or Order pursuant to Exhibit A, Section 42.b.1: (i) all unpaid invoices issued by Contractor under the applicable Participating Addendum or Order will be accelerated and become immediately due and payable on the effective date of termination; and (ii) any Purchasing Entity affected by termination of the applicable Participating Addendum or Order will cease placing new orders for Products from Apple on the effective date of termination.

43. Force Majeure.

Neither party to this Master Agreement, a Participating Addendum, or an Order will be liable for delay or failure to fulfill its obligations under this Master Agreement, Participating Addendum, or Order to the extent such delay or failure is directly caused by unforeseen circumstances beyond the party's reasonable control, including, but not limited to, acts of God, war, riot, embargoes, acts of civil or military authorities, acts of terrorism or sabotage, fire, flood, accident, strikes, inability to secure transportation, failure of communications networks, (a "Force Majeure"), provided such party promptly notifies the other party and uses reasonable efforts to correct such failure or delay in its performance. Purchasing Entities may cancel any order delayed by more than thirty (30) days from the scheduled ship date due to a Force Majeure. This clause does not absolve either party of its payment obligations. Overdue account charges will not accrue until the conclusion of the event of Force Majeure.

44. Defaults and Remedies.

a. The occurrence of any of the following events shall be an event of default under this Master Agreement:

1. Nonperformance of contractual requirements; or
2. A material breach of any term or condition of this Master Agreement; or
3. Any representation or warranty by Contractor in response to the RFP or in this Master Agreement that proves to be untrue or materially misleading; or
4. Institution of proceedings under any bankruptcy, insolvency, court-ordered reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or
5. Any default specified in another section of this Master Agreement.

b. Upon the occurrence of an event of default, except for material breach, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of 30 calendar days in which

Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure shall not diminish or eliminate Contractor's liability for damages to the extent provided for under this Master Agreement.

c. If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:

1. Exercise any remedy provided by law; and
2. Terminate this Master Agreement and any related contracts or portions thereof; and
3. Suspend Contractor from being able to respond to future bid solicitations.

d. In the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and shall have all of the rights and remedies under this paragraph regarding its participation in the Master Agreement, in addition to those set forth in its Participating Addendum. Unless otherwise specified in a Purchase Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions shall be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

45. Waiver of Breach.

Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies shall not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order shall not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or Purchase Order.

46. Notices.

If one party is required to give notice to the other under the Master Agreement, such notice shall be in writing and shall be effective upon receipt. Delivery may be by certified United States mail or by hand, in which case a signed receipt shall be obtained. A facsimile or electronic transmission shall constitute sufficient notice, provided the receipt of the transmission is confirmed by the receiving party. Either party must notify the other of a change in address for notification purposes. All notices to the Lead State shall be addressed as follows:

Elizabeth Randa, Acquisition Management Specialist

47. No Waiver of Sovereign Immunity.

The Lead State, Participating Entity or a Purchasing Entity to the extent it applies does not waive its sovereign immunity by entering into this Master Agreement or Participating Addendum and fully retains all immunities and defenses provided by law with regard to any action based on this Master Agreement.

48. Export Compliance.

This Master Agreement is subject to all laws, regulations, orders or other limitations on the export and re-export of commodities, technical data and software. With respect to any acquisition made under this Contract, the applicable Purchasing Entity agrees, and assumes any associated liability, that it will not export, re-export, resell or transfer any export-controlled commodity, technical data or software: (i) in violation of such limitations imposed by the United States or any other appropriate national government authority; (ii) to any country for which an export license or other governmental approval is required at the time of export, without first obtaining all necessary licenses and approvals, at Participating Entity or Purchasing Entity's sole cost and expense; (iii) to any country or national or resident of a country to which trade is embargoed by the United States, or any other relevant national authority; (iv) to any person or firm on any relevant government agency restricted party lists, (examples: United Nations Sanctions list, United States Denial Lists, Office of Foreign Assets Control Specially Designated Nationals List, etc.); or (v) for use in, or to an entity that might engage in, any sensitive nuclear, chemical or biological weapons, or missile technology end-uses unless authorized by the United States Government, and any other relevant government agency by regulation or specific license.

49. HIPAA.

Purchasing Entity shall not use the Contractor Products, iCloud Storage APIs and iCloud service, or any component or function thereof, (i) in any way that would involve Contractor creating, receiving, maintaining or transmitting protected health information (as defined at 45 C.F.R § 160.103) or (ii) in any manner that would make Contractor or any other third-party distributor, supplier or provider of those technologies a business associate, as defined under the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA") at 45 C.F.R. § 160.103, of the Purchasing Entity or any third party. For the avoidance of doubt, the parties agree that nothing in this Section shall prohibit Purchasing Entity from using Contractor hardware products; provided, however, that the Purchasing Entity ensures that any such use of Contractor hardware products does not involve Contractor creating, receiving, maintaining or transmitting protected health information.

50. Product Returns.

2. Process. Contractor must provide notification to the Lead State of any changes to their PSS using the attached Action Request Form (ARF).

b) Contractor can only offer Third-Party Products in a Band they have been awarded. The Lead State must approve Contractor's request to add new third-party manufacturers to Contractor's PSS. 1. By signing and submitting this proposal, the prospective lower tier participant [responder] is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal [response] is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
