

This Participating Addendum ("Participating Addendum") is made by and between the State of Connecticut acting by its Department of Administrative Services ("DAS" or "Participating Entity"), in accordance with sections 4a-2, 4a-51 and 4a-53 of the Connecticut General Statutes, and Goodyear Tire & Rubber Company ("Contractor").

The Contractor and DAS agree as follows:

1. DAS and the Contractor shall be bound by the terms of a certain National Association of State Procurement Officials ("NASPO") master agreement number 24155 entered into between the Contractor and State of Iowa, dated April 10, 2024 (the "Master Agreement") for the purchase of tires, tubes, and Services (the "Deliverables").
2. The Master Agreement, attached to this Participating Addendum as Exhibit 1 and as modified by this Participating Addendum, binds DAS and Contractor, but only for purposes of enabling DAS to contract for the Deliverables from Contractor and not to contract for any other purpose.
3. The Contractor and DAS are not bound to any modifications to the Master Agreement dated after the date of this Participating Addendum.
4. For purposes of this Participating Addendum, references in the Master Agreement to Iowa shall be interpreted to mean DAS.
5. Order of Precedence:
 - A. This Contract and the Master Agreement shall be read to be consistent and complementary. Any ambiguity, conflict or inconsistency between them shall be resolved by giving priority to this Contract.
 - B. To the extent that any provisions in the Master Agreement and this Contract address the same or substantially the same subject matter, the provisions in this Contract shall prevail and replace, in their entirety, the provisions in the Master Agreement addressing the same or substantially the same subject matter. To the extent any provisions in the Master Agreement are titled the same or similarly titled as a provision in this Contract, the provisions in this Contract replace, in their entirety, the same or similarly titled provisions in the Master Agreement.
 - C. All terms listed or referenced in any solicitation documents or in the Contractor's response to any solicitation documents are excluded from this Contract.

- D. All other terms in the Original Contract not specifically deleted or modified remain in full force and effect as to the Contractor, DAS, and the Client Agency.
6. A. The following sections of the Master Agreement are deleted, in their entirety:
1. The language in Section 1.10.2 (Warranty) of Section 1 (NASPO Valuepoint Master Terms and Conditions) of the Master Agreement which reads: "Purchasing Entities in connection with the Master Agreement. CONTRACTOR MAKES NO WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE PRODUCTS, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES ARE HEREBY DISCLAIMED."
 2. The language in the What Are Your Legal Rights section of the Limited Warranty, Tire Care and Maintenance Guide of Attachment 2 (Goodyear Warranty Information) of the Master Agreement which reads: "DISCLAIMER: THIS WARRANTY IS IN LIEU OF, AND GOODYEAR HEREBY DISCLAIMS, ANY AND ALL OTHER WARRANTIES AND REPRESENTATIONS, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND NO OTHER WARRANTY OR REPRESENTATION OF ANY KIND IS MADE BY GOODYEAR OR SHALL BE IMPLIED BY LAW. LIMITATION OF DAMAGES: IN NO EVENT AND UNDER NO CIRCUMSTANCE SHALL GOODYEAR BE LIABLE TO THE BUYER OF ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, LOST PROFIT, LOSS OF BUSINESS, LOSS OF GOODWILL OR REPUTATION, PUNITIVE OR OTHER DAMAGE, COST (INCLUDING FOR REPLACEMENT TRANSPORTATION), EXPENSE OR LOSS OF ANY KIND. SOME STATES AND PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU."
 3. Attachment 1, Approved Distributor Dealer Agreement
7. The Contractor shall comply with the Connecticut Standard Terms, which are attached as Exhibit 2. As used in Exhibit 2, the capitalized word "Contract" is deemed to refer to this Participating Addendum and its exhibits.
8. To the extent that DAS or the Client Agency fails to meet its obligations under this Participating Addendum, the Contractor's exclusive remedies will be to seek redress in accordance with applicable Connecticut law, including the claims commissioner process set forth in Chapter 53 of the Connecticut General Statutes concerning claims against the State.

9. Nothing in the Master Agreement as modified by this Participating Addendum shall be construed as a modification, compromise or waiver by DAS or the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Master Agreement as modified by this Participating Addendum . To the extent that this section conflicts with any other section in the Master Agreement, this section shall govern.

10. Any Purchasing Entity or Client Agency may issue purchase orders against this Participating Addendum. "Purchasing Entity" or "Client Agency" means any department, commission, board, bureau, agency, institution, public authority, office, council, association, instrumentality or political subdivision of the State of Connecticut, non-profit organization organized in the State of Connecticut and any entity identified in Conn. NASPO ValuePoint is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports, as well as other contract administration functions as assigned by the Lead State.

1.1.14 Purchasing Entity means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

1.2 Term of Master Agreement

1.2.1 Initial Term

The initial term of this Master Agreement is for three (3) years. The term of this Master Agreement may be amended beyond the initial term for three (3) additional one-year terms at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance. The Lead State may, prior to execution, adjust the effective date or duration of the initial term or renewal period of any Master Agreement for the purpose of making the Master Agreement coterminous with others.

1.2.2 Amendment Limitations

The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.

1.2.3 Amendment Term

The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions.

1.3 Pricing, Payment & Leasing

1.3.1 Pricing

The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.

1.3.1.1 All prices and rates must be guaranteed for the initial six (6) month term of the Master Agreement.

1.3.1.2 Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal guarantee period and must be made at least six (6) months prior to the effective date.

1.3.1.3 Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.

1.3.1.4 No retroactive adjustments to prices or rates will be allowed.

1.3.2 Payment

Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within sixty (60) days following the date the goods are delivered or the date a correct invoice is received, whichever is later. After sixty (60) days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

1.3.3 Leasing or Alternative Financing Methods

The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

1.4 Ordering**1.4.1 Order Numbers**

Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.

1.4.2 Quotes

Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing.

This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

1.4.3 Applicable Rules

Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

1.4.4 Required Documentation

Contractor must not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.

1.4.5 Term of Purchase

Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.

1.4.5.1 Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement.

1.4.5.2 Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.

1.4.5.3 Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.

1.4.5.4 Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor must perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor must not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.

1.4.5.5 Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

1.4.6 Order Form Requirements

All Orders pursuant to this Master Agreement, at a minimum, must include:

- 1.4.6.1** The services or supplies being delivered;
- 1.4.6.2** A shipping address and other delivery requirements, if any;
- 1.4.6.3** A billing address;
- 1.4.6.4** Purchasing Entity contact information;
- 1.4.6.5** Pricing consistent with this Master Agreement and applicable Participating Addendum and as may be adjusted by agreement of the Purchasing Entity and Contractor;
- 1.4.6.6** A not-to-exceed total for the products or services being ordered; and
- 1.4.6.7** The Master Agreement number or the applicable Participating Addendum number, provided the Participating Addendum references the Master Agreement number.

1.4.7 Communication

All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.

1.4.8 Contract Provisions for Orders Utilizing Federal Funds

Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

1.5 Order of Precedence

1.5.1 Order

Any Order placed under this Master Agreement will consist of the following documents:

- 1.5.1.1** A Participating Entity's Participating Addendum ("PA");
- 1.5.1.2** NASPO ValuePoint Master Agreement, including all attachments thereto;
- 1.5.1.3** A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;
- 1.5.1.4** The Solicitation or, if separately executed after award, the Lead State's bilateral agreement that integrates applicable provisions;

1.5.1.5 Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.

1.5.2 Conflict

These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.

1.5.3 Participating Addenda

Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

1.6 Participants and Scope

1.6.1 Requirement for a Participating Addendum

Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.

1.6.2 Applicability of Master Agreement

NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (*e.g.*, purchase order or contract) used by the Purchasing Entity to place the Order.

1.6.3 Authorized Use

Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

1.6.4 Obligated Entities

Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those

Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.

1.6.5 Notice of Participating Addendum

Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.

1.6.6 Eligibility for a Participating Addendum

Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.

1.6.7 Prohibition on Resale

Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.

1.6.8 Individual Customers

Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

1.6.9 Release of Information

Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.

1.6.10 No Representations

The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

1.7 NASPO ValuePoint Provisions**1.7.1 Applicability**

NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section 1.5 are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.

1.7.2 Administrative Fees**1.7.2.1 NASPO ValuePoint Fee**

Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

1.7.2.2 State Imposed Fees

Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

1.7.3 NASPO ValuePoint Summary and Detailed Usage Reports**1.7.3.1 Sales Data Reporting**

In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by

NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

1.7.3.2 Summary Sales Data

“Summary Sales Data” is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.

1.7.3.3 Detailed Sales Data

“Detailed Sales Data” is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.

1.7.3.4 Sales Data Crosswalks

Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data (“Crosswalks”). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor’s part number or SKU for each Product in Contractor’s catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor’s customer lists and product catalog change.

1.7.3.5 Executive Summary

Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or

implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

1.7.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

1.7.4.1 Staff Education

Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

1.7.4.2 Onboarding Plan

Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

1.7.4.3 Annual Contract Performance Review

Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.

1.7.4.4 Use of NASPO ValuePoint Logo

The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.

1.7.4.5 Obligation to Act in Good Faith

The parties acknowledge that this Master Agreement and its terms and pricing have been negotiated for the benefit of the parties, NASPO ValuePoint, Participating Entities, and Purchasing Entities. Apart from a Participating Addendum or Order, Contractor shall not intentionally induce a potential Participating Entity or Purchasing Entity to enter into a separate agreement, the pricing and terms of which are derived from this Master Agreement, for the purpose of avoiding compliance with Contractor's obligations under Section 1.7. Nothing in this Section 1.7.4.5 shall prohibit Contractor from contracting with an entity with substantially similar pricing and terms if such pricing and terms are independently negotiated with the entity or are consistent with pricing and terms ordinarily offered by Contractor to public sector customers."

