6.3 Taxes: The State is generally exempt from payment of state sales and use taxes and from personal property tax for property purchased for its use. The State is generally exempt from payment of federal excise tax under a permanent authority from the District Director of the Internal Revenue Service (Chapter 32 Internal Revenue Code [No. 82-73-0019K]). Exemption certificates will be furnished as required upon written request by the Contractor. If the Contractor is required to pay any taxes incurred as a result of doing business with the State, it shall be solely responsible for the payment of those taxes. If, after the effective date of the Contract, an Idaho political subdivision assesses, or attempts to assess, personal property taxes not applicable or in existence at the time the Contract becomes effective, the State will be responsible for such personal property taxes, after reasonable time to appeal. In no event shall the State be responsible for personal property taxes affecting items subject to the Contract at the time it becomes effective.

6.4 Certification Concerning Boycott of Israel: On April 26, 2021, Governor Little signed Senate Bill 1086. The bill creates a new section of code requiring all public entities in Idaho to insert a certification regarding boycotts of Israel in contracts and renewals of contracts that are effective on or after July 1, 2021. The Contractor certifies as follows:

Certification Concerning Boycott of Israel. Pursuant to Idaho Code section 67-2346, if payments under the Contract exceed one hundred thousand dollars (\$100,000) and Contractor employs ten (10) or more persons, Contractor certifies that it is not currently engaged in, and will not for the duration of the Contract engage in, a boycott of goods or services from Israel or territories under its control. The terms in this section defined in Idaho Code section 67-2346 shall have the meaning defined therein.

6.5 Disclosure of Abortion Related Matters: The State is subject to the No Public Funds for Abortion Act, Idaho Code title 18, chapter 87 (the "Act") and State employees who intentionally violate the provisions of the Act are subject to criminal prosecution. This provision is included in this letter to aid in compliance with the Act. The state of Idaho (State) requests that Contractor disclose, unless Contractor is within one of the exemptions provided in the Act, if it or an affiliate is or becomes, during the term of the Contract, an abortion provider and if it will use State facilities or public funds to provide, perform, participate in, promote or induce, assist, counsel in favor, refer or train a person for an abortion related activity. Please refer to the Act for definitions of the terms used in this section.

6.6 Certification Concerning Government of China: Pursuant to Idaho Code section 67-2359, Contractor certifies that it is not currently owned or operated by the government of China and will not for the duration of the Contract be owned or operated by the government of China. exploration, production, utilization, transportation, sale, or manufacture of fossil fuel-based energy, timber, minerals, hydroelectric power, nuclear energy, or agriculture; or (b) engages in or supports the manufacture, distribution, sale, or use of firearms. The terms in this section defined in Idaho Code section 67-2347A shall have the meaning defined therein, including through reference to another section of Idaho Code.

6.8 Idaho Administrative Fee and Quarterly Usage Report: This PA is subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the PA, as follows:

The prices to be paid by the Purchasing Entity must be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor must remit to **State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075** an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly PA sales.

Contractor must furnish detailed usage reports as designated by the Participating Entity. The Contractor must also submit a summary quarterly report of purchases made from the PA to purchasing@adm.idaho.gov, utilizing the PADD Summary Usage Report Form available for download at <https://purchasing.idaho.gov/information-for-vendors/>.

For example: if the total of Contractor's net sales to the Purchasing Entity for one quarter = \$10,000, Contractor would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for what that quarter, along with the required quarterly usage report.

