5.1.2. Quarterly Sales, Supplier Diversity Program expenditure, and Environmentally Preferable Products report

OSD has developed a centralized process for collecting sales, SDP, and EPP data. Sales data is used by OSD to measure progress on contract spend from year-to-year. The reporting assists with forecasting future contract spend, evaluating Vendor performance, and tracking Vendor spend towards environmental products and their SDP commitment. EPP reporting allows the

EPP Program to annually quantify benefits and spend on sustainable products. Reporting also assists with the development of new contracts and/or new categories of services under existing contracts. In the event the Commonwealth adopts an alternate reporting system, Vendors will be required to utilize such system as directed by the OSD Contract Manager.

Completion and submission of the Quarterly Sales and SDP Report is a requirement for all awarded Vendors under this contract each quarter. An Awarded Vendor must submit a Quarterly Sales and SDP Report each quarter regardless of whether they have had sales during a quarter.

Vendors are required to submit reports through the Commonwealth's Vendor Report Management (VRM) System which may be accessed via web portal at <https://massosd.gob2g.com>. Vendors must maintain records such that they are able to report, for all invoices submitted under the contract, the purchasing entity name, the invoice number, the invoice date, the product/service description, the unit of measure, the price per unit, the quantity, the line total purchase amount, and any environmentally preferable product reporting requirements as applicable.

5.1.3. Statewide Contract Administration Quarterly Fee Payment and Report

This Statewide Contract is subject to a 1% Contract Administration Fee, which is created pursuant to MGL c. 7, § 3B and 801 CMR 4.02, and which is incorporated by reference into Statewide Contracts with the Operational Services Division (OSD). The price stated in any Bidder's Quote price and any Contractor's Statewide Contract shall be inclusive of this fee and Contractors shall not reflect this fee as a separate line item on customer invoices.

This fee will be based on 1% of the total dollar amounts, adjusted for credits or refunds, paid by Eligible Entities to the Statewide Contractor based on the statewide contract. All "Statewide Contracts" awarded, and all purchase orders and purchases made pursuant to this RFR are subject to this fee. Eligible entities are defined in Section 3, above.

Note that if the 1% Administration Fee is deductible as a business expense for federal income tax purposes, it is also deductible as an expense for Massachusetts tax purposes.

5.1.3.1. Quarterly Fee Payment

For each Reporting Period, as defined above in the Reporting Requirements and Due Dates section, Statewide Contractor shall pay to OSD a fee equal to one percent (1%) of the total payments (adjusted for credits or refunds) received from all Eligible Entities that have purchased from the Statewide Contractor pursuant to this Agreement. All payments must be received by OSD on or before 45 days after the last day of the Reporting Period or a Contractor will be considered in breach of contract.

Quarterly payments will include any periods less than a full calendar quarter if a contract does not start on the first day of a quarter or end on the last day of the quarter.

Payments are to be made through a web-based secure payment center, which is accessible through a link provided to Statewide Contractors by OSD. All Administration Fee payments are to be made directly through the secure payment center. Payments may be made via Automatic Clearing House (ACH) or by using one of the following credit cards: American Express, Discover, MasterCard and/or Visa. Payment of the Administration Fee by check is not permitted unless a contractor makes a written request for an exception and demonstrates, to the satisfaction of OSD's Contract Manager, that compliance poses a hardship.

There is no charge to contractors to use ACH as OSD covers the nominal fee for using the ACH payment method. OSD will NOT cover the convenience fee for selecting credit card. The contractor is responsible for paying this non-refundable fee. The convenience fee (currently established by Statewide Contract PRF59A) is over and above the 1% Administration Fee and is subject to change during the term of the contract resulting from this bid. Prior to the due date for the Statewide Contractor's Administration Fee payment and report, the Statewide Contractor will receive an e-mail from OSD that includes all required information to submit payments via the secure payment center.

5.1.3.2. Statewide Contractor Administration Fee Quarterly Reporting

Electronically submitting your payment, which is comprised of the 1% administration fee of the total payments received by the Contractor from all Eligible Entities for the Quarter, will serve as the Statewide Contractor Administration Fee Report.

Each Statewide Contractor shall submit one Statewide Contractor Administration Fee Report for each Statewide Contract for each Reporting Period. The electronic submission of the payment shall serve as submission of the Statewide Contractor Administration Fee Report.

5.1.4. Audit

During the term of this Agreement and for a period of six years thereafter, the Operational Services Division, its auditors, the Office of the Inspector General, the Office of the Attorney General, or other authorized representatives shall be afforded access at reasonable times to Contractor's accounting records, including sales information on any system, reports, or files, in order to audit all records relating to goods sold or services performed pursuant to this Agreement. If such an audit indicates that Contractor has materially underreported Sales, then the Vendor shall be responsible for payment of the costs associated with the audit.

5.1.5. Other Terms

Contractors are responsible for compliance with all other contract reporting requirements including, but not limited to, contract detailed spend, Supplier Diversity Program (SDP) and other contract reports, as required by this contract.

All amounts payable by the Contractor to OSD under this Agreement that are not received by the due date specified shall bear simple interest from the date due until paid. The Late Payment Interest Rate is set by the Office of the State Comptroller on an annual basis and can be found by selecting the fiscal year in question on the Comptroller's Fiscal Year Updates webpage.

In the event of the Contractor’s breach of this policy including, but not limited to, non-reporting, non-payment, late reporting/payment, under-reporting/payment, the Commonwealth reserves the right to pursue all recourse and penalties available including, but not limited to, contract suspension and contract termination. The Commonwealth is allowed to suspend, terminate, or debar pursuant to Massachusetts General Laws Chapter 29, Section 29F, as amended, and pursuant to Section 4 of the Commonwealth Terms and Conditions. In addition, in the event the Contractor fails to make any payment when due, the Contractor shall be liable to the Commonwealth for all expenses, court costs, and reasonable attorneys' fees (including inside counsel) incurred in enforcing the terms and conditions of this Agreement.

5.1.6. Ad hoc reports

The Commonwealth Contract Manager may request additional reports from time to time. The Contractor must comply with these requests to the extent that the information requested is available.

5.1.7. Reporting Sales

Contractors may report manually in the Vendor Report Management System website or may upload their report using a spreadsheet. It is advised to use the upload process for convenience. When reporting by spreadsheet Contractors must utilize the downloadable report template from the website. Contractors must fill in all requested columns in the report template. When a sales report is ready to submit the Contractor uploads their report using the “View/Add Sales Details” button and then select “Upload Sales Data.” This will prompt the website to review and validate the report at which time you may receive “errors” or “alerts” on your report. An error will generally mean that there is an error in the report itself, such as missing information or a line total not matching the unit price and quantity, and these will require correcting before the website will accept the report. An alert will generally mean that a customer name is not recognized, and you will have the option of changing it or submitting it to the system with a request for a name exception. In most cases for an alert the Contractor should submit their customer names as-is and request an exception and OSD will reply to the Contractor if more information is needed. All reports require the following information:

- a) Purchasing Entity Name (must be specific and not a generic name i.e. “Commonwealth”)
- b) Invoice Number
- c) Invoice Date (use “Short Date” format)
- d) Product/Service Description (be as descriptive as possible)
- e) Unit of Measure (i.e. “each” or “hour”)
- f) Unit Price
- g) Quantity
- h) Line Total Purchase Amount (must equal Unit Price X Quantity)

Contractors must comply with additional sales, environment and climate information about products or services (e.g., third-party certifications, standards, post-consumer recycled content, etc.), data requested by OSD on the quarterly sales report.