1.7.5 Cancellation

In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.

1.7.6 Canadian Participation

Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.

1.7.7 Additional Agreement with NASPO

Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

1.8 Shipping and Delivery**1.8.1 Shipping Terms**

All deliveries will be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor.

1.8.1.1 Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.

1.8.2 Minimum Shipping

The minimum shipment amount, if any, must be contained in the Master Agreement. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered will be shipped without charge.

1.8.3 Inside Deliveries

To the extent applicable, all deliveries will be “Inside Deliveries” as designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a delivery to a location other than a loading dock, front lobby, or reception area. Specific delivery instructions will be noted on the order form or Purchase Order. Costs to repair any damage to the building interior (*e.g.*, scratched walls, damage to the freight elevator, etc.) caused by Contractor or Contractor’s carrier will be the responsibility of the Contractor. Immediately upon becoming aware of such damage, Contractor shall notify the Purchasing Entity placing the Order.

1.8.4 Packaging

All products must be delivered in the manufacturer’s standard package. Costs must include all packing and/or crating charges. Cases must be of durable construction, in good condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton must be marked with the commodity, brand, quantity, item code number and the Purchasing Entity’s Purchase Order number.

LIMITED WARRANTY, TIRE CARE AND MAINTENANCE GUIDE

Highway Auto Tires
Light Truck Tires
Temporary Spare
Special Trailer (ST) Tires

HIGHWAY AUTO, LIGHT TRUCK AND SPECIAL TRAILER TIRE AND ADJUSTMENT POLICY

(EXCLUDES GOODYEAR® UNISTEEL® RADIAL LIGHT TRUCK TIRES)

WHO IS ELIGIBLE?

You are eligible for the benefits of this Limited Warranty if you meet all the following criteria:

- You are the owner or authorized agent of the owner of new Goodyear highway auto, light truck or special trailer tires.
- Your tires bear Department of Transportation prescribed tire identification numbers
- Your tires have been used only on the vehicle on which they were originally installed according to the vehicle manufacturer's or Goodyear's recommendations
- Your tires were purchased on or after April 1, 2019

Light truck tires are defined as all tires identified with the "LT" designation in the sidewall stamping, e.g. LT245/75R16.

Special Trailer tires are defined as all tires identified with the "ST" designation in the sidewall stamping, e.g. ST235/80R16.

WHAT IS COVERED AND FOR HOW LONG?

FREE TIRE REPLACEMENT

Any new Goodyear highway radial auto, radial light truck tire or Special Trailer (ST) tire, covered by this policy, removed from service due to a covered warranty condition during the first 2/32" of usable tread or twelve months from date of purchase, whichever comes first, will be replaced with a comparable new Goodyear tire at no charge, including mounting and balancing. (Without proof of purchase the date of manufacture will be used to determine eligibility.)

ALL OTHER HIGHWAY AUTO OR LIGHT TRUCK TIRES

Any new Goodyear highway auto or light truck tire, other than radial auto or radial light truck tires, removed from service due to a covered warranty condition during the first 1/32" of usable tread will be replaced with a comparable new Goodyear tire at no charge, including mounting and balancing.

TEMPORARY SPARE TIRES

Any Goodyear temporary spare tire removed from service due to a covered warranty condition during the first 50% of usable treadwear (1/32") will be replaced with a comparable new Goodyear temporary spare tire at no charge, including mounting.

PRORATED ADJUSTMENT

Tires not eligible for free replacement that are removed from service due to a covered warranty condition will be replaced with a comparable new Goodyear tire on a prorated basis for up to six (6) years from the date of original new tire purchase or when the treadwear indicators become visible (worn to 2/32"), whichever occurs first. (Without proof of purchase the date of manufacture will be used to determine eligibility.)

HOW WILL PRORATED CHARGES BE CALCULATED?

Replacement price will be calculated by multiplying the tire's advertised retail selling price at the time of adjustment by the percentage of usable original tread that has been worn off. You pay for mounting and balancing, and an amount equal to the current Federal Excise Tax (F.E.T. – U.S. only) and any other applicable taxes and government-mandated charges.

EXAMPLE: If your disabled tire had an original 8/32" of usable treadwear and is worn to 4/32" usable tread remaining, you have used 50% and therefore must pay 50% of the advertised retail selling price of the comparable tire.

In addition, you must pay an amount equal to the full current Federal Excise Tax (U.S. only) or any other applicable taxes and government-mandated charges for the comparable new replacement tire at the time of adjustment. If the price of the new comparable tire is \$130.00, the cost to you would be \$65.00 plus F.E.T. (U.S. only) plus any other applicable taxes and government-mandated charges.

WHAT IS A COMPARABLE TIRE?

A “comparable” new Goodyear tire will be the same brand tire and may be either the same line of tire or, in the event that the tire is not available, the same brand tire with the same basic construction and similar performance attributes with a different sidewall or tread configuration. If a higher priced tire is accepted as replacement, the difference in price will be at an additional charge to you. Any replacement tire provided pursuant to this warranty will be covered by the warranty in effect at the time of replacement.

ADDITIONAL PROVISIONS

A tire has delivered its full original tread life and the coverage of this limited warranty ends when the treadwear indicators become visible (worn to 2/32”) or six (6) years from the date of new tire purchase, whichever occurs first. (Without proof of purchase the date of manufacture will be used to determine eligibility.)

LIMITATIONS

This limited warranty is applicable only in the United States and Canada.

GOODYEAR TREAD LIFE LIMITED WARRANTY

In addition to the provisions of the limited warranty for covered warranty conditions, any new Goodyear replacement tire listed below is warranted against treadwear wear-out based on the following table for up to six (6) years or the mileage indicated, whichever occurs first:

HOW WILL TREAD LIFE LIMITED WARRANTY CHARGES BE CALCULATED?

Driving habits, road conditions, driving conditions and vehicle maintenance are all factors that contribute to tire wear. If your tires do not reach the miles/kilometres listed in the Tread Life table and meet with all the terms of the Tread Life Limited Warranty, the tires will be replaced as follows:

DocuSign Envelope ID: AA50E662-5AE0-413B-A985-C7DA74A5CD6C

If the tread wears evenly down to the treadwear indicators (worn to 2/32") before delivering the warranted mileage, the tire will be replaced on a prorated basis, provided the original invoice is presented showing the vehicle mileage when the tires were originally installed.

EXAMPLE: If your tire has a tread life limited warranty of 80,000 miles (130,000 kilometres) and delivers 56,000 miles (91,000 kilometres) prior to wear-out (down to 2/32"), the tire will be replaced for 70% of the advertised selling price of the comparable tire at the time of adjustment. If the price of the new comparable tire is \$130, the cost to you would be \$91, plus any additional charges such as mounting, balancing and any other applicable taxes and government-mandated charges.

The Tread Life Limited Warranty applies only if you are the original purchaser and the tires have been used only on the vehicle on which they were originally installed, according to Goodyear's or the vehicle manufacturer's recommendations.

However, the Tread Life Limited Warranty does not apply to:

- Tires used in commercial applications including, but not limited to, police, taxi service, national account, government and contract sales.
- Tires supplied as original equipment.
- Tires that are installed on any vehicle other than the vehicle on which they were originally installed.
- Tires that after leaving the producing factory have had the tread pattern altered in any manner such as, but not limited to, siping, carving, shaving or having any material applied to the tread surface.

You must retain your original tire purchase invoice (see B. under Owner's Obligations) for tread life limited warranty consideration.

OWNER'S OBLIGATIONS:

- A. You must rotate your tires in accordance with the prescribed rotation patterns as recommended by either the vehicle manufacturer or Goodyear.
- B. When making a claim under the Tread Life Limited Warranty, you must present your original tire purchase invoice which shows the tire description, mileage and date the tire(s) were installed.
- C. You must present the tire to be adjusted to a Goodyear Retailer. Tires replaced as an adjustment become the property of The Goodyear Tire & Rubber Company or Goodyear Canada Inc.
- D. You must pay any other applicable taxes and government-mandated charges for any additional service you order at the time of adjustment relating to any unique applications requiring mounting, demounting or balancing.
- E. No claim will be recognized unless submitted on a Goodyear claim form (supplied by a Goodyear Retailer) completely filled out and where you, the owner, or your authorized agent presented the tire for adjustment.

WHAT IS NOT COVERED BY THIS WARRANTY?

This limited warranty does not cover the following:

- Tires submitted for ride disturbance complaints that are worn beyond the first two thirty-seconds of an inch (2/32") tread depth or tires submitted for ride disturbance due to damaged wheels or any vehicle condition.
- Goodyear does not warrant or give credit in any adjustment transaction for any kind of material added to a tire (e.g., tire fillers, sealants, balancing substances) after the tire leaves a factory producing Goodyear tires, nor will it adjust any tire that has failed as a result of adding such material.
- Irregular wear or damage due to mechanical condition of the vehicle, improper inflation, overloading, high speed spin-up, misapplication, misuse, negligence, racing, use of tire chains, improper mounting or demounting, improper repair, wreck, collision or fire.
- Road hazards (includes, but is not limited to, punctures, cuts, snags, impact breaks, etc.).
- Any tire that, after leaving a factory producing Goodyear tires, has been intentionally altered to change its appearance (e.g., white inlay on a black tire or regrooved).