Reporting Timeline (Fiscal Year Quarters): Fee and Report Due:

1st Quarter:	July 1 – September 30	October 31st
2nd Quarter:	October 1 – December 31	January 31st
3rd Quarter:	January 1 – March 31	April 30th
4th Quarter:	April 1 – June 30	July 31st

Refund of Administrative Fee: In the event that this PA is cancelled by the Participating Entity through no fault of the Contractor, or if item(s) are returned by the Purchasing Entity through no fault, act, or omission of the Contractor after the sale of any such item(s) to the Purchasing Entity, the Participating Entity will refund the Contractor any Administrative Fees remitted. Administrative Fees will not be refunded or returned when an item is rejected or returned, or declined, or the PA cancelled by the State due to the Contractor's failure to perform or comply with specifications or requirements of this PA or Master Agreement. If, for any other reason, the Contractor is obligated to refund to the Participating Entity all or a portion of the Participating Entity's payment to the Contractor, or the Participating Entity withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

Failure to Remit Administrative Fee: If a Contractor fails to remit the Administrative Fee, as provided above, the Participating Entity, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition

to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; and/or exclude Contractor from participating in future participating addenda.

6.9 Assignment: Contractor shall not assign this PA, or its rights, obligations, or any other interest arising from this PA, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing. Transfer without such approval shall cause the annulment of the PA, at the option of the State. All rights of action, however, for any breach of the PA are reserved to the State. (I.C. § 67-9230).

Notwithstanding the foregoing, to the extent required by applicable law (including I.C. § 28-9-406), Contractor may assign its right to payment on an account provided that the State shall have no obligation to make payment to an assignee until thirty (30) days after Contractor (not the assignee) has provided the responsible procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The state may treat violation of the clause as an event of default.

6.10 Public Records and Trade Secret: A) Pursuant to Idaho Code Section 74-101, et seq., information or documents received by the State will be open to public inspection and copying unless the material is exempt from disclosure under applicable law. The person or entity submitting the material must clearly designate specific information within the document as "exempt," if claiming an exemption; and indicate the basis for such exemption (e.g. Trade Secret). The State will not accept the marking of an entire document as exempt; or a legend or statement on one page that all, or substantially all, of the document is exempt from disclosure.

B) Contractor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring such a designation or for the Contractor's failure to designate specific information within the document as exempt. The Contractor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Contractor, the Contractor shall provide the legal defense for such claim.

6.11 Terms and Conditions in the Master Agreement that Do Not Apply to this PA: Any terms or conditions contained in the Master Agreement that do the following are not applicable to this PA:

Waive the sovereign immunity of the state of Idaho;

Subject the state of Idaho, its agencies, or political subdivisions of the state of Idaho to the jurisdiction of the courts of other states.

Limit the time in which the state of Idaho, its agencies, or political subdivisions of the state of Idaho may bring a legal claim to a period shorter than that provided in Idaho law.

Impose a payment obligation, including a rate of interest for late payments, less favorable than the obligations set forth in Section 67-2302, Idaho Code; or,

Require the state of Idaho, its agencies, or political subdivisions of the state of Idaho to

accept arbitration or to waive right to a jury trial.

Require indemnification not specifically authorized by the Idaho legislature or subject to appropriation (pursuant to Section 67-9213, Idaho Code, and Section 59-1016, Idaho Code).

Hold employees or officers of the state of Idaho and of political subdivisions of the state of Idaho personally liable.

Any limitations, modifications, or additions specified herein apply only to the agreement and relationship between Participating Entity and Contractor and shall not amend or affect other participating addendums or the Master Agreement itself.

Failure to sign the D&A or reject the Device(s) within the foregoing five (5) day period shall be deemed as Acceptance by the Purchasing Entity.

Contractor will provide timely billing and Purchasing Entity will notify Contractor, in writing, of any billing concern. In order for Contractor to generate accurate service invoices, Purchasing Entities shall provide meter reads within the Contractor(s) requested timeframe.

Invoices that are generated without receiving the proper meter read information from the Purchasing Entity will not be considered inaccurate.

The Purchasing Entity shall provide written notice of any alleged invoicing issue(s) and the Contractor will be allowed a thirty (30) day cure period to address any such issue. In addition, any language in a EULA which violates a Participating State's constitution or a statute of that state; or violates the laws of a local entity making a purchase, will be deemed void, and of no force or effect.