DocuSign Envelope ID: AA50E662-5AE0-413B-A985-C7DA74A5CD6C

- Tires with weather-cracking that were purchased more than four (4) years prior to presentation for adjustment or, if purchase date cannot be verified, manufactured more than four years prior to presentation for adjustment.
- Temporary spare tires used on vehicles used in racing and on passenger cars in special applications such as police pursuit service.
- Goodyear Unisteel Commercial Radial Light Truck Tires.
- Tires removed from service due to improper repairs.
- Cosmetic weather checking.
- Low tire pressure-monitoring system – refer to vehicle manufacturer's warranty.
- Ultra high-performance summer tires are not recommended for winter use, and tread or shoulder cracking on those tires resulting from winter use will not be covered under our warranty.

WHAT ARE YOUR LEGAL RIGHTS?

No Representative or Dealer has authority to make any representation, promise or agreement on behalf of Goodyear, except as stated herein. Any tire, no matter how well constructed, may fail in service or otherwise become unserviceable due to conditions beyond the control of the manufacturer. Under no circumstances is this warranty a representation that a tire failure cannot occur.

DISCLAIMER: THIS WARRANTY IS IN LIEU OF, AND GOODYEAR HEREBY DISCLAIMS, ANY AND ALL OTHER WARRANTIES AND REPRESENTATIONS, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND NO OTHER WARRANTY OR REPRESENTATION OF ANY KIND IS MADE BY GOODYEAR OR SHALL BE IMPLIED BY LAW.

LIMITATION OF DAMAGES: IN NO EVENT AND UNDER NO CIRCUMSTANCE SHALL GOODYEAR BE LIABLE TO THE BUYER FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, LOST PROFIT, LOSS OF BUSINESS, LOSS OF GOODWILL OR REPUTATION, PUNITIVE OR OTHER DAMAGE, COST (INCLUDING FOR REPLACEMENT TRANSPORTATION), EXPENSE OR LOSS OF ANY KIND. SOME STATES AND PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

This warranty gives you specific legal rights and you may also have other rights that vary from state to state or province to province.

HOW DO YOU OBTAIN AN ADJUSTMENT?

- You must present the tire to be adjusted to an authorized Goodyear service facility. Tires replaced on an adjustment basis become the property of The Goodyear Tire & Rubber Company or Goodyear Canada Inc.
- You must pay for taxes and any additional services you order at the time of adjustment plus any additional service that may be unique to your application, e.g., Tire Pressure-Monitoring System.
- You must submit your claim on an approved claim form supplied by an authorized Goodyear service facility. The form must be filled out completely and signed, where you the owner or your authorized agent presented the tire for adjustment.

You must go to an authorized Goodyear outlet for replacement tires and all warranty service.

SAFETY WARNINGS

Property damage, serious injury or death may result from:

- **TIRE FAILURE DUE TO UNDERINFLATION/OVERLOADING/MISAPPLICATION.** Follow the vehicle owner's manual or tire placard in vehicle.
- **TIRE FAILURE DUE TO IMPACT DAMAGE/IMPROPER MAINTENANCE.** Tires should be inspected regularly by a qualified technician for signs of damage, such as punctures or impacts.
- **TIRE FAILURE DUE TO IMPROPER REPAIRS.** See U.S. Tire Manufacturers Association (USTMA) established repair procedures at www.ustires.org and/or go to www.goodyear.com for information on proper repair procedures.

- **EXPLOSION OF TIRE/RIM ASSEMBLY DUE TO IMPROPER MOUNTING.** Only specially trained persons should mount tires.
- **FAILURE TO MOUNT RADIAL TIRES ON APPROVED RIMS.**
- **FAILURE TO DEFLATE SINGLE OR DUAL ASSEMBLIES COMPLETELY BEFORE DEMOUNTING.**
- **TIRE SPINNING.** On slippery surfaces such as snow, mud, ice, etc., do not spin tires in excess of 35 mph [55 kph], as indicated on the speedometer.
- **EXCESSIVE WHEEL SPINNING.** This can also result in tire disintegration or axle failure.

 **WARNING** Vehicle handling, traction, ride comfort and other performance parameters may be significantly affected by a change in tire size or type. Before replacing tires, always consult and follow the vehicle owner's manual because some vehicle manufacturers prohibit changing tire size. When selecting tires that are different from the original equipment size make certain: (1) The tires have adequate load-carrying capacity based on the vehicle placard, (2) The tires have sufficient inflation pressure to carry the load and (3) There is proper clearance with no interference points between the tire and vehicle. The consumer must be aware to always drive safely and obey all traffic laws. Avoid sudden, sharp turns or aggressive lane changes. Failure to follow any of these warnings may result in loss of control of the vehicle, leading to an accident and serious injury or death.

TIRE CARE AND MAINTENANCE GUIDE

The easiest way to help ensure satisfactory mileage and performance from your Goodyear tires is to give them a simple but frequent (at least monthly) inspection for proper inflation, even treadwear and the presence of any damage.

DO MAINTAIN PROPER INFLATION PRESSURE IN YOUR TIRES

Proper inflation pressure is necessary for optimum tire performance, safety and fuel economy. Check inflation pressures at least once a month and before long trips. Use an accurate tire pressure gauge. Always check pressures when the tires are cold (when the vehicle has been driven less than one mile). If you must check inflation when the tires are hot, add 4 psi [27 kPa] to the recommended cold inflation pressure. It is difficult to tell just by looking at radial tires whether they are underinflated.*

Furthermore, when operating a vehicle equipped with radial tires, it is difficult to notice when a tire has gone flat or nearly flat since the "feel" of the vehicle does not change significantly.

***Evidence of air loss or repeated underinflation always requires expert inspection to determine the source of leakage and tire removal to determine repairability. To avoid injury, NEVER attempt to reinflate a tire that has been run severely underinflated.**

Progressive air loss may result from punctures, cuts, curbing, impacts or partial bead unseating. Some fitment causes for air loss are (1) incomplete bead seating, (2) bead tearing caused by a machine tool due to insufficient lubrication or improper adjustment. Leaking valve core or rubber valve components should be replaced when problems are detected and whenever tires are replaced.

Always maintain inflation pressure at the level recommended by the vehicle manufacturer as shown on the vehicle placard, vehicle certification label or in the vehicle owner's manual.

Underinflation is the leading cause of tire failure and may result in severe cracking, component separation or "blowout." It reduces tire load capacity, allows excessive sidewall flexing and increases rolling resistance, resulting in heat and mechanical damage. Maintaining proper inflation pressure is the single most important thing you can do to promote tire durability and maximize tread life. Overinflation increases stiffness, which may deteriorate ride and generate unwanted vibration. Overinflation also increases the chances of impact damage.

DON'T OVERLOAD YOUR VEHICLE

Check your vehicle owner's manual to determine the load limits.

Overloading your vehicle places stress on your tires and other critical

vehicle components. Overloading a vehicle can cause poor handling or increased fuel consumption and may cause tire failure. Overloading your tires can result in severe cracking, component separation or "blowout."

Never fit your vehicle with new tires that have less load capacity than shown on the vehicle tire placard and remember that optimum rim width is important for proper tire load distribution and function. The maximum load capacity stamped on the sidewalls of P-Metric & European Metric tires is reduced by 10% when used on a light truck, utility vehicle or trailer. Never fit P-Metric or European Metric tires to light trucks that specify LT-type replacement tires.

DON'T SPIN YOUR TIRES EXCESSIVELY

Avoid excessive tire spinning when your vehicle is stuck in snow, ice, mud or sand. The centrifugal forces generated by a free-spinning tire/wheel assembly may cause sudden tire explosion, resulting in vehicle damage and/or serious personal injury to you or a bystander.

Never exceed 35 mph/55 kph, as indicated on your speedometer. Use a gentle backward and forward rocking motion to free your vehicle for continued driving. Never stand near or behind a tire spinning at high speeds, for example, while attempting to push a vehicle that is stuck or when an on-the-car spin balance machine is in use.

DO CHECK YOUR TIRES FOR WEAR

Always remove tires from service when they reach two thirty-seconds of an inch (2/32") remaining tread depth. All new tires have treadwear indicators which appear as smooth banks in the tread grooves when they wear to the two thirty-seconds of an inch (2/32") level. Many wet weather accidents result from skidding on bald or nearly bald tires. Excessively worn tires are also more susceptible to penetrations.

DO CHECK YOUR TIRES FOR DAMAGE

Frequent (at least monthly) inspection of your tires for signs of damage and their general condition is important for safety. If you have any questions, have your tire Dealer inspect them. Impacts, penetrations, cracks, knots, bulges or air loss always require tire removal and expert inspection. Never perform a temporary repair or use an inner tube as a substitute for a proper repair. Only qualified persons should repair tires.

PROPER TIRE REPAIR

NOTE: Goodyear does not warrant any inspection or repair process.

The repair is entirely the responsibility of the repairer and should be made in accordance with established U.S. Tire Manufacturers Association (USTMA) procedures.

Tire Pressure-Monitoring System Alert

Refer to your vehicle Owner's Manual for more information on what to do if the tire pressure warning system activates.

THE CONVENIENCE (TEMPORARY) SPARE

The Convenience (Temporary) Spare is designed, built and tested to the high engineering standards set by North America's leading car manufacturers and to Goodyear's own high standards of quality control. It is designed to take up a minimum of storage space and, at the same time, fulfill the function of a spare tire when needed. The spare is kept in its storage space, fully inflated at 60 psi. To be sure it is always ready for use, the air pressure should be checked on a regular basis.

The Convenience (Temporary) Spare can be used in combination with the original tires on your vehicle. You can expect a tire tread life of up to 3,000 miles (4,800 kilometres), depending on road conditions and your driving habits. To conserve tire tread life, return the spare to the storage area as soon as it is convenient to have the standard tire repaired or replaced.

The Convenience (Temporary) Spare weighs less than a standard tire so it's easier to handle. It also helps reduce the total car weight, which contributes to fuel economy.

The wheels used with the Convenience (Temporary) Spare are specifically designed for use with high pressure spares and should never be used with any other type tire.

SPECIAL TRAILER (ST) TIRES:

Your Goodyear Special Trailer (ST) tires are specifically designed and constructed to optimize their performance on non-driven trailer axle applications. Goodyear's Special Trailer (ST) tires are used on popular vehicle fitments, including, but not limited to: Travel Trailers, Utility Trailers, Equipment Trailers, Watercraft Trailers, Car Haulers, etc..

Due to the seasonal nature and often unique loadability of these trailers, it is very important to check inflation pressures at least once a month and before trips. Use an accurate tire pressure gauge. Always check pressures when the tires are cold (when the trailer has been driven less than one mile). If you must check inflation when the tires are hot, add 4 psi (27 kPa) to the recommended cold trailer placard inflation pressure. It is difficult to tell just by looking at radial tires whether they are underinflated. Check your trailer's certification placard to determine the load limits. Overloading your trailer places stress on your tires and other critical vehicle components. Overloading a trailer can cause poor handling or increased fuel consumption and may cause tire failure. Overloading your trailer tires can result in severe cracking, component separation or "blowout." Never fit your trailer with new tires that have less load capacity than shown on the trailer's tire placard and remember that optimum rim width is important for proper tire load distribution and function.

Inspection of your Special Trailer tires is an important function. Frequent (at least monthly) and before any trip inspection of your tires for signs of damage and their general condition is important for safety. If you observe or experience impact, impact damage, penetrations, cracks, bulges or air loss, your tires should be dismantled and inspected by an expert. If you have any questions, have your tire Dealer inspect them. Never perform a temporary repair or use an inner tube as a substitute for a proper repair. Only qualified persons should repair tires.

It is also important to properly store your trailer and its tires. A good resource for tire storage recommendations is the U.S. Tire Manufacturers Association website at www.ustires.org.

DON'T ATTEMPT TO MOUNT YOUR OWN TIRES

Serious injury or death may result from explosion of tire/rim assembly due to improper mounting procedures. Follow tire manufacturer's instructions and match tire diameter to rim diameter. Mount light truck radials on rims approved for radial service. Do not apply bead sealer. This can inhibit bead seating. Lubricate beads and tire rim (including tube or flap) contact surfaces. Lock assembly on mounting machine or place in safety cage. STAND BACK and never exceed 40 psi to seat beads. Never use a volatile substance or a rubber "donut" (also known as a bead expander or "O-Ring") to aid bead seating. Only specially trained persons should mount tires.

DON'T MIX TIRES OF DIFFERENT SIZES AND TYPES ON THE SAME AXLE

For optimum handling and control, Goodyear recommends fitment of four (4) tires of the same type and size unless otherwise specified by the vehicle manufacturer.

WARNING

Before you replace your tires, always consult the vehicle owner's manual and follow the vehicle manufacturer's replacement tire recommendations. Vehicle handling may be significantly affected by a change in tire size or type. When selecting tires that are different from the Original Equipment size, see a professional installer in order to make certain that proper clearance, load-carrying capacity and inflation pressure are selected. Never exceed the maximum load capacity and inflation pressure listed on the sidewall of the tire. Always drive safely and obey all traffic laws. Avoid sudden, sharp turns or aggressive lane changes. Failure to follow this warning may result in loss of control of the vehicle, leading to an accident and serious injury or death.

When replacing tires, you must maintain the outside diameter and load-carrying capacity of the Original Equipment tire. Inflation pressure may need to be adjusted to avoid overloading the tire. Consult the Tire & Rim Association Load and Inflation Tables, ETRTO or JATMA standards for correct load and inflation information.

NEVER FIT TIRES TO A VEHICLE THAT HAVE LESS LOAD-CARRYING CAPACITY THAN REQUIRED BY THE ORIGINAL EQUIPMENT MANUFACTURER

Examples: Many vehicles, such as large passenger vans, require Load Range E tires as designated by the vehicle manufacturer. Fitment of a tire, such as a Load Range D, with less carrying capacity is not allowed.

NOTE: Goodyear-manufactured and/or marketed European-Metric and P-Metric passenger tires are interchangeable as long as they have the same section width, same aspect ratio and same rim diameter.

Caution: Never substitute a "Standard Load" (SL) tire for an "Extra Load" (XL) or "Reinforced" tire. If the vehicle was originally equipped with "Extra Load" (XL) or "Reinforced" tires, replace those tires with similar-sized "Extra Load" (XL) or "Reinforced" tires.

FOLLOW THESE ADDITIONAL GUIDELINES

When installing only two tires, fit the tires with the deepest tread depth on the rear axle. If radials and non-radials must be fitted to the same vehicle, fit radials on rear axle. Never mix radials and non-radials on the same axle. When fitting winter tires or all-season tires to performance vehicles, always fit in sets of four. It is not recommended to fit tires with different speed ratings. If tires with different speed ratings are installed on a vehicle, they should be installed with like pairs on the same axle. The speed capability of the vehicle will become limited to that of the lowest speed rated tires. Use of lift kits with some vehicle/tire combinations can cause instability. When changing tire sizes, always consult Dealer for optimum rim width and carefully check vehicle/tire clearances.

RETRADED TIRES

Goodyear does not recommend retreading passenger, fabric ply light truck or special trailer tires. Retreaded passenger, fabric ply light truck and special trailer tires are not warranted by Goodyear for any reason.

DO MAINTAIN VEHICLE SUSPENSION, WHEEL ALIGNMENT AND BALANCE AND ROTATE YOUR TIRES

Lack of rotation, worn suspension parts, underinflation/overinflation, wheel imbalance and misalignment can cause vibration or irregular tire wear. Rotate your tires according to your vehicle manufacturer's recommendations or at maximum intervals of 6,000 miles/10,000 km.

TIRE SERVICE LIFE

While most tires will be replaced sooner, Goodyear recommends that any tire in service (meaning inflated and mounted on a rim of your vehicle, including your spare tire regardless of whether that tire is in contact with the roadway) 6 years or more be replaced even if such tire appears serviceable and even if it has not reached the legal treadwear limit.

DocuSign Envelope ID: AA50E662-5AE0-413B-A985-C7DA74A5CD6C

if you are unable to determine the date a tire was first placed in service, then you should rely on the DOT code stamped on the tire and replace any tire which was manufactured more than 6 years ago (see HOW TO READ A TIRE D.O.T. SERIAL NUMBER). Tires that should otherwise be replaced based on wear, damage or any other factor should not be kept in service regardless of the date they were first placed in service or their date of manufacture.

Also, consumers should never purchase or install used tires of any age on their vehicle as the service, maintenance and storage history of used tires is largely unknown. Various automobile manufacturers have published statements and instructions regarding tire service life, which include tire replacement recommendations based on chronological age. Goodyear advises that consumers refer to their owners' manuals for guidance on the vehicle manufacturer's replacement recommendations (but regardless of any such vehicle manufacturer's advice, any tire's replacement period should not exceed 6 years from the date the tire is placed in service or 6 years from the date included in the DOT code on the sidewall of the tire if you are unable to determine the date the tire was first placed in service).

Check your vehicle's owner's manual (or your vehicle) to determine if it is equipped with run-flat (extended mobility) tires. If your vehicle is equipped with run-flat tires, the following applies:

RUN-FLAT TECHNOLOGY EXTENDED MOBILITY TECHNOLOGY (EMT™), RUNONFLAT® (ROF)

IMPORTANT SAFETY INFORMATION

OPERATIONAL MONITORING

In order for Goodyear Run-Flat (Extended Mobility Technology [EMT], RunOnFlat [ROF]) tires to obtain the performance criteria stated within this Limited Warranty, Goodyear tires must use specific parts, such as a low tire pressure-monitoring system authorized by the Original Equipment vehicle manufacturer.

Vehicles that are equipped Original Equipment with Goodyear Run-Flat tires must be fitted with wheels, tires and tire pressure-monitoring systems as specified by your vehicle manufacturer. For proper wheel, tire and TPMS fitment, please refer to your vehicle's Owner's Manual.

RUN-FLAT TIRE FEATURE

The Goodyear Run-Flat tire is a high-performance tire with a remarkable feature: It can operate for limited distances (driven 50 miles [80 km] maximum at speeds up to 50 mph [80 kph]) with very low or even no inflation pressure. This is an important benefit, especially if inflation loss occurs at a location where immediately stopping your vehicle could be hazardous.

Because these tires ride well even without air pressure, your vehicle must be equipped with a system to alert you when a tire has low or no air pressure.

TIRE PRESSURE-MONITORING SYSTEM ALERT

Refer to your vehicle Owner's Manual for more information on what to do if the tire pressure warning system activates.

WARNING

If the tire pressure-monitoring system signals an alert, follow these safety precautions to prevent a loss of vehicle control that could result in serious personal injury or death:

- Slow your speed. Do not exceed 50 mph [80 kph].
- Avoid hard cornering, hard braking and severe handling maneuvers.
- Avoid potholes and other road hazards.

Remember that when your tires have lost air pressure, your vehicle's handling capability is reduced, particularly during severe maneuvers.

TO PROLONG TIRE LIFE DURING A SYSTEM ALERT

The Goodyear Run-Flat tires can be driven up to 50 miles (80 km) at sustained speeds of up to 50 mph (80 kph) at low or zero air pressure. However, the tire may have to be replaced if driven to these limits. To help prolong the life of a tire operating under low-inflation conditions, drive at a speed as far below 50 mph (80 kph) as possible. Also, drive the shortest distance possible before obtaining tire service. Taking these precautions will increase the chance that your tire will be repairable.

SERVICE AFTER A SYSTEM ALERT

To obtain service after operating under low-inflation conditions, contact your Goodyear Run-Flat service facility. Trained service personnel will inspect your tires to determine if they are in need of repair or replacement. To locate the nearest authorized Goodyear Run-Flat service facility, call 1-800-GOODYEAR (1-800-466-3932).

 WARNING

Because of the unique characteristics of Run-Flat tires, the wheels on which they are mounted and your vehicle's tire pressure-monitoring system, all tire service work other than routine inflation maintenance and external inspections must be performed by service personnel at a Goodyear Run-Flat service facility.

Do not attempt to mount or demount Run-Flat tires yourself; serious injury or death could result. Only specially trained persons should mount, demount and repair Run-Flat tires, and more than 40 psi (270 kPa) may be required to seat beads. A safety cage and clip-on extension air hose must be used if more than 40 psi (270kPa) is needed to seat beads.

TIRE REPAIR

Like any other Goodyear speed-rated, high-performance tire, the Goodyear Run-Flat tire may be repaired to correct a puncture in the tread, but PROPER MATERIALS AND PROCEDURES MUST BE USED. Contact a Goodyear or Run-Flat service facility for information on proper repairs. For the location of the nearest facility, call 1-800-GOODYEAR (1-800-466-3932).

 WARNING

Goodyear Run-Flat tires are designed for use only on certain original equipment wheels supplied with a properly operating low tire pressure-monitoring system. If applied to a vehicle without a properly operating low tire pressure-monitoring system, the tires may fail when operated in an underinflated condition, resulting in loss of vehicle control and possible serious injury or death. Application of these tires to a vehicle not equipped with specified operational low tire pressure-monitoring system constitutes improper and unsafe use of this product.

GOODYEAR UNISTEEL® LIMITED WARRANTY

United States & Canada

Unisteel® Radial Light Truck Tires Unisteel Radial Medium Truck Tires

WHO IS ELIGIBLE FOR WARRANTY COVERAGE?

You are eligible for the benefits of this limited warranty if you meet all the following criteria:

- You are the owner or authorized agent of the owner of new Goodyear® Unisteel radial light truck or medium radial truck tires, including mud and snow and on-/off-road tires.
- Your tires bear Department of Transportation (DOT) prescribed tire identification numbers and are not branded “NA” (Not Adjustable).
- Your Goodyear truck tires have been used only on the vehicle on which they were originally installed according to the vehicle manufacturer’s or Goodyear’s recommendations.
- Your tires were purchased on or after March 1, 2022.

WHAT IS COVERED AND FOR HOW LONG?

1. FREE TIRE REPLACEMENT — Goodyear truck tires covered by this warranty that become unserviceable due to a covered warranty condition during the first 2/32" (inch) treadwear or 12 months from date of purchase, whichever comes first, will be replaced with a comparable new Goodyear tire without charge. You pay only for the mounting and balancing. (Without proof of purchase, date of manufacture will be used to determine eligibility.)

2. PRORATED TIRE REPLACEMENT — Tires worn beyond the first 2/32" (inch) treadwear that become unserviceable due to a covered warranty condition will be replaced on a prorated basis. You are responsible for mounting, balancing and any additional services you order at the time of adjustment, as well as any taxes and government-mandated charges.

3. TIRES WITH DURASEAL TECHNOLOGY® — SEALANT CREDIT DURING ORIGINAL TREAD* — Failure of the DuraSeal Technology to seal a maximum 1/4" (inch) puncture in the repairable area of the original tread will qualify for a one-time credit during the life of the original tread within four (4) years from the date of the casing DOT serial number or proof of purchase, if available. Sealant credit is based on local currencies in the country where the adjustment takes place, \$50.00 for both the U.S. and Canada.

4. TIRES WITH DURASEAL TECHNOLOGY — SEALANT CREDIT DURING FIRST RETREAD* — Failure of the DuraSeal Technology to seal a maximum 1/4" (inch) puncture in the repairable area of the tread will qualify for a one-time credit through 100% of the first retread up to four (4) years from the date of the casing DOT serial number or proof of purchase, if available. Sealant credit is based on local currencies in the country where the adjustment takes place, \$25.00 for both the U.S. and Canada. All punctures must be repaired at time of retreading for this

Limited Warranty to be honored. If a sealant credit was issued during the original tread life, no other requests for credit will be honored.

*All claim forms submitted for sealant credit must be verified by an authorized Goodyear representative.

HOW WILL THE PRORATED CHARGES BE CALCULATED?

The replacement price will be calculated by multiplying the current Goodyear advertised selling price, at the adjustment location, by the percentage of usable original tread that has been worn off at the time of adjustment. You pay for mounting, balancing, an amount equal to the full current Federal Excise Tax (FET — U.S. only) and any other applicable taxes for the comparable new Goodyear replacement tire as well as any government-mandated charges.

EXAMPLE:

If your disabled tire had an original 16/32" (inch) of usable tread depth and is worn to 8/32" (inch) of usable tread remaining, you have used 50% and therefore must pay 50% of the advertised selling price of a comparable tire, plus an amount equal to the full current Federal Excise Tax (U.S. only) applicable to the comparable new replacement tire at the time of adjustment. If the price of the comparable tire is \$400.00, the cost to you would be \$200.00 plus Federal Excise Tax (U.S. only), mounting, balancing, any other applicable taxes and government-mandated charges.

Amount Of Tread Used Original Tread	X	Value Of Comparable Tire	=	Prorated Price Of New Tire
---	---	-----------------------------	---	-------------------------------

(Plus FET [U.S. only], other applicable taxes, government-mandated charges and mounting and balancing.)

WHAT IS A COMPARABLE TIRE?

A “comparable” new Goodyear tire may be either the same line of tire or, in the event that the same tire is not available, a tire of the same basic construction and quality with a different sidewall or tread configuration. If a higher priced tire is accepted as replacement, the difference in price will be at an additional charge to you.

Any replacement tire provided pursuant to this warranty will be covered by the Goodyear warranty in effect at the time of replacement.

WHAT IS NOT COVERED UNDER THIS LIMITED WARRANTY?

proof of purchase is available. All Dunlop premium casings beyond six (6) years from date of new tire manufacture or new tire purchase, if proof of purchase is available, are excluded from coverage by this warranty. Casing credit is based on local currencies in the country where the adjustment takes place. Refer to the Dunlop Commercial warranty for the casing values.

All other Goodyear, Dunlop and Kelly radial truck tire casings will be warranted for covered warranty conditions for an unlimited number of retreads up to four (4) years from new tire manufacture or new tire purchase, if proof of purchase is available, and are eligible for a credit equal to the predetermined casing allowances. See your servicing dealer for these values at the time of adjustment. All other Goodyear, Dunlop and Kelly non-premium casings beyond four (4) years from date of new tire manufacture or new tire purchase, if proof of purchase is available, are excluded from coverage by this warranty. See applicable commercial warranty for full details.

In addition, brands other than Goodyear, Dunlop or Kelly medium truck tire radial casings, retreaded by a Goodyear Authorized Retreader using Goodyear brand retreads, that become unserviceable due to a covered warranty condition within the first 25% wear of the first retread or four (4) years from new tire manufacture or new tire purchase, if proof of purchase is available, (whichever occurs first) are eligible for a credit equal to the predetermined casing allowances. See your servicing dealer for these values at the time of adjustment. All brands other than Goodyear, Dunlop and Kelly casings beyond the first 25% wear of the first retread or four (4) years from date of new tire manufacture or new tire purchase, if proof of purchase is available, (whichever occurs first) are excluded from coverage by this warranty.

HOW WILL THE RETREAD CREDIT BE DETERMINED WHEN THE CASING BECOMES UNSERVICEABLE DUE TO A COVERED WARRANTY CONDITION?

Full credit for the retreading or repair costs will be

issued, based on the current retail selling price of the retread during the first 2/32" (inch) (or the first 25% for UniCircle® retreads) of usable treadwear if the casing becomes unserviceable within the coverage period due to a covered warranty condition.

Retreading costs that are not eligible for full credit will be prorated. The replacement price will be calculated by multiplying the current Goodyear retail selling price of the retread by the percentage of usable tread remaining at the time of adjustment.

You must pay for mounting, balancing, applicable taxes, government-mandated charges and any additional services you order at the time of adjustment.

EXAMPLE:

If your disabled tire had an original 16/3" (inch) of usable tread depth and is worn to 8/32" (inch) of usable tread remaining, you have used 50% and therefore must pay 50% of the advertised selling price of a comparable retread tire. If the price of the comparable tire is \$150.00, the cost to you would be \$75.00 plus mounting, balancing, any other applicable taxes and government-mandated charges.

Amount Of Tread Used Original Tread	X	Value Of Comparable Tire	=	Prorated Price Of New Tire
---	---	-----------------------------	---	-------------------------------

(Plus applicable taxes, government-mandated charges, and mounting and balancing.)

WHAT IS THE COVERAGE ON GOODYEAR® AUTHORIZED RETREADER REPAIRS AND RETREADS?

Every retread/repair performed by a Goodyear Authorized Retreader on any radial casing using Goodyear authorized retread/repair materials and bearing a valid Department of Transportation (DOT) shop number of the Authorized Retreader is warranted to be free from a covered warranty condition and to give satisfactory service under normal operating conditions for the usable tread life of any retread.

Full replacement of the retread or repair costs will be issued, based on the current retail selling price of the retread or repair during the first 2/32" (inch) (or the first 25% for UniCircle® retreads) of usable treadwear if the retread or repair becomes unserviceable due to a covered warranty condition.

If a retread or repair becomes unserviceable due to a covered warranty condition beyond the no-charge period, a credit for the retread/repair cost will

be issued on a prorated basis. The credit will be determined by multiplying the current Goodyear retail selling price of the retread by the percentage of usable tread remaining at the time of adjustment.

You must pay for mounting, balancing, applicable taxes, government-mandated charges and any additional services you order at the time of adjustment.

IN ADDITION:

Radial casing allowances will be given on all qualifying radial retreaded casings if the retread became unserviceable due to a covered warranty condition.

In cases where the retread became unserviceable due to a covered warranty condition and the casing is outside the terms of this warranty, a credit for the retread only will be calculated.

All credits must be used toward the purchase of new or retreaded Goodyear, Dunlop® or Kelly® commercial products.

REMEMBER YOUR NEW TIRE WARRANTY

This limited warranty provides you with certain benefits as the owner of a radial casing that has been retreaded or repaired by a Goodyear Authorized Retreader. If you purchased a new Goodyear, Dunlop or Kelly commercial radial truck tire, you are also entitled to the benefits and are subject to the same Adjustment Limitations of the new tire limited warranty that was in effect at the time of purchase. Please consult your new tire warranty for details.

EARTHMOVER TIRE LIMITED WARRANTY For 20 to 39 Inch Rim Diameter Tires

WHO IS ELIGIBLE?

You are eligible for the benefits of this Limited Warranty if you are the original purchaser or authorized agent of the original purchaser of new Goodyear 20 to 39 inch rim diameter Grader or Earthmover tires bearing our serial numbers.

WHAT IS COVERED AND FOR HOW LONG?

This Limited Warranty covers all Goodyear 20 to 39 inch rim diameter tires presented for adjustment on or after September 1, 2013. The Limited Warranty is in effect for 4 years commencing on the date of purchase. If proof of the purchase date is not available, the date of manufacture indicated on the serial number will be used as the warranty commencement date. Tires must be presented for consideration within six months of removal from service.

Coverage

If any Goodyear 20 to 39 inch rim diameter tire covered by this Limited Warranty becomes unserviceable due to a covered warranty condition, such tire will, at the option of Goodyear, be repaired or replaced with a comparable new Goodyear tire, discounted on a pro rata basis, or, at Goodyear's option, Goodyear will issue an appropriate credit. The customer charge for replacement will be calculated by multiplying Goodyear's current replacement tire price at the adjustment location (exclusive of taxes), by the percentage determined from the following chart. In the event Goodyear issues a credit, the credit will reflect the discount that would have been included in the foregoing charge.

WARRANTY LIMITATIONS:

This Limited Warranty is applicable to tires purchased from The Goodyear Tire & Rubber Company, Goodyear Canada Inc. or Goodyear International Corporation and their subsidiaries ("Goodyear").

No representative or dealer has authority to make any representation, promise, warranty or agreement on behalf of Goodyear except as stated herein.

Any tire, no matter how well constructed, may fail in service or otherwise become unserviceable due to conditions beyond the control of the manufacturer. Under no circumstances is this limited warranty a representation that a tire failure cannot occur.

WHAT IS NOT COVERED BY THIS WARRANTY?

- Tires purchased more than 48 months prior to presentation for adjustment. Without proof of purchase date, tires manufactured 48 months prior to presentation are not covered.
- Tires removed from service more than six months prior to presentation to Goodyear.

- Tires for which an alternate warranty/guarantee has been negotiated.
- Uniformity or vibration claims on tires purchased more than 6 months prior to presentation for adjustment, or if proof of purchase is not available, more than 6 months after the manufacture date.
- Air retention claims on tires purchased more than 3 months prior to presentation for adjustment, or if proof of purchase is not available, more than 3 months after the manufacture date.
- Irregular wear or tire damage due to: impact breaks, cuts, cut separations, snags, machine damage, wreck, collision, fire, improper inflation, overloading, misapplication, misuse, negligence, operation at excessive speed, rim or chain damage or damage caused by the mechanical condition of the vehicle.
- Tires operating in excess of their rated Ton-Mile-Per-Hour (TMPH) or Tonne-Kilometre-Per-Hour (TKPH) factor. Goodyear uses a 4 hour rolling average for TMPH / TKPH calculations. (A detailed description of TMPH / TKPH ratings may be found in Goodyear Publication: Off-The-Road Tires Engineering Data which can be found at www.goodyearotr.com).
- Tires operating in excess of the rated Work Capability Factor (WCF).
- Tires operated in applications that are inconsistent with the Equipment's specifications or restrictions.
- Tires with improperly seated beads. Knurling impressions from the rim that continue around the bead heel are sufficient evidence of improper seating.
- Tires mounted with "O" rings that are not approved by Goodyear for use with its Earthmover tires.
- Tires that have failed due to material added after original manufacture (example: tire fillers, sealant, ballast or balancing substances). If the added material is the cause of the tire being removed from service, they will not be adjusted.
- The cost of material added after original manufacture (example: tire fillers, sealant, ballast or balancing substances) regardless of removal cause.
- Repairs or Retreads.
- **GOODYEAR EXPRESSLY DISCLAIMS ANY WARRANTY OF FITNESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. THIS WARRANTY DOES NOT INCLUDE LOSS OF TIME, LOSS OF USE OF EQUIPMENT, LOST PROFITS, INCONVENIENCE, COST OF REPLACEMENT EQUIPMENT, OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES.**

WHAT ARE YOUR LEGAL RIGHTS?

Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

OWNERS OBLIGATIONS

- A. You must present the tire to be considered for adjustment to an authorized Goodyear dealer or Goodyear Service Representative within 6 months of removal. See back cover for addresses and telephone numbers of Goodyear Service representatives.
- B. You must pay for taxes, mounting and any additional services you order at the time of adjustment.

For tires imported by or specifically for a Buyer (or his agent), Goodyear's responsibility will be based upon the Cost & Freight Port of Entry tire value prior to payment of import duties.

- C. No claim will be recognized unless the product is inspected and a claim is submitted electronically or on a Goodyear claim form into Goodyear's OTR Adjustment database by a Goodyear Representative. All adjustments are confirmed by mail.
- D. Onboard machine cycle, payload and productivity information must be made available to the authorized Goodyear Dealer or Goodyear Service Representative if requested.
- E. Adjusted tires may be incapacitated. Disposal of the tire is the responsibility of the owner.

WARNING

Property Damage, Serious Injury or Death may result from:

- ◆ **FAILURE DUE TO UNDERINFLATION/OVERLOADING:**

Follow owner's manual or tire placard placed in the vehicle.

- ◆ **EXPLOSION OF TIRE / RIM ASSEMBLY DUE TO IMPROPER MOUNTING:**

Consider using nitrogen to inflate OTR tires to reduce the risk of explosive tire failure. Only specially trained persons using proper equipment should mount tires.

- ◆ **FAILURE TO DEFLATE SINGLE OR DUAL ASSEMBLIES COMPLETELY BEFORE DEMOUNTING:**

Before loosening any clamps or nuts that attach a multi-piece rim assembly to a vehicle always completely deflate the tire mounted as a single or both tires in a dual assembly by removing the valve core(s). Never attempt to remove a tire from a rim unless the tire is completely deflated. In both cases above check the valve stem by running a piece of wire through the stem to make sure it is not plugged.

- ◆ **WELDING, BRAZING OR USING ANY TYPE OF HEAT SOURCE ON A MOUNTED TIRE / RIM ASSEMBLY:**

Do not, under any circumstances, attempt to rework, weld, heat or braze any rim components that are cracked, broken or damaged. Replace with new parts or parts that are not cracked, broken or damaged, and which are the same size, type and manufacturer. Consult the rim manufacturer concerning proper replacement components.

Any tire, no matter how well constructed, may fail in service or otherwise become unserviceable due to conditions beyond the control of the manufacturer. Under no circumstances is this limited warranty a representation that a tire failure cannot occur.

WHAT IS NOT COVERED BY THIS WARRANTY?

- Tires purchased more than 18 months prior to presentation for adjustment. Without proof of purchase date, tires manufactured 18 months prior to presentation are not covered.
- Tires removed from service more than six months prior to presentation to Goodyear.
- Tires operated in an application that has not been pre-certified.
- Tires for which an alternate warranty/guarantee has been negotiated and such guarantee documented in writing by an authorized Goodyear representative.
- Uniformity or vibration claims on tires purchased more than 6 months prior to presentation for adjustment, or if proof of purchase is not available, more than 6 months after the manufacture date.
- Air retention claims on tires purchased more than 3 months prior to presentation for adjustment, or if proof of purchase is not available, more than 3 months after the manufacture date.
- Irregular wear or tire damage due to: impact breaks, cuts, cut separations, snags, machine damage, wreck, collision, fire, improper inflation, overloading, misapplication, misuse, negligence, operation at excessive speed, rim or chain damage or damage caused by the mechanical condition of the vehicle.
- Tires operating in excess of their rated Ton-Mile-Per-Hour (TMPH) or Tonne-Kilometre-Per-Hour (TKPH) factor. Goodyear uses a 4 hour rolling average for TMPH / TKPH calculations. (A detailed description of TMPH / TKPH ratings may be found in Goodyear Publication: Off-The-Road Tires Engineering Data which can be found at www.goodyearotr.com).
- Tires operating in excess of the rated Work Capability Factor (WCF).
- Tires operating in applications that are inconsistent with the Equipment's specifications or restrictions.
- Tires with improperly seated beads. Knurling impressions from the rim that continue around the bead heel are sufficient evidence of improper seating.
- Tires mounted with "O" rings that are not approved by Goodyear for use with its Earthmover tires.
- Tires that have failed due to material added after original manufacture (example: tire fillers, sealant, ballast or balancing substances). If the added material is the cause of the tire being removed from service, such tire will not be adjusted.
- The cost of material added after original manufacture (example: tire fillers, sealant, ballast or balancing substances) regardless of removal cause.
- Repairs or Retreads.
- GOODYEAR EXPRESSLY DISCLAIMS ANY WARRANTY OF FITNESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. THIS WARRANTY DOES NOT INCLUDE LOSS OF TIME, LOSS OF USE OF EQUIPMENT, INCONVENIENCE, COST OF REPLACEMENT EQUIPMENT, OR ANY INCIDENTAL AND CONSEQUENTIAL DAMAGES.

WHAT ARE YOUR LEGAL RIGHTS?

Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

OWNERS OBLIGATIONS

- A. You must present the tire to be considered for adjustment to an authorized Goodyear dealer or Goodyear Service Representative within 6 months of removal. See back cover for addresses and telephone numbers of Goodyear Service representatives.
- B. You must pay for taxes, mounting and any additional services you order at the time of adjustment. For tires imported by or specifically for a Buyer (or his agent), Goodyear's responsibility will be based upon the Cost & Freight Port of Entry tire value prior to payment of import duties.
- C. No claim will be recognized unless the product is inspected and a claim is submitted electronically into Goodyear's OTR Adjustment database by a Goodyear Representative.
- D. Onboard machine cycle, payload and productivity information must be made available to the authorized Goodyear Dealer or Goodyear Service Representative if requested.
- E. Adjusted tires will be incapacitated. Disposal of the tire in full conformity with applicable laws is entirely the responsibility of the owner.

WARNING

Property Damage, Serious Injury or Death may result from:

- ◆ **FAILURE DUE TO UNDERINFLATION/OVERLOADING:**

Follow owner's manual or tire placard placed in the vehicle.

- ◆ **EXPLOSION OF TIRE / RIM ASSEMBLY DUE TO IMPROPER MOUNTING:**

Only specially trained persons using proper equipment should mount tires.

- ◆ **FAILURE TO DEFLATE SINGLE OR DUAL ASSEMBLIES COMPLETELY BEFORE DEMOUNTING:**

Before loosening any clamps or nuts that attach a multi-piece rim assembly to a vehicle always completely deflate the tire mounted as a single or both tires in a dual assembly by removing the valve core(s). Never attempt to remove a tire from a rim unless the tire is completely deflated. In both cases above check the valve stem by running a piece of wire through the stem to make sure it is not plugged.

- ◆ **WELDING, BRAZING OR USING ANY TYPE OF HEAT SOURCE ON A MOUNTED TIRE / RIM ASSEMBLY:**

Do not, under any circumstances, attempt to rework, weld, heat or braze any rim components that are cracked, broken or damaged. Replace with new parts or parts that are not cracked, broken or damaged, and which are the same size, type and manufacturer. Consult the rim manufacturer concerning proper replacement components.

The Contractor shall remove the Rejected Goods and the Contractor Property in accordance with the terms and conditions of the written notice. Failure to remove the Rejected Goods or the Contractor Property in accordance with the terms and conditions of the written notice shall mean, for itself and all Contractor Parties, that:
 1. they have voluntarily, intentionally, unconditionally, unequivocally and absolutely abandoned and left unclaimed the Rejected Goods and Contractor Property and relinquished all ownership, title, licenses, rights, possession and interest of, in and to (collectively, "Title") the Rejected Goods and Contractor Property with the specific and express intent of (A) terminating all of their Title to the Rejected Goods and Contractor Property, (B) vesting Title to the Rejected Goods and Contractor Property in the State of Connecticut and (C) not ever reclaiming Title or any future rights of any type in and to the Rejected Goods and Contractor Property;

 4. if the State incurs any costs or expenses in connection with disposing of the Rejected Goods and Contractor Property, including, but not limited to, advertising, moving or storing the Rejected Goods and Contractor Property, auction and other activities, the State shall invoice the Contractor for all such cost and expenses and the Contractor shall reimburse the State no later than thirty (30) days after the date of invoice; and

11. Working and Labor Synergies

The Contractor shall quickly resolve all labor disputes which result from the Contractor's or Contractor Parties' presence at the work site, or other action under their control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall those disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under this Contract.

12. Background Checks

The Contractor and Contractor Parties shall submit to and incur the cost of fingerprint supported federal and state criminal history background checks as may be required by the State, the State of Connecticut Department of Emergency Services and Public Protection, or as provided for in any State document that governs procedures for background checks. - a. it is the owner of record or lessee of record of each such motor vehicle used in the Performance of this Contract, and each such motor vehicle is duly registered with the Connecticut Department of Motor Vehicles ("ConnDMV") in accordance with the provisions of Chapter 246 of the Connecticut General Statutes. Each such registration shall be in valid status, and shall not be expired, suspended or revoked by ConnDMV, for any reason or cause. If such motor vehicle is not registered with ConnDMV, then it shall be duly registered with another state or commonwealth in accordance with such other state's or commonwealth's applicable statutes. Each such registration shall be in valid status, and shall not be expired, suspended or revoked by such other state or commonwealth for any reason or cause.
- b. each such motor vehicle shall be fully insured in accordance with the provisions of Sections 14-12b, 14-112 and 38a-371 of the Connecticut General Statutes, as amended, in the amounts required by the said sections or in such higher amounts as have been specified by ConnDMV as a condition for the award of this Contract, or in accordance with all substantially similar provisions imposed by the law of the jurisdiction where the motor vehicle is registered.
- c. each Contractor Party who uses or operates a motor vehicle at any time in the Performance of this Contract shall have and maintain a motor vehicle operator's license or commercial driver's license of the appropriate class for the motor vehicle being used or operated. If the Contractor is a "motor carrier," as that term is defined in section 49 CFR Part 390, and the Contractor is subject to an order issued by the Federal Motor Carrier Safety Administration that prohibits such Contractor from operating or allowing the operation of a motor vehicle, then the Contractor shall comply fully with such order. In addition, if a motor vehicle or its operator is declared out of service pursuant to Conn. Gen. Stat. § 14-163c(d)(4), then the Contractor shall not operate or allow the operation of that motor vehicle and shall not allow the operator to operate a motor vehicle while the respective subject out-of-service order is in effect.

15. Sales and Use Report

Exhibit 2
Connecticut Standard Terms

Contractor shall deliver a sales and use report on a quarterly basis, in form and content as pre-approved by DAS or the Client Agency. The Contractor shall deliver the report within ten (10) days following the end of each calendar quarter. The Contractor shall provide the Client Agency with any additional reports as the Client Agency may request from time to time within ten (10) days following receipt of the Client Agency's written request. Timely submission of these reports is a material requirement of this Contract. All Title and property rights and interests in and to the reports and the data in the media containing the reports at all times is and will always remain vested in the State. At no time will Contractor have Title to such reports, data or media, wherever located. Accordingly, the Client Agency shall have a perpetual, irrevocable, non-exclusive, transferable right to display, modify, copy and otherwise use the reports, data, and information provided under this Section.

16. Breach

- a. If one party (the "Non-breaching Party") determines that the other (the "Breaching Party") has failed to comply with any of the Breaching Party's corresponding Contract obligations (a "Breach"), then the Non-Breaching Party shall provide written notice of such failure to the Breaching Party in accordance with this Contract. The Non-breaching Party must provide the Breaching Party an opportunity to remedy the Breach within thirty (30) calendar days from the date of the notice. However, if Contractor is the Breaching Party, then the Client Agency may set forth any remedy period in the notice, so long as that period is otherwise consistent with the provisions of this Contract. The period set forth in the notice is known as the "Remedy Period." The Non-Breaching Party shall extend the Remedy Period if it is satisfied that the Breaching Party is making a good faith effort to remedy the Breach, but the nature of the Breach is such that it cannot be remedied within the Remedy Period.
- b. If the Client Agency determines that the Contractor has committed a Breach, then the Client Agency may require the Contractor to, and Contractor shall, prepare and submit to the Client Agency a CAP in connection with the identified Breach. Contractor shall provide in the CAP a detailed explanation of the deficiencies and other factors that contributed to the cited Breach, Contractor's assessment or diagnosis of Breach (identifying the deficiencies and factors in reasonable detail, with references to the applicable Specifications), and a specific proposal to remedy or resolve the Breach. Contractor shall submit the CAP to the Client Agency within (10) Business Days following the Client Agency's request for the CAP for the Client Agency's review and approval. Within (10) Business Days of receiving the CAP, the Client Agency must either approve the CAP, or reject it by delivering to Contractor a written explanation for the rejection. If the Client Agency fails to accept or reject the CAP within the (10) Business Days, then the CAP is deemed to have been approved, without more. The Client Agency's explanation for the rejection must include suggestions for changes to the CAP and the Contractor shall address the suggestions in such a manner to make it likely that the Client Agency will approve the CAP when the Contractor re-submits it to the Client Agency for review and approval. If the Client Agency rejects a CAP, then the parties will repeat this submittal and review process until the earliest of one of the following: (1) the Client Agency accepts a CAP, (2) the Client Agency waives its right to receive a CAP, (3) Contractor remedies the Breach, (4) the Client Agency waives the Breach, or (5) the Client Agency makes a determination to Terminate this Contract. After the first rejection, each of the parties will have (5) Business Days, instead of (10) Business Days, within which to review the CAP. Each subsequent revision and review will be for up to (3) Business Days each instead of (10) or (5) Business Days.
- c. If the Client Agency determines that the Contractor has Breached this Contract, then the Client Agency may withhold payment in whole or in part for any amounts due pending resolution of the Performance issue, provided that the Client Agency notifies Contractor in writing prior to the date that the payment would have been due.
- d. For purposes of the Client Agency determining whether there is a Breach under this Contract, or whether any statement in the Representations and Warranties Section of this Contract is false or

Exhibit 2
Connecticut Standard Terms

misleading, the parties deem the Acts of the Contractor Parties to be the Acts of the Contractor itself, as if the Contractor itself was the subject of the Acts which the Client Agency considers in determining if there was a Breach, or an instance of false or misleading statements, or both.

- e. The written notice of the Breach may include an effective Termination date. If the identified Breach is not remedied by the stated Termination date, unless otherwise modified by the Non-breaching Party in writing before such date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Termination date, then the Non-breaching Party shall provide the Breaching Party no less than twenty-four (24) hours' prior written notice before terminating this Contract.
- f. Notwithstanding any provisions in this Contract, DAS may terminate this Contract with no Remedy Period for Contractor's Breach or violation of any of the representations or warranties in this Contract and revoke any consent to assignments given as if the assignments had never been requested or consented to, without liability to Contractor or Contractor Parties or any third party. Termination under this Breach section is subject to the provisions of the Termination Section of this Contract. In case of such revocation or Termination, the Client Agency will have no liability or responsibility to Contractor or Contractor Parties or any third party, or any of them, resulting from the Termination or revocation.
- g. None of the State's rights under this Breach Section diminishes the State's rights under the Termination Section of this Contract.

17. Termination

- a. Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may Terminate this Contract whenever DAS makes a written determination that such Termination is in the best interests of the State. DAS shall notify the Contractor in writing of Termination pursuant to this Section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under this Contract prior to such date.
- b. Notwithstanding any provisions in this Contract, either party, through a duly authorized employee, may, after making a written determination that the other party has Breached this Contract and has failed to remedy the Breach, Terminate this Contract in accordance with the Breach Section of this Contract.
- c. Notices of Termination must be sent certified in accordance with the Notice Section of this Contract. Upon receiving the Termination notice from DAS, the Contractor shall immediately modify or discontinue all Performance affected in accordance with the terms of the notice, undertake commercially reasonable efforts to mitigate any losses or damages and deliver to DAS or the Client Agency (as directed in the notice) all Records. The Records are deemed to be the property of the State and the Contractor shall deliver them to DAS or the Client Agency (as directed in the notice) no later than thirty (30) days after the Termination of this Contract or fifteen (15) days after the Contractor receives a written request from DAS for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
- d. Except for any work which DAS directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and Purchase Orders and shall not enter into any further subcontracts, Purchase Orders or commitments.
- e. The Client Agency shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Client Agency in accordance with Exhibit A, Deliverables Document or a SOW, as applicable, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance

Exhibit 2
Connecticut Standard Terms

which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Client Agency will not tender to the Contractor any payments for anticipated or lost profits. Upon request by the Client Agency, the Contractor shall assign to the Client Agency, or any replacement contractor which the Client Agency designates, all subcontracts, Purchase Orders and other commitments, deliver to the Client Agency all Records and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as DAS or the Client Agency (as directed in the notice) may request.

- f. Upon Termination of this Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the Sections which survive Termination. All representations, warranties, agreements and rights of the parties under this Contract shall survive such Termination to the extent not otherwise limited in this Contract and without each one of them having to be specifically mentioned in this Contract.
- g. Termination of this Contract pursuant to this Section shall not be deemed to be a Breach of contract by DAS or the Client Agency.

18. Continued Performance

The Contractor and Contractor Parties shall continue to Perform their obligations under this Contract while any dispute concerning this Contract is being resolved.

19. Open Market Purchases

Failure of the Contractor to Perform within the time specified in this Contract, or failure to replace rejected or substandard Goods or fulfill unperformed Services when so requested and as this Contract provides or allows, constitutes a Breach of this Contract and as a remedy for such Breach, such failure shall constitute authority for DAS, if it deems it to be necessary or appropriate in its sole discretion, to Terminate this Contract and/or to purchase on the open market, Goods or Services to replace those which have been rejected, not delivered, or not Performed. The Client Agency shall invoice the Contractor for all such purchases to the extent that they exceed the costs and expenses in Exhibit B, Price Schedule and the Contractor shall pay the Client Agency's invoice immediately after receiving the invoice. If DAS does not Terminate this Contract, the Client Agency will deduct such open market purchases from this Contract's quantities. However, if the Client Agency deems it to be in the best interest of the State, the Client Agency may accept and use the Goods or Services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Client Agency.

20. Setoff

The State, in its sole discretion and upon prior written notice to Contractor, may setoff and withhold (1) any costs or expenses including but not limited to costs or expenses such as overtime, that the State incurs resulting from the Contractor's unexcused Breach under this Contract and under any other agreement or arrangement that the Contractor has with the State and (2) any other amounts of whatever nature that are due or may become due from the State to the Contractor, against amounts otherwise due or that may become due to the Contractor under this Contract, or under any other agreement or arrangement that the Contractor has with the State. The State's right of setoff and to withhold shall not be deemed to be the State's exclusive remedy for the Contractor's or Contractor Parties' Breach of this Contract, all of which shall survive any setoffs and withholdings by the State.

21. Cross-Default

- a. If the Contractor or Contractor Parties Breach, default or in any way fail to Perform satisfactorily under this Contract, then DAS may, in its sole discretion, without more and without any action

Accordingly, DAS may then exercise at its sole option any and all of its rights or remedies provided for in this Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.

- b. If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under any or all Other Agreements with DAS or the State, then DAS may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to Perform under this Contract. Accordingly, the State may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or this Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS or the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to Perform under this Contract.

Each remaining term and provision of this Contract shall be valid and enforced to the fullest extent possible by law.

49. Risk of Loss and Insurance

The State shall not be liable to Contractor for any risk of Deliverable loss or damage while Deliverables are in transit, or while in the Client Agency's possession, except when such loss or damage is due directly to the Client Agency's negligence or intentional misconduct. Nothing in this Section is intended nor shall it be construed, in any manner, as waiving or compromising the sovereign immunity of the State.

The insurance required by this Section shall be written on an occurrence basis as opposed to a "claims made" basis and shall be on such forms, and contain such endorsements and terms, as shall be acceptable to DAS.

Before commencing Performance, the Contractor shall obtain and maintain at its own cost and expense for the Term of this Contract, the insurance described below. Contractor shall assume any and all deductibles in the described insurance policies. The Contractor shall not begin Performance until the delivery of these 3 documents to DAS. Contractor shall provide an annual electronic update of the 3 documents to DAS on or before each anniversary of the Effective Date during the Term. The State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the State is contributorily negligent, but only for that portion of the negligence attributable to the Contractor and not for that portion of the negligence attributable to the State.

b. Automobile Liability

\$1,000,000 combined single limit per accident for bodily injury and property damage. Coverage extends to owned, hired and non-owned automobiles. If the Contractor does not own an automobile, but one is used in the execution of this Contract, then only hired and non-owned coverage is required. 50. DAS Approval of Subcontractors

DAS must approve any and all subcontractors utilized by the Contractor prior to any such subcontractor commencing any work. Contractor acknowledges that any work provided under this Contract to any State entity is work conducted on behalf of the State and that the Commissioner of DAS or his/her designee may communicate directly with any subcontractor as the State deems to be necessary or appropriate. Contractor must be responsible for all payment of fees charged by the subcontractor(s). A performance evaluation of any subcontractor must be provided promptly by the Contractor to DAS upon request. Contractor must provide the majority of the work associated with this Contract. It is understood that there may be times where conflicts due to scheduling may arise, which would lend the Contractor to utilize subcontractors to meet the Client Agency's needs. When this occurs, Contractor must alert DAS for approval of desired subcontractor before work is started.
